Purity, a bay mare, sold in New York for \$6,000. She can make 2:18.

The finding of the bodies of Lieut. DeLong and ten of his men is confirmed.

Mr. Forster, in his speech in the House of Commons on Thursday, said that if Parnell had not been arrested he would have become the unrowned King of Ireland.

Senator Vance was to have lectured in Richmond Friday night. He was to be the guest of Judge Ould, and was to have a dinner given him by Dr. George B. Johnston.

The killing of Lord Cavendish, who succeeded Mr. Forster, in Dublin, will make bad worse. He was a Whig, and was selected for the Irish Secretary's place because Mr. Gladstone was anxious to conciliate the Whigs, who had been supporting him but were disposed to fly off. Why he was killed we have no information at this writing.

Charlotte Observer: Wednesday evening last, about 4 o'clock, Mr. D. A. Wallace, of Concord, made an attempt to take his life by cutting his throat and he almost did the work. — The new brick fence, about completed around the First Presbyterian Church, is a decided improvement on the old wooden enclosure, and more in accordance with the eternal fitness of things. It lends a much improved appearance to the handsome brick and stone structure, and is artistic in finish and workmanship.

Violations of Revenue Laws. Deputy U. S. Marshal T. E. Phillips left for Fayetteville yesterday, on the steamer D. Murchison, having in his custody Messrs. Jas. Godwin, Blackman Godwin and George Godwin, convicted at the late term of the U. S. District court of violating the Internal Revenue laws, who are to be released on the payment of costs or giving bond for their appearance at the next term of the Court. It is not thought that they will have any difficulty in finding the necessary bond.

Robbed of Money and a Pistol. A young man from Cumberland county, who brought down a raft of tar, laid himself down and went to sleep on the raft Friday night, and some time during the night some sly rogue went aboard and rifed his pockets of \$9.50 in money and a pistol, leaving in the place of it a postal card with the name of A. C. Armstrong on it, which was evidently intended as a blind. He has no clue to the thief.

MEMORIAL DAY.

Programme for Celebration May 10th. The procession will form promptly at 8 1/2 o'clock in three divisions.

FIRST DIVISION. In charge of Assistant Marshals John L. Dudley, H. M. Bowden and A. G. Hankins, will form on South side Market street, right resting on Fourth.

Brigadier General M. P. Taylor and Staff and Artillery Staff. Wilmington Cornet Concert Club. Wilmington Light Infantry. Carriage containing Chaplain and Orator. Ladies' Memorial Association. Children's Memorial Association. Schools in charge of their teachers.

SECOND DIVISION. In charge of Assistant Marshals S. P. Collier, John H. Pugh and H. McL. Green, will form on South side Market, right resting on left of First Division.

Association of Officers of Third North Carolina Infantry. Memorial Association of Third North Carolina Infantry. Organizations from other Confederate Army and Navy forces in charge of Senior Officers. Soldiers and Sailors of Confederate Army and Navy. Civil Associations. Citizens on foot.

THIRD DIVISION. In charge of Assistant Marshals Peter Smith and L. H. Bowden. Disabled Confederate Soldiers and Sailors in carriages. Citizens in carriages. Assistant Marshals C. H. Robinson and John White will have charge of the Confederate lot and grounds adjacent in the Cemetery.

Ministers of the different churches are requested to have their bells tolled from 8:30 to 4 o'clock.

The route will be up Fourth street to Campbell; up Campbell to the Cemetery.

As the head of the procession reaches Campbell street, the Cape Fear Light Artillery will begin to fire a salute of thirty-six guns from the hill overlooking the Cemetery.

At the close of the ceremonies a salute will be fired by the Wilmington Light Infantry.

The Memorial services will be opened with a dirge by the Cornet Concert Club. Prayer by the Rev. T. Page Ricard. Dirge by the Band. Memorial Ode by the Choir. Oration by C. B. Denson.

No Booths or Stands will be Allowed. The Ladies' Memorial Association request us to state that they hope that no booths or stands for the sale of ale, beer and other such articles will be permitted near the Cemetery grounds on Memorial Day, as such traffic tends to promote confusion and is entirely inappropriate to such an occasion. In this connection it may not be amiss to say that they have the assurance of the owners of property adjacent that they will not give any permit or sanction any such use of their lots on that day. The street leading to the Cemetery has never been formally opened or condemned, and is therefore private property, and the unsanctioned use of it would be a punishable trespass.
