that Judge Folger will be beaten and badly besten in that part of New York State north of Harlem bridge. — David A. Boody, who has been nominated by the Republicans of the Second New York District to oppose "Richelieu"

Robinson, is a Democratic free trader. -A few evenings ago Judge "Jery" Black presided at a political meeting at York, Penn. On taking the chair he said: 'I hardly intended to be here to-night; but saw in a little newspaper that Judge Black would now have to show his hand in this campaign. On the other hand, the production of Kidney-Wort began with wise cautions and scientific research, and its use ends in restoring shattered constitutions and endowing men and women with health and happiness. The STAR is so well and favorably known in this section of the State, that we can say nothing of which its thousands of readers do not already know. It is in every respect one of the best dailies in the South.—Robesonian.
