Postponement of the Proposed Strike of Ohio Coal Miners-Arrests of Strikers in the Pennsylvania Coal Regions - Non-Union Workmen At-tacked by Striking Brickleyers in an Illinois Town.

[By Telegraph to the Morning Star.] COLUMBUS, O., Aug. 26.—The executive board of the Ohio Miners' Amalgamated Association last night issued an order requesting the Ohio miners to work at the present rates, instead of demanding the usual advance on the 1st of September, un-til after the State convention of miners, which President McBride is requested to call by September 11th. The convention is to consider whether it is advisable to make the usual demand for the fall ad-

Reports from Butchel and other mining tewns to-day are that all is quiet, with no indications of trouble coming.

PITTSBURG, PA., Aug. 26.—The Coal Centre (paper) says that thirty-four more camping coal miners were arrested this morning, by special officers McClure and McBurnie, for trespassing on the railroad company's property. They were lodged in Odd Fellows' Hall, and taken to jall in wagons this afternoon. The wives of fifteen or twenty prisoners came to Califor-nia with babes in their arms this morning and begged to be sent to jail with their husbands, as they had nothing to live upon but a little corn meal. Their request was not granted. The citizens are indignant at the whoiesale arrests which are made without warrants. It is probable a public meet-ing to denounce the action of the officers will be held. Forty new recruits are expected to arrive in camp this evening.

A report from the Stubs mines, in the Third Pool, indicates a serious break in the strike. One hundred and fifty men are said to have gone to work this morning, and others are weakening and are expected to go in before the close of the week,

CHICAGO, ILL.. August 26.—This morning the police were called upon to quell trouble between striking and working brickmakers in the town of Lake, north of this city. The strikers attacked nonunion men employed on one of the yards, but were driven away. The former then visited the yard operated by a man named Blendall, where they were again driven off. They then attacked the residence of Mr. Blendall with stones and seriously wounded Mrs. Blendall. Upon arrival of the police they dispersed.

COLUMBUS, O., August 26.—A special from Bucktel, Ohio, says that miners are coming in from the surrounding country and that a most bitter feeling exists between the strikers and the guards on duty. When the new men were going to the mines to-day the strikers obstructed the road, but were finally driven off by Pinkerton's men. One aged striker was knocked down by one of the guards and had an arm broken. The guard was arrested and bound over in \$500. Threats are made and more trouble is anticipated.

Return of Bonds to the State of Louisiana Captured by Sheridan in 1865. (By Telegraph to the Morning Star.)

WASHINGTON, August 26.—A few days ago the Treasurer of the United States forwarded to the Governor of the State of Louisiana a package of \$21,000 of free school bonds of the State, which had been captured at Baton Rouge in 1865 by Lieut, Gen.
