Recovering Stolen Property.

Information was lodged at police headquarters on Friday morning last to the effect that a number of the articles alleged to have been stolen from Mr. H. W. How ell, on Front, between Church and Castle streets, on Thursday night, had been discovered concealed in the building known as the old fibre factory, on the side of the river between Dawson and Wright streets. Officers John Piver and Sylvester Bryan were sent to shadow the premises, which they did all that day and the succeeding night, with the expectation that the thieves would come to carry off their booty; but they must have received a hint from some source of what was going on. Yesterday morning the articles were seized and removed to the city court room where Mr, Howell subsequently came and identified the goods, which consisted of rice, meat, sausages, cigars, jellies, flour, etc. There is yet missing a quantity of butter, sugar, coffee, lard, etc. We are glad to learn that Mr. Howell's loss was not so great as at first reported. He thinks now it will not exceed forty or fifty dollars. There is no suspicion as to the identity

of the thief or thieves who perpetrated the

Disturbing a Neighborhood. Yesterday morning, about 9 o'clock, residents in the neighborhood of Ninth, between Dock and Orange streets, were startled by cries of murder and distress, apparently coming from a woman. Officer Lewis Gordon, who lives in the neighborhood, hastily jumped out of bed, hurried on his clothing and hastened in the direction of the house from which the sound proceeded, occupied by colored people. On his way he was met by a woman, crying bitterly, whom he subsequently learned had just been receiving a severe castigation from her husband, but who declined to answer any of the officer's questions or give him any information whatever in regard to the disturbance; and upon arriving at the house she abused him so outrageously that he went down and got a warrent out for her arrest, together with that of her husband, one Morgan Henry. We learn from Officer house here. Twenty-five of those present | Gordon that such disturbances in that quarter are quite frequent.

For Tennessee and the Ohio Valley, fair weather, followed during Sunday by local rains, colder in western and northern portions, slight rise in temperature in eastern portion, followed by colder southerly winds becoming variable and gradually higher barometer.

A Large Wild-Cat.

A very large wild-cat was killed yesterday afternoon on Mr. Sam Davis' place, Rose Hill, about eight miles from the city. After a long chase and whipping the six dogs in the pack, it was shot by Mr. S. L. Davis. It measured four feet nine inches in length-about the size of the wild-cat recently killed by the Fox Club near Wrightsville.

Mortuary. There were three interments-all adults -in Oakdale Cemetery during the week closing yesterday. Bellevue Cemetery reports one interment
