It gives the opinion of a"Western Democrat"that there will be no Tariff bill passed this session." It says that Randall will try to get an adjournment without touching the Tariff. Here is the first reason we have seen assigned for the murder of Col. Sudeikin. It is a dispatch from St. Petersburg, dated 3d inst.

The number of guards in the palace of the Czar has been quintupled.

Here is a most pitiful story of self-sacrifice and suffering that beats a novel in pathos:

"LEXIMOTON, Ky., Jan. 2.-W. Irving Landell, said to have been from Philadel phia, died here last night from hunger and exposure. He reached here a few days ago, accompanied by a brother, twelve years old. He had only a dollar and he gave that to a boarding house keeper for his brother, refusing to eat himself. He found employment as a brakeman, and, after thirty-six hours of exposure in sleet and snow, returned here and died."

Of the 325 members of the new House, over one-half are new members. Of the whole 119 served in the war. Of these 65 were Federals and 54 Confederates. There are 221 lawyers, 10 editors and one preacher among them. There are 22 without professions. Probably they are professional office-seekers. There are

Funeral of the Late L. B. Huggins. The funeral of the late L. B. Huggins took place at the First Baptist Church yesterday afternoon, and was very largely attended. Rev. A colored youth, named Joseph Jones, aged about 14 years, was arrested yesterday morning on the charge of committing an assault with a deadly weapon upon another colored boy named Zachariah Johnson.
