CLEVELAND & HENDRICKS.

Reception of the Nominations in the West-One Hundred Guns Fired at Nashville-Hendrick's Arrival at Indianapolis.

By Telegraph to the Morning Star.] NASHVILLE, July 12.—The nomination of Cleveland and Hendricks was received with satisfaction among the Democrats though disappointing to many whose preferences were Thurman, Randall or Mc Donald. One hundred guns were fired. ST. LOUIS, July 12.—The nomination of Cleveland created little if any enthusiasm here, but numerous interviews disclose the fact that the ticket is readily accepted by the Democrats, who regard it favorably, and generally believe it will be successful; while Republicans rejoice and generally

believe it can be easily beaten. TOPEKA, KANSAS, July 12 .- The nominations of Cleveland and Hendricks were received here without demonstration.

Indianapolis, July 12.—Ex-Senator Hendricks arrived early this morning and was received with a salute. He remained at his residence during the morning, where he was the recipient of many congratulations from friends and neighbors. A large number of congratulatory telegrams were also received. Hendricks declines to answer, positively, whether he will accep or decline the nomination, saying it would not be proper for him to discuss the matter until he is formally notified. It is the gen eral impression here that he will accept. A ratification meeting will be held this evening, at which Hendricks is expected to

CHICAGO.

The Late Convention-Departure of the Delegates-Great Confidence in the Strength of the Ticket-The Rage for White Hats Adorned with Democratic Roosters. [By Telegraph to the Morning Star.]

CHICAGO, July 12.—There were very few remaining evidences this morning of the Democratic Convention. Delegates very generally have taken their departure, club and headquarters banners have been furled and the hotel corridors have resumed their wonted appearance. to be seen more than the usual number of white hats, a number of which are surmounted with a small feathered rooster, the wearing of which has come to be a sort of rage among the Democracy. Members of the National Committee and the leaders of the party who are still in the city express confidence as to the strength of the ticket. Delegates, generally, express great satisfaction at the treatment received at the hands of local committees, in providing for their comfort. Now that the great Convention has come and gone it is due to its officers and committees of arrangement, that the press should acknowledge its obligations. The remodelling of the hall made it an admirable audience room and the facilities granted for making, printing and telegraphing extensive reports, were ample. Special thanks are due to Judge Wm. C. Gaudy, in the preliminary arrangement of details and to Hon. Austin H. Brown, and Col. Richard J. Bright, the efficient Sergeant at-Arms, for the intelligent aid rendered; and their just appreciation of the requirements of the press.

FOREIGN.

The Cholera-Increased Panie at Mar. seilles-Sporadic Cases at Paris. (By Cable to the Morning Star.)

MARSEILLES, July 12 .- There were thirty deaths from cholera last evening, and eight between 9 o'clock and noon to-day. The panic is extreme. The railway stations were crowded at an early hour this morning with fugitives who fought for tickets, which the agent could not issue fast enough to satisfy the crowd.

Toulon, July 12.—The number of deaths in this city from cholera last evening was seventeen. A man who was about to be carried to the cholera hospital jumped from a third story window to the pavement and was badly injured.

Paris, July 12.—Newspapers declare that the cases of cholera reported here yesterday are sporadic.

MINNESOTA.

Failure of a St. Paul Firm. (By Telegraph to the Morning Star.)

ST. PAUL, Minn. July 12.-James M. Smith & Co., wholesale dealers in canned goods, failed yesterday. Mr. Ormsby, of the firm of J. K. Ormsby & Co., Chicago, made his appearance this morning in post time, and afterwards a new sign was hung out, stating that Ormsby & Co. were successors to the old firm. It seems that Smith transferred all his stock to Ormsby in consideration of an account owed the Chicago firm. Other creditors objected to this, so the place is now in the hands of the sheriff. The indebtedness is thought to amount to \$4,000, while the asserts are unknown.

LOUISIANA.

A Feud in New Iberia Parish-A Fight Threatened for the Possession of the Court House.

(By Telegraph to the Morning Star.) NEW ORLEANS, July 12 .- A special dispatch to the Times-Democrat, from New Iberia, says the Gates and Fontilieu trouble is again boiling up. Last night a party of fifty Gates men organized and took possession of the court house while the Fontilieu men were in a saloon near by. Both sides dispatched couriers to different parts of the parish to gather up men. The Fontilieu men declare they will take the court house to day or to-night. The Gates men are well prepared to resist an attack.

Plouring Mills and Other Buildings Burned at West Winchester-Loss \$200,000.

[By Telegraph to the Morning Star.] WEST WINCHESTER, July 12.—Beach's flour mills, Chambers' carriage works, Jas. Alexander's grocery, and several dwellings were burned to-day. The fire originated in the engine room of the mill, and was caused by the explosion of a barrel of coal oil. The mills were splendidly equipped with the most improved machinery. Some fifty hands will be thrown out of employ-ment. The loss is estimated at \$200,000. No insurance.

The weekly statement of the Associated Banks shows the following changes:
Loans decrease \$2,791,800; specie increase
\$7,760,800; legal tenders decrease \$2,101,400; deposits increase \$2,942,000; circulation increase \$3,500; reserve increase
