MORNING EDITION. OUTLINES.

Biographies on the late Senator Hill, of Georgia, were delivered in both Houses of Congress yesterday; the House passed the Naval Appropriation bill. Ex-Empress Eugenie denies that her recent visit to Paris had any political significance, or that she was requested to leave. A sheriff was shot and killed by a desperado near Ells Station, Kansas; citizens hung the murderer to a tree. Windom is still ahead in the Senatorial contest in Minnesota. A government vessel with provisions has been sent to an island off the coast of Ireland, where the inhabitants are starving. Pers is ready to treat for immediate peace with Chili. The committee of the French Chambers adopted a proposition to expel all members of families having reigned in France. New York markets: Money 3/4 per cent, cotton easier at 10 1/2 @ 10 7/16 cents; southern flour quiet at \$5 20 @ 85; wheat, ungraded winter red 85c @ 91; corn, ungraded 62 @ 70c; rosin steady; spirits turpentine firm at 52 1/2 @ 53c. Brooklyn has 601,103 inhabitants and 646 police. Jay Gould's boss in the Missouri railway lobby. The Rugby colony in Tennessee is sending up after all adverse statements. Burt appeared in Berlin as Lear on the 23d, and he was called eight times before the curtain. In California in 1882, there were 245 divorces—1 to every 609 inhabitants exclusive of the "Heaven Children." There are 1,457 theatres in Europe. Spain leads with 460; then comes France with 348, then Germany with 181, and next England with 150. The State copies Col. Green's letter to the Star but with the error. There was a line omitted in which President Polk's name occurred, following "a brother." The Radicals are even "protecting" the bees. Beeswax in Kelley's bed is taxed 20 per cent. The protectionists are as active for their pet measure as "the busy bee." It costs \$887.70 for port charges to a vessel coming into New York of 2,500 tons, drawing 20 feet of water. Baltimore charges \$700; Norfolk, \$858; San Francisco, \$685; New Orleans, \$655. The latter charge is inclusive of towage 110 miles up-stream. Is not all of these "mighty steep?" The poet-editor of the Norfolk Landmark, the gifted Hope, referring to what is said of a monument to the meritorious Gen. Pender, says: "We are glad to see that this is in contemplation, and our friends across the Border should set to work on some regular system to adorn the grounds of their State Capital with the bronze effigies of some of her greatest men, among whom the lamented Pender would hold no mean place in the eyes of posterity." Our State capital has but one monument and that is in honor of a Virginian—the immortal Washington. It is of bronze and is a copy of Hon. John Blackhall in his contest with A. H. A. Williams. Objections to the testimony will be raised because of defect in notice to take deposition. We are pained to chronicle the death of Mrs. Elizabeth Kyle of this place. Mrs. Kyle passed over to the Great Unknown on Saturday last. She was the widow of Robt. Kyle whose history as a successful merchant of Oxford is well known to the older inhabitants. Sixty years ago Mrs. Kyle, with her husband, came from Ireland to Oxford to live, that was in 1818. Her life has been a succession of good deeds, to the church, to the poor, and to her neighbors. She was born five years before the present century was. (She was one of the saints on earth.) She died every way. She was for more than fifty years a member of the Episcopal church.—(Star.) New Bern Journal: Kinston has quarantined against Trenton. The funeral services of Mr. Francis J. Fulford will be held at Christ Church this morning. Raleigh editorial correspondence: It seems to be believed that the Governor's recommendation about giving away the Atlantic road will end in smoke. The Governor's statement about the road being worthless was so happily put that it has convinced the Legislature of its truthfulness, and the members don't care about stultifying themselves by pretending that they know a tax must be levied to get 150 miles of road built. The Western North Carolina is in trouble, too, but no bill has yet been introduced. Col. Andrews has a tax must be levied to raise revenues for the support of the Government, and they are intelligent enough to know that it should be levied on imports rather than be raised by an internal revenue tax which presses on everybody. I prefer the first plan. Miss Eytinge wrote a few weeks ago a letter to the New York Herald condemning Salmi Morse for his purpose to perform the Passion Play in that city. She is a fine actress herself and is to be commended for the position she assumed in the matter. We make room for a pas-

THE CITY.

