the occasion.

on Wednesday, says:

Ben Butler any longer The cattle disease in England is

spreading to an alarming degree.

James A. Redfern, a leading mer chant of Toronto, has eloped with Margie Spratt, a companion of his wifels

Mr. John T. Harrold has obtained ato non damages against the New York Elevated Railroad for injuries Min. 45, 32 (Sec. 1)

Chroamen land at New York with out challenge. The law only applies to those who come from China. Six cime from Cuba within a few days.

His name is William H. Powell He lives in Philadelphia. He was confidential book-keeper for Sinclair & Laughlin. He has only taken \$3,700. Very moderate!

Jun Blaine has less sense than we supposed if he really said Ben Butler whall be the Democratic candidate tor the Presidency if he carried Massachulatis in the next State election. The Dynamizatar party does not exjoor Massachusetts and it has no use for Butler.

It cost 3 per cent, to collect \$360. con,000 of the public taxes for the y ar ending June 30, 1883. The taoff tax cost loss 3 per cent; the internal tax about 31 per cent. If collected through the States or by stamps usued from Washington it 6 ould cost less.

The latest scandal among the Northern doctors is in Chicago. Dr II W. Jones has eloped with the wife of Rudolph A. Bigelow. Dr. Jones left behind him a wife and wveral children, and Mrs. Bigelow inas a husband and three children. Catch them and hang them.

The Chattanooga Times, Augusta Chronicle, and a few other Protectionist papers in the South are blowing Randall's horn every day. That fact alone would bring Randall unsi der deserved suspicion. What do Protection journals want with him? They know his real views on the Tariff.

A new Association has been formed at which the country claps its hands and says "we are safe." The

dozen carriages and a great stable full of Incoment.

It is evidently not Ike Young and company who give offense. If so the cry would be "Get rid of them by hanging the system." Some papers have a particular foudness for taxing the poor man's necessaries. They ery out, "Take the tax off tobacco," when not one cent is paid by either planter of manufacturer, but by consumer. None is so blind as the man who will not see.

Mr. R. M. Bassett, a wealthy manufacturer of Birmingham, England, is in New Haven. He says he has had a talk abroad with the "man with the black moustache" who figured in the Jennie Cramer case. He was told by him that the poor girl was poisoned at the Malley home and thrown into the water on the

A duel between Messrs. Wright and Brooks, members of the Georgia House from Floyd county, is regarded as probable. They had words in a debate. Brooks said:

following night.

"He has seen fit to insult me on the floor of this house. I have too much respect for the gentlemen around me, and too much respect for you, Mr. Speaker, to do so here, but I will reserve the right of stopping the vagabond's jaws outside of this hall."

Spirits Turpentine.

- Winston Pilot: Midshipman W. T. Gray left yesterday for New York. from which point he will embark aboard the Trenton for Chins, taking in all the European stations.

- The Elizabeth City Economist is out in new dress. The outside is patent but the inside has been very much improved typographically. It is one of the ablest edited papers in the State.

Edenton Enquirer: Our townsman, Mr. J. L. Rogerson, is creeting a bar-rel factory on John's Island, opposite the depot. — Cadet Thomas H. Leary, of Annapolis Academy, Maryland, has re-turned home to spend a few weeks with his relatives

- Raleigh Visitor: C. M. Busbee, Esq , left this afternoon for Providence, Rhode Island, to be present at the annual meeting of the Sovereign Grand Lodge, of the Independent Order of Odd Fellows of the World, which meets in that city on Monday next.

- New Berne Journal: Charles C. Daniels, Esq., has become the editor and proprietor of the Kinston Free Press having purchased his brother's interest in the paper. It is gratifying to know that the prosperity of the Free Free has brought about this result.

