THE GREELY PARTY.

Disposition of Remains of Deceased Members-Kindness and Attention Shown the Survivors at St. Johns.

[By Telegraph to the Morning Star.] St. Johns, N. F., July 19-The following is the present disposition of the bodies of the victims of the Greely expedition on the respective steamships. In alcohol tanks on the Thetis are Lieut. Lockwood, Sergt. Cross, Sergt. David Lyon, Sergt. H. Gardener, Private Snyder, and Sergt. Israel. The tanks of the Bear hold the remains of Lieut. Kislingbury, Dr. Pavy, Sergt. Jewell, Private Ellis, Sergt. Rallston, Corporal Joseph Ellison and Private Whistler. Frederick Christian, Jans Edwards, the Esquimaux, and Private Henry Bender have their graves amid Arctic snows. Caskets for the deceased will be prepared by Thursday. The ships will sail on Thursday

night or Friday morning. Lieut. Greely and his men are progress ing favorably; Greely less so, perhaps, than the others. Yesterday he exhibited symptoms of great fatigue and weakness. He is talking too much and constant interviewing operates most unfavorably on him. He was taken for a drive yesterday up the valley to Waterford bridge, and he gloated on the beautiful fertile summer prospect, in marked contrast to the bleak sterilities of his so recent cabin home. "These trees," he said with exuberant enthusiasm, "look so beautiful to an eve that has seen no vegetation for over three years. The green fields give me new life." Lt. Greely is at present the guest of the city, private houses and carriages are placed at his disposal and every kindness and attention is paid him. Each member of the party forms the centre of listening and admiring groups and goes over and over the recital of the terrible past. There will be memorial services for the dead in all the churches to-morrow and commemorative sermons will be preached.

MONTANA.

A Mining Town Destroyed by Fire-Horse Thieves Hanged and Shot. [By Telegraph to the Morning Star.]

HELENA, July 19 .- Fire started in an unused house at Belknap, the entreport to the famous Coeur D'Alene mines, last night from some unknown origin. The flames there is no fire department in the town buckets were used, and the citizens fought the flames gallantly; but everything was against them. The wind carried the flames from house to house and the inmates were driven into the streets without a chance of saving any furniture. Many who had foreseen that the fire was likely to spread and moved their goods into the streets, were compelled to watch them burn later on as the fire progressed. Only five houses and the depot building remain of what two months ago was a town of 2,000 The loss is estimated at over \$100,000. Large numbers of people are almost destitute and escaped with nothing but their clothing. Financial assistance will be solicited.

Five horse thieves (names unknown) were hanged near Rocky Point, on the Missouri river, Monday, by a band of cowboys, for the purpose of clearing out thieves infest-ing that section. ANOTHER LIFE SAVED .- J. C. Gray, of Dade ANOTHER LIFE SAVED.—J. C. Gray, of Dadeville, Ala.. writes us: "I have been using your DR. WM. HALL'S BALSAM FOR THE LUNGS and I can say, of a truth, it is far superior to any lung preparation in the world. My mother was confined to her bed four weeks with a cough, and had every attention by a good physician, but he failed to effect a cure; and when I got one bettle of your DR. WM. HALL'S BALSAM FOR THE LUNGS, she began to mand right away. I can say in truth IT was THE MEANS OF SAVING HER LIFE. I know of five cases that DR, WM. HALL'S BALSAM, has cured, and my mother is better than she has been for twenty years."

Raleigh Register.

Early in February—as soon as the printers re-ceive the necessary material—the publication of

RALEIGH REGISTER, a North Carolina Democratic newspaper, will be commenced.

The Register will be printed weekly until the great political campaign of 1884 begins. It will then be issued twice a week, or as often as may be useful or necessary to the Democratic party in North Carolina. It will be printed from new and beautiful type, on good white paper, and though it may not be large enough to hold all at once all the good things that glowing prospectuses sometimes promise, yet the application of a thorough knowledge of how to use them will put into its thirty-two broad columns all the news, much good reading, and a complete history of what is done in North Carolina. Mr. Hale will be editor of the Register.