NEW ADVERTISEMENTS. MUNSON—Leave orders now. W. H. GREEN—Garden seed. NOTICE—Southern Ore Company. NOTICE—To Telephone subscribers. G. W. WILLIAMS & Co.—Molasses, salt. Local Notes. Receipts of cotton yesterday 336 bales. Maj. W. L. Young, of the Duplin Canal, was in the city yesterday. There was a sudden change of temperature Wednesday night, followed by clouds and rain. One case of drunkenness and disorderly conduct was disposed of by the Mayor yesterday. It looked like "old times" to see the boys swarming around the molasses hogsheads, foot of Chestnut street, yesterday. The Superior Court Clerks, including Mr. S. VanAmringe, of this county, are in session in Raleigh, considering matters relating to the fee bill. Burgaw is to have a big ball to-night, as stated by us in Sunday's issue, and the disciples of Terpechore are expected to have a grand time. Several from this city are intending to be present. The Raleigh News-Observer says that Mr. W. A. Guthrie and Capt. R. T. Fulgham, both well known in this city and section, are suffering from some mental derangement, and are under the care of Dr. Grissom. A Raleigh letter in the Petersburg Index says: "Professor W. B. Phillips, Assistant Geologist, will resign this week to go to Wilmington to become the chemist of the Navassa Guano Company. So the State has no Geologist now." At the opening of Germania Lodge No. 4, K. of P., held last evening, it was announced that P. C. W. F. Wentzel, had died in the city of New York on last Monday, and in respect to his memory, the Lodge without transacting any further business adjourned. Meeting of Survivors of Company I, 18th N. C. Infantry. Pursuant to a notice published in the Star, calling for a meeting of the survivors of Company I, 18th Regiment N. C. Infantry, the following assembled at the store of Mr. B. F. White, on Wednesday evening: Dr. T. F. Wood, Geo. W. Huggins, E. J. Moore, C. H. King, B. F. White, Josiah Merritt, F. H. Mitchell, F. G. Robinson, Wm. Blanks, John Cowan. Dr. Wood was called to the Chair and Capt. Cowan requested to act as Secretary. The Chairman stated the object of the meeting to be held to take into consideration the case of a former comrade, Mr. Benjamin L. Clark, who now lies in a helpless condition, physically and pecuniarily, the result of wounds received in the late war. Messrs. Blanks, King and White were appointed a committee to raise the necessary funds to meet the present and prospective wants of Mr. Clark, and Dr. Wood was named as Treasurer, to receive and disburse the sums paid in his hands. The chairman stated that he thought the City Hospital would in all probability be enlarged, and suggested the feasibility of procuring a bed in that institution; and further suggested that a committee be appointed to ascertain at what cost a bed could be endowed, and kept for the use of disabled ex-Confederates. On motion the suggestion was adopted, and Messrs. F. G. Robinson, Geo. W. Huggins and E. J. Moore were named as the committee to look into the matter. After adopting a suggestion that those present make it a duty to visit Mr. Clark, it was decided to meet again on Wednesday, the 31st inst., at 7 o'clock, at Dr. Wood's office. We learn that the committee have thus far succeeded in collecting from among the survivors of Company I the sum of \$39.50 for the benefit of Mr. Clark. THE SOUTHERN ORE COMPANY. By reference to an advertisement in this issue of the STAR it will be seen that books of subscription to the capital stock of the Southern Ore Company have been opened at the First National Bank and at the Bank of New Hanover. There are only one hundred shares remaining to be taken, and surely the business men of Wilmington will not hesitate to subscribe this small amount in an enterprise which seems destined to take such an important position among our commercial industries. We understand that the works, when in operation, will give employment to quite a large number of laborers. The books will only remain open to-day and to-morrow, and those of our citizens who desire to become identified with the enterprise by subscribing to the stock will have to act at once. Charleston Not to Have Bishop Northrop. On the strength of an Associated Press telegram in our last issue, stating on the authority of the Catholic Review, of New York, that Bishop Northrop, of this State, had been appointed to the See of Charleston, made vacant by the death of Bishop Lynch, there was considerable stir and casiness manifested among our Catholic friends in this city. We have the authority of Rev. Father Gross for stating, however, that there is no truth in the dispatch alluded to, so far as it refers to Bishop Northrop, who will continue in his present position.

