WORDS FAIL. "Words fail to express my gratitude," says Mr. SELBY CARTER, of Nashville, Tenn., "for the benefits derived from

Ayer's Sarsaparilla.

Having been afflicted all my life with Scrofula, my system seemed saturated with it. It came out in Blotches, Ulcers, and Mattery Sores, all over my body." Mr. Carter states that he was entirely cured by the use of AYER'S SARSAPARILLA, and since discontinuing its use, eight months ago, he has had no return of the scrofulous symptoms.

All baneful infections of the blood are promptly removed by this unequalled alterative.

A PORTRAIT.

EDITH LAPHAM.

Madame, at sound of Gabriel's trump,
Would give no vulgar start nor jump,
But slowly rise with tranquil grace,
Lay all her pinion plumes in place,
Make them secure with safety-pins,
Account to Heaven for her sins,
And take the Paradise road,
A charming angel *a la mode*.
—*The Centnry "Bric-a-Brac."*

TWINKLINGS.

— The LL. D. degree may strike Slugger Sullivan some day and knock him out.—*New York Morning Journal.*

— Another woman whom George Washington kissed has just died. That kiss is getting to be about as fatal as the cholera.—*Burlington Free Press.*

—The newest things in fashionable weddings is "no bridesmaids." This is cruel to the rosebud garden of girls and crushing to the milliner's interest.—*Boston Traveller.*

As insect toil at last the island rears,
Or mushroon pillars lift the wayside stone,
So he succeeds who truly perseveres,
With powers converged to noble ends alone.

With constancy, through fair and foul the same,
In growing strength our recompense we find;
But hesitation, want of earnest aim,
Far more than labor wearies heart and mind.

— "Where, oh, where, is the gallant Col. Watterson's star-eyed goddess of reform at present?"—*New York Sun.* Modest and smiling, she is sitting, like the virtuous and industrious maid she is, upon the national democratic platform, knitting a pair of gloves for Grover Cleveland to wear when he takes the handle of the mop with which he is to scour the Augean stables.—*Louisville Courier Journal.*

POLITICAL POINTS.

— The New York *Times* considers Mr. Blaine's letter of acceptance "a document which marks a visible drop in his chances of election."

— Mr. Evarts ridicules the arrangement of the names on the Democratic ticket. Nobody will ever ridicule the name of Mr. Evarts on a Presidential ticket.—*Norfolk Virginian.*

— How like is Brother Blaine to the subtle and elusive cuttle fish, that with a cloud of ink would fain evade its enemies and conceal its vulnerable parts! Brother Blaine is the great political Squid. —*New York Sun.*

— Even the opponents of the present revenue system do not pretend that in the whole history of civilization any parallel can be found to the material progress of the United States, since the accession of the Republican party to power.—*Blaine's Letter.* "See how it turns," says the fly on the wheel.—*Baltimore Day, Dem.*

PERSONAL.

— "Petroleum V. Nasby" has sworn off for good. He says he has not taken a drop for eleven months, and wouldn't drink again for as many thousand dollar notes as you could pack into hades with a hay-press.—*Rochester Herald.*

— Miss Mary Randolph, eldest daughter of the late Thomas Jefferson Randolph, and a great-granddaughter of Thomas Jefferson, died at Edge Hill, the family residence, in Albemarle county, Va, June 23d. She was buried at Monticello.

— Lulu Hurst has gone to Boston to demonstrate the power of muscle over mind, and her place at Wallack's is to be filled this week by another Georgia Wonder, who, in addition to all of Lulu's tricks, twists hickory sticks to pieces in her hands. At this rate wonders will soon be a drug in the market.

COTTON.

N. Y. Commercial and Financial Chronicle.

NEW YORK, July 18.—The movement of the crop, as indicated by our telegrams from the South to-night, is given below. For the week ending this evening (July 18) the total receipts have reached 3,810 bales, against 7,578 bales last week, 4,655 bales the previous week and 5,642 bales three weeks since; making the total receipts since September 1st, 1883, 4,798,684 bales, against 5,925,194 bales for the same period of '82-'83, showing a decrease since Sept. 1, 1883, of 1,126,510 bales.

The exports for the week ending this evening reach a total of 22,919 bales, of which 21,022 were to Great Britain, 4 to France and 1,893 to the rest of the Continent, while the stocks as made up this evening are now 253,622 bales.

