"One year ago I was induced to try AYER'S Pills as a remedy for Indigestion, Con-stipation, and Headache, from which I had long been a great sufferer. Commencing with a dose of five Pills, I found their action easy, and obtained prompt relief. In continuing their use, a single Pill taken after dinner, daily, has been all the medi-cine I have required. AYER'S PILLS have kept my system regular and my head clear, and benefited me more than all the medicines ever before tried. Every person similarly afflicted should know their value. 12º State St., Chicago, June 6, 1882. M. V. WATSON."

THE ARGUS. Portland (Me.) Argus.

Mr. Blaine has gone into the libel suit business, it seems, to the tune of \$50,000. What the occasion of it is we have not learned, but we suppose a repetition of the old Kentucky incident. If that be so, why did he not attack the Chicago Times, that had Tar..... 167 bbls two columns, supported by affidavits? Crude Turpentine..... 284 bbls This is a very old trick with Mr. Blaine. He tried it on us more than twenty-five years age, to the tune of \$20,000, if we remember correctly. We paid only for the writ in the civil. suit. A year and a half after, he had us indicted in another county and we promptly demanded trial, but we did not succeed in getting it, and at the next term of court a nol pros. was entered without our knowledge at the opening of the term and official notice given us thereof. The whole thing was mere bluff. Western editors will not be greatly disturbed by attempts in the same line now. If Mr. Blaine proposes to be a witness, as seems to be intimated, there will be great interest to hear Mr. Blaine's version of the affair. As matter of fact, however, he will do nothing of the sort. After the election he will get out of court the easiest way he

- Senator Thurman will soon leave Ohio for California, and it is expected that his reception by the Democrats of that State will excel anything of the kind in the history of California politics. There will be fully 10,000 men in line on the night of his arrival in San Francisco.

- Hon, James G. Blaine's attention should be called to the Warren Tribune, a Republican newspaper printed at War-ren, Trumbull county, Ohio, which edi-torially says a worse thing of him than did the Indianapolis Sentinel. The Tribune is Republican, and therefore Blaine will not sue.—Boston Post.

- The Presidential campaign has not yet been formally opened, but there is already a manifest disturbance about Ohio. It is very comforting to see the Republican managers in a state of perspiration about a State which has invariably given its electoral vote to the Republican candidate for the Presidency.—Cincinnati Enquirer.

- Hot as the weather is the Democrats of Florida are waging a great fight against the Republicans and their fusion allies. The People's Journal, the colored men's organ at Jacksonville, has bolted the Republican ticket, and so has George Alden, ex-Senator and Secretary of State, and one of the foremost Republicans in the State

- Of Mr. Conkling's letter declining to be made an honorary member of the Albany Plumed Knights' Association, the Journal (Rep.) of that city says: "It disposes of the rumor that he may be a candidate for the United States Senate in 1885. If he takes no part in the canvass of course Mr. Conkling will not entertain the idea of participating in the fruits of victory."

 One million copies of the speech made by Congressman Collins at Albany and one million cepies of Gov. Cleveland's public documents, including all his vetoes and reasons for vetoing or approving public measures, have been sent out by the Democratic State committee. The committee has placed itself in direct communication with every school and election district in the State.—Buffalo (N. Y.) Courier, Dem.

Readers of Hawthorne's "House of Seven Gables" will recall the pathos with which poor Clif-ford Pyncheon, who has been unjustly imprisoned since his early manhood, said, after his release: "My life is gone, and where is my happiness? Oh l give me my happiness." But that could be done only in part, as gleams of warm sunshine occasionally fall across the gloom of a

New England autumn day. In a letter to Messrs, Hiscox & Co., Mr. L. H. Titus, of Pennington, N. J., says: 'I have suffered un'old misery from childhood from chronic disease of the bowels and diarrhos, accompanied by great pain. I sought relief at the hands of physicians of every school and used every patent and domestic remedy under the sun. I have at last found in PARKER'S TONIC a complete specific, preventive and cure. As your invaluable medicine, which did for me what nothing else could do, is entitled to the credit of my getting back my happy days, I cheerfully and

gratefully acknowledge the fact." Dr. E. S. Wells, who needs no introduction to the people of Jersey City, adds: "The testimonial of Mr. Titus is genuine and voluntary; only he does not adequately portray the suffering he has endured for many years. FRIEND A Precious Boon to Woman

WORDS OF PRAISE. I most earnestly entreat every female expecting to be confined to use Mother's Relief. Coupled with this entreaty I will add that during a ong obstetrical practice (forty-four years) I have never known it to fail to produce a quick and

safe delivery.

H. J. HOLMES, M. D.

A lady from one of the counties of Middle safe delivery. Georgia, who has been acting midwife for many years, writes: "I have disposed of all the Mother's Friend you sent me, and I am delighted with it. In every instance where it has been used its effects have been all that I could ask. consider it a great blessing."

A gentleman writes; "My wife used your Mether's Friend at her fourth confinement, and her testimony is that she passed through it with one half the suffering of either of her former confine ments, and recovered from its effects in much less time. She also recommended it to alady friend who was about to be confined for the firs time, and she says: 'I have never seen any one pass through this great trial with so much ease and so little suffering.'".

A QUICK AND EASY TIME. A distinguished physician of Mississippi writes:
Every one expecting to be confined should use
the Mother's Friend, for during a long obstetric
practice I have never known it to fail to produce
a quick and safe delivery.

"I have cured Blood Taint by the use of Swift's Specific after I had most signally failed with the Mercury and Potash treatment."

F. A. TOOMER, M. D., Perry, Ga. "Swift's Specific has cured me of Scrofula of 12 years standing. Had sores as large as my hand, and every one thought I was doomed. Swift's Specific cured me after physicians and all other medicine had failed."

ARCHIE THOMAS, Springfield, Tenn.

Statement of T. L. Massenburg, Macon, Ga. I have known much of the use of Swift's Specific, and have seen many of the worst cases of Blood Taint and Blood Poison cured with it, after having tried all other sorts of treatment; in fact, I have never known it to fail when taken properly. I can cite the case of a young man who had been treated by the best physicians for Blood Poison, but all to no purpose; and as the time for his marriage was approaching, he was nearly distracted. He finally took Swift's Specific, and was cured as sound as a new dollar.

Another who tried everything, and spent four months at the Hot Springs without benefit, was at last cured by this remedy. His case was like raising one from the dead. I could go on and tell you of a hundred cases,