Meeting of District Grand Lodge No. 5. The sixteenth annual session of the District Grand Lodge No. 5, I. O. B. B., will convene in this city on the 6th day of February, at 10 A. M., and will continue its sessions until all the business is disposed of. The District comprises thirty-four subordinate Lodges, located in the States of Maryland, Virginia, North and South Carolina, Georgia, and the District of Columbia. Each Lodge is entitled to at least three Representatives, and we learn that there will be a full attendance. The sessions will be held at Tienken Hall, on South Front Street, and will be public, except when working in estoteric work. North State Lodge No. 238, located here, is now busily engaged in making arrangements to entertain the Grand Lodge. On Tuesday evening, Feb. 6th, a musical and literary entertainment will take place at the Opera House. Among the attractions will be a lecture by Hon. Simon Wolf, late Consul General to Egypt; musical solos by Mrs. D. B. Kahnweiler, Mr. Nathan Mayer and others; recitations by Mrs. L. Dryfoos; and we also learn that the Arion Society will participate. On Wednesday evening, Feb. 7th, a grand ball and banquet will take place at Germania Hall; and on Thursday, at 12 M., the members of the Grand Lodge will proceed to Wrightsville Sound and partake of an oyster roast provided for the occasion. It may not be improper in this connection to state that this will be the first representative body of Israelites that ever convened in the State of North Carolina. M. J. Solomans, Esq., of Savannah, is the presiding officer, and Dr. S. B. Wolfe, of Baltimore, Md., is the Secretary. The Committee of Arrangements consist of Messrs. J. I. Macks, Chairman; Nathan Mayer, Secretary, and S. H. Fishbein, II. Brunhild, F. Rheinstein, S. Solomon and Wm Goodman. Weather Indications. The following are the indications for to-day: For the Middle Atlantic States, cloudy weather, with light rain or snow, winds mostly easterly, stationary or lower temperature and higher pressure. For the South Atlantic States, fair weather, followed by local rains, variable winds, mostly southerly, stationary or lower pressure. For the Gulf States, fair weather, followed by local rains, variable winds and stationary or lower temperature and pressure. For the Tennessee and the Ohio Valley, partly cloudy weather, occasional rain or snow, winds mostly northeasterly, and stationary or lower temperature and pressure. Death of Mr. John Altamer. A telegram was received from Mr. G. M. Altamer, at Bridgewater, Virginia, yesterday, announcing the death of his father, Mr. John Altamer, from injuries received in a fall upon ice, mention of which was made in our paper a few days ago. Mr. Altamer had but recently returned from a pleasant visit to his father when he received the sad announcement of the fatal accident that had befallen him, when he immediately took the train for Virginia again. Deceased was 85 years of age. "Princess Louise" will appear at the Opera House on Saturday. Miss Eytinge played in Richmond and Norfolk to delighted audiences. This will be the last matinee this season, and doubtless the ladies and children will take advantage of this opportunity to see America's representative actress. The box sheet for Baker and Farron opens this morning. This is the first performance of the kind ever here, and those celebrated Dutch comedians will have a large house. Magistrate's Court. Joseph Moreck, a seaman, was arraigned before Justice Gardner yesterday afternoon on a peace warrant, and was required to pay the costs and give bond in the sum of \$50 to keep the peace until the first Monday in May.