Yesterday the failure of Liverpool to respond to the course of this market caused a dull business, and better weather reports from the South caused a selling movement under which prices fell off 5@7 points, the close being barely steady. To-day some further decline in the morning was fully recovered at the close. The only important changes from last Friday are an advance of 12 points for July and 5 points for August. Cotton on the spot has been fairly active for export, but otherwise rather quiet. To-day the market was quite firm, middling uplands closing at 11c. The total sales for forward delivery for the week are 304,600 beles.

And they will tell you unhesitatingly "*Some form of Hops ! ! !*"

CHAPTER I.

Ask any or all of the most eminent physicians:

"What is the best and only remedy that can be relied on to cure all diseases of the kidneys and urinary organs; such as Bright's disease, diabetes, retention, or inability to retain urine, and all the diseases and ailments peculiar to Women"—

"And they will tell you explicitly and emphatically "*Buchu ! ! !*"

Ask the same physicians

"What is the most reliable and surest cure for all liver diseases or dyspepsia; constipation, indigestion, biliousness, malaria, fever, ague, &c.," and they will tell you:

Mandrake ! or Dandelion ! ! !"

NOTICES OF THE PRESS:

The STAR is decidedly one of the best papers in the State, as bright and newsy as ever. Long life to it.—*Salem Press.*

The Wilmington STAR has entered on its twelfth year—as good a paper as any people should want. —*Charlotte Democrat.*

The Wilmington STAR has entered on its twelfth year. As a daily journal of news it stands "up head."—*Concord Register.*

The Wilmington STAR has entered its twenty-fifth volume. There is no better paper published in the State.—*Lenoir Topic.*

The Wilmington STAR has entered upon its thirteenth year. It is one of the best papers in the State.—*Warrenton Gazette.*

The Wilmington STAR has entered its thirteenth year. It has become one of the leading papers of the South.—*Oxford Torchlight.*

The Wilmington STAR is not only one of the best edited papers in the State, but for freshness of news and typograpical appearance cannot be beaten.—*Jackson Reporter.*

The Wilmington STAR is one of the very best papers in the South, in every department from typography up to editorial ability and independence. *Petersburg (Va.) Index-Appeal.*

The Wilmington (N. C.) MORNING STAR is a model newspaper. Indeed, we think we do not exaggerate its merits when we say it is the *newsiest* (secular) paper published in the South.—*Richmond (Va.) Religious Herald.*

The Wilmington STAR has now entered upon its thirteenth year and twenty-fifth volume. One of the best conducted and edited papers in the South and, as a North Carolinian, we are proud of it.—*Tarboro Southerner.*

We like the STAR because it is thoroughly reliable, candid, fearless, and so well and ably edited, newsy, spicy, and in fact a perfect newspaper. Long may the STAR twinkle.—*Mt. Airy Visitor.*

Although at the head of the press in this State in all that makes a paper valuable to the reader, still it continues to improve. It is a STAR of the first magaitude. May its lustre never wane.—*The Free Will Baptist.*

The STAR is so well and favorably known in this section of the State, that we can say nothing of which its thousands of readers do not already know. It is in every respect one of the best dailies in the South.—*Robesonian.*

That magnificent beaming STAR has completed its twenty-second volume. It is one of the most brilliant, erudite and sparkling dailies south of the Potomac. The system in the get up of the paper surpasses them all.—*Tarboro Southerner.*

The Wilmington STAR has entered on its twelfth year. It is a most excellent newspaper, well edited, a compendium of all the news of the day, and an honor to its city, to North Carolina and to North Carolina journalism.—*Charlotte Observer.*

The Wilmington STAR is now taking the regular midnight Associated Press reports, and has besides increased the amount of its reading matter. The STAR is an excellent paper. Its prosperity is not surprising since it is so deserving.—*Charlotte Observer.*

The *Times* cannot say a word too good for the Wilmington STAR. It has just reached one of its many birthdays. As a newspaper it is a favorite with the State press and is sought after by the people. Long and prosperous life to it.—*Reidsville Times.*

The Wilmington STAR, we are pleased to notice, still continues on the high road to success. We esteem the STAR very highly, regarding it as one of the very best of our exchanges, and consider it the peer of any journal published in the South.—*Oxford Free Lance.*

Why is it that all the papers with the name of *Star* are such bright little journals? The Wilmington (N. C.) STAR, the Washington *Star*, the Fredericksburg *Star*, New York *Star*, for example. There must be something in a name after all.—*Richmond (Va.) State.*

