THE STATE PRESS.

What is Said of the Nomination.

Charlotte Observer. We congratulate the Democracy of North Carolina in the happy selection of our standard bearer in the coming State contest, General Alfred Moore Scales, the next Governor of North Carolina, His unanimous nomination on the first ballot shows the appreciation in which he is held by the people of this State. Gen. Scales is in the full vigor of well preserved, robust manhood, temperate in all things, dissipated in nothing, a well stored mind, with habits of application, industrious and energetic, pure in private and public life, eloquent and intensely devoted to his State, he is in every way worthy of the trust reposed in him, the honor tendered, and will make a Governor of whom North Carolina may be

Maj. Charles M. Stedman, the candidate for Lieutenant Governor, is an excellent nomination. He is a practicing lawyer at Wilmington, an accomplished gentleman, in the prime of life, a forcible speaker, well known throughout the State, and will add much to the strength of the ticket. His record as a soldier is a good one.

Raleigh News-Observer.

The State Democratic Convention on vesterday nominated for Governor of North Carolina that scholar, soldier, patriot and gentleman, Alfred Moore Scales - whose name is so well known in every homestead and hamlet in North Carolina. As a soldier, Gen. Scales has a most enviable record. His bearing was courageous and chivalrous, and on every field he displayed a heroism and a manly courage rarely equalled and never surpassed. Of fine physique, possessing mens sana in corpore sano, a skilful canvasser, and in entire sympathy with the people who have committed to his charge the banner of Democracy, he will make a vigorous, persistent and successful campaign. The choice of the convention for the Lieut. Governorship was a singularly happy one, and will be ratified in November by a majority which will indicate that Charles Manly Stedman is the choice of the people of the State for the second office within their gift. We congratulate our people heartily that a man of such lofty character and so thoroughly well equipped for the duties of the office for which he has been nominated should have been the outcome of yesterday's deliberation.

Goldaboro Messenger. Just before going to press the news comes from Raleigh that, Gen. A. M. Scales was nominated for Governor on the first ballot. This means a Democratic triumph in North Carolina, by 20,000 majority.

POLITICAL POINTS.

- John Kelly is the fly in the Democratic ointment at this particular jointure. - PMI. Times, Ind. Rep.

- Senator Hale's proposal looking to an inquiry into frauds in the departmenta is well enough if it does not mean the smothering of facts. - New York Sun, Ind, Deen,

- A paper must have the protection fever in its worst form when it is afraid to take its chances in open market in competition with unsubsidized contemporaries. — Buffalo Elepress, Rep.

- The Blaine managers here are sending word wherever there are kuckers to have them marked for future reference. Bolting Republicans will get nothing it Blaine is elected .- Wash. Special to N. Y.

- Republicans, with significant unanimity, say they would prefer Payne to anybody else, as Blaine would leave only a grease spot of film. Hoadly, it is also feared by the more astute Democrats, would also be a weak candidate. - Cincin nati Commercial Gazette.

- Our readers will notice that our mast-head flag of Arthur and Lincoln has been pulled down. We are sorry for this; but as it was compelled by the force of circumstances no one need giegle at our mistake. Chester A. Arthur was our first choice for President. The Hon. Phos. F.