- Greensboro Workman: There

twenty one working days at the mine. ----Mr. S. F. Telfair, a student at Davidson

College, arrived in this city yesterday, bringing with him a prisoner in the person of a negro man named George Caldwell, who was placed in fail in this city on the charge of larceny. — Mr. Zeb. Vance returned home yesterday from Asheville. He has not entirely recovered from his wounds, but is making satisfactory pro----- There is some reason to sup-TT-B4 ose that the Dewy diamond, the largest liamond ever found in the United States, which was cut by the Morse Diamond Cutting Company, in 1882, came from North Carolina, although it was found by an Irish aborer in Manchester, Va. When found it was imbedded in a curious stone known as its columite, large quantities of which, in ledges, are found in North Carolina. It appears that a load of this stone had been taken to Manchester for assaying, and it is conjectured that the piece in which the diamond was imbedded had dropped from the cart on the way. It weighed 281 carats, and when cut 11 11-16 carats The cutting cost \$1,000, and the stone itself may be

roughly estimated as worth \$10,000. - Elizabeth City Economist: The new clock and bell for the new court house we are satisfied, from the opinion of our townsman Mr. Cook, will be a credit to our town. The bell weighs 800 pounds. - We are in receipt of a kind note from Judge Bennett in which he expresses great regret at the death of W. F. Pool. — There were twenty persons baptized at the protracted meeting at Shady Grove church in Currituck county, last week, under the ministrations of Rev. O. C. Horton. Rev. J. M. C. Luke left on Friday to take charge of the Baptist church at Mocksville, N. C. ---- Martin, Jamesville items: The Jamesville and Washington Railroad talk has come to an end, but we still hope to see the road coming to our town and the country improving. Farmers are busy gathering fodder. Some are making wine from the carly grapes. Some are making apple jack. Fishermen are catching plenty of sturgeon. --- Camden, South Mills dots. The much desired rain does not come to the thirsty earth, and some farmers are counting on a short crop, but we hope they may realize more than they anticipate. -Our county has been visited by a grand revival for the past several weeks extending almost its entire length. ---- By pre-'What a contrast to yesterday is to day! The skies are blue, the September sun shin-ing brightly, and the waves are as blue, vious arrangement on Sunday August 19th, Rev. M. Twitty of Elizabeth City, delivered the dedicatory sermon at McBrides.

The Wisconsin State Medical So- viety, by resolution deslared that consumption is infectious and that persons afflicted with it, should be separated as much as possible from healthy persons. It also recommend- ed that the State Board of Health should cause such separations to be	heretofore had the name of being wholly exempt from fever. ——We learn that the dweiling of Mr. Joseph Shields, of Orange county, was burned yesterday afternoon, while he and his family were absent from home. — The storm at New Berne was severe and the tide was higher than it has been since 1857. A good deal of damage was done. Bridges were washed away, shelters were blown down, trees were up- rooted, wharves torn up, and corn, meal, shingles, lime and salt were washed away, and lumber scattered. M. F. Ulrich lost most of 300 sacks of salt. — Raleigh News-Observer: Deputy Sheriff W. P. Salekenburg, of Wilson county, westerday, found quarters in the	 In the notice of the storm at Smithville, in yesterday's issue, allusion is made to the loss sustained by Capt. Moore. It should have been Capt. C. C. Morse, owner and captain of the handsome pilot boat Urial Timmons, which was sunk during the gale. At a moeting of the Central Centenary Committee of the M. K. Church South, recently held at Nashville, Tenn., Revs. Robert O. Burton, P. E., Frank H. Wood and Col. C. L. Grafflin were appointed as the District Centenary Commit- the Millington District of the 	The steamship <i>Regulator</i> arrived from New York yesterday morning. It was known that she was out in the gale and considerable anxiety was felt concerning her. The reporter interviewed Capt. Doane and found him ready and willing to impart any information that would be of service. He says the gale commenced on Monday morning at 4 o'clock, at which time the	A colored woman named Celia Osborn has a curiosity in the shape of two young pigs which have faces that are very much like human. Neither one has any nose where that organ generally grows, and they consequently have to breathe solely through the mouth, and one of them has neither eyes nor nose. — Reidsville Weekly: The most successful farming we have heard of in this county last year is that of our young friend John Joyce, a son of R. Joyce, in the northwest corner of the county, who sold his crop of tobacco privately to Spencer & Sons for \$2,400, while the entire cost of	Friends of the family are invited to attend. NEW ADVERTISEMENTS. The Tidal Wave BROUGHT AND LEFT ORDERS POR OUR MERCHANT TAILORING Department. With yesterday's steamer our force of Workmen is full, OUR STOCK (how vast and good the Pub- liq must judge), is open.
