OFRMAN HAIR RESTURATIVE XANTHINE CONTO

The HIGHEST TESTIMONIALS OF A given.

[From Rev. CHAS. H. READ, D. D., Pastor Grace Street Presbyterian Church.]

RICHMOND, VA.

For several years I have used no other Hair Dressing than the Xanthine, which had been warmly recommended to me by a friend who had tested its value. It has, in my experience, accomplished all that is claimed for it as a wholesome preserver and restorer of the natural color of the hair, and a thorough preventive of dandruff.

### SPRING

Is the season in which bad or poisoned blood is most apt to show itself. Nature, at this juncture, needs something to assist it in throwing off the impurities which have collected by the sluggish circulation of blood during the winter months. Swift's Specific is nature's great helper, as it is a purely vegetable alterative and tonic.

Rev. L. B. Paine, Macon, Ga., writes: "We have been using Swift's Specific at the orphan's home as a remedy for blood complaints, and as a gene-ral health tonic, and have had remarkable results from its use on the children and employes of the institution. It is such an excellent tonic, and keeps the blood so pure, that the system is less liable to disease. It has cured some of our children of Scrofula."

W. H. Gilbert, druggist, Albany, Ga., writes : "We are selling large quantities of Swift's Speci-fic for a spring alterative and general health to-nic, and with the best results. It is now largely used as a preventive and cure for Malaria, There are many remarkable evidences of its merit this section."

The Great Drug House of Chicago. We do not hesitate to say that for a year past we have sold more of Swift's Specific (8. S. S.), than all other Blood Purifiers combined and with most astonishing results. One gentleman who used a half dozen bottles says it did him more good than treatment which cost him \$1,000.