The Wilmington STAR has entered upon its 12th volume, and we are pleased to notice still continues on the road to success. We esteem the STAR very highly, regarding it as one of the very best newspapers that comes to this office. Its news columns are always a little fuller than those of any other of our exchanges, and its editorial department is conducted with much ability.—*Morganton Blade.*

Humble in its beginnings, as was inseparable from an enterprise begun amid the wreck of fortune that attended the collapse of the Southern Confederacy, the STAR has steadily "waxed" until it now beams resplendent in the full glow of a constantly brightening prosperity. As a *newspaper* it has few equals, and no superior, for appropriate selection and judicious arrangement, and we are proud to rank it among our most acceptable exchanges.—*Hillsboro Recorder.*

The Wilmington MORNING STAR has entered upon the thirteenth year of its existence, and we take this opportunity to congratulate it upon its prosperity and deserved popularity. The remarkable success of the STAR is due to its strict attention to business. The boast of the STAR (rightfully too) is that it always has the news, and this is the first thing in journalism. Otherwise the paper is all that the term of "good newspaper" implies, and its corps of editors and reporters are thoroughly educated newspaper men. May the healthy, moral influence of the STAR never be retarded, and may its genial enterprising proprietor enjoy many more happy years of usefulness. —*Goldsboro Messenger.*

A SINGLE FACT !

IS WORTH A SHIP-LOAD OF ARGUMENT.

CARTERSVILLE, GA.

This will certify that two members of my immediate family, after having suffered for many years from menstrual irregularity, and having been treated without benefit by various medical doctors, were at length completely cured by one bottle of Dr. J. Bradfield's Female Regulator. Its effect on such cases is truly wonderful, and well may the remedy be called "Woman's Best Friend." Yours respectfully,

JAMES W. STRANGE.

ENTIRE AND ABSOLUTE SUCCESS.

Maj. John C. Whitner, of Atlanta, well and favorably known all over the United States as a General Insurance Agent, says: "I used this remedy before the war on a large plantation in a great number of cases, *always with absolute success.*"

Dr. J. Davis, of Milltown, Ala., writes: "Have used Bradfield's Regulator extensively in my practice with entire success. If it is not a specific, it is, in my opinion, the best known remedy for the diseases for which it is recommended."

A lady of Bonham, Texas, writes: "I have been using your Female Regulator for several weeks and with great benefit. My case is of long standing, and has baffled many physicians. I have tried every medicine I could hear of, but the Regulator is the only one that has ever relieved my distressing sufferings."

NOTASULGA, ALA.

Dr. J. Bradfield's Female Regulator has been thoroughly tested by me in a great variety of cases, and I am fully convinced that it is unrivaled for that class diseases which it claims to cure.

THE ITALIANS

Have a Proverb that: "*Some men are so good as to be good for nothing.*" It is not claimed, as is the case with many so-called remedies, that *SWIFT'S SPECIFIC* is a CURE-ALL, or can remove all the ills to which flesh is heir; but as a TONIC AND HEALTH RENEWER, and for *BLOOD & SKIN DISEASES*, and for troubles dependent on IMPURE and IMPOVERISHED BLOOD, it is without a rival.

The Mightiness of Truth !

LET THE FACTS SPEAK IN STENTORIAN TONES.

"Fat as a Pig."

"My baby six months old broke out with some kind of skin humor, and, after being treated five months by my family physician, was given up to die. The druggist recommended Swift's Specific, and the result was as gratifying as it was miraculous. My child soon got well, all traces of the disease are gone, and he is as fat as a pig."

J. J. KIRKLAND,
Minden, Rusk County, Texas.

Blood Poison Eliminated.

"I used Swift's Specific on my little daughter, who was afflicted with some Blood Poison which had resisted all sorts of treatment. The Specific relieved her permanently, and I shall use it in my practice."

W. E. BRONTE, M. D.,
Cypress Ridge, Ark.

An Editor's Experience !

LAID ASIDE FROM JOURNALISTIC WORK.

After trying numerous remedies for Rheumatism, but without permanent relief, I was advised to use S. S. S., which had given permanent relief to others suffering from rheumatism. After taking half a dozen bottles I found that the disease was entirely driven out of my system, and a permanent cure secured. This was over a year ago, and since then, even during our most severe weather, with sudden changes, I have never suffered a return of the old attacks which disabled me from editorial work.

It is very seldom, indeed, that I recommend anything to the public in this manner, but I feel it due to your valuable preparation, that has given me such long desired and much needed relief, to state these facts thus publicly. I am sure that but for your Specific I should have been laid aside from journalistic work, as the severest attack was in my right arm and hand.
