There are some people who seem to be like yard-engines that never go anywhere, but keep puffing, and blowing, and hissing, and running up and down side tracks, doing nothing to be a seem to be like yard-engine and lower side. nothing, going nowhere. -How often a bitter speech, which has caused keen pain to the hearer, has been followed by such words as these, as if in justification of the unkindnesss shown: "I'm a plain, blunt person, and I have to speak out just what I think. People must take me as the Lord made Anything meaner than such an attempt to throw the responsibility for one's ugliness of temper off upon the Lord it would be hard to imagine. Frankness of speech is one thing, but harshness is a very different thing. The Lord never endowed any man with such a disposition or put him in such circumstances that he was obliged to make stinging cruel remarks. Some men have more difficulty than others in being sweet-tempered and kindly spoken, but when one fails it is his own fault. The very attempt to justify harshness in such words as we flave quoted is evidence of an uncomfortable consciousness of guilt, and proves that the speaker does not believe what he says. Let the repulsiveness of such utterances when we hear them teach us how they seem to others when we make

NOTICES OF THE PRESS: The STAR is decidedly one of the best papers in the State, as bright and newsy as ever. Long life to it.—Salem Press. The Wilmington Stan has entered en its twelfth year—as good a paper as any people should want.

— Charlotte Democrat.

The Wilmington Star has entered on its twelfth year. As a daily journal of news it stands "up head."—Concord Register. The Wilmington Star has entered its twenty-fifth volume. There is no better paper published in the State.—Lenoir Topic.

The Wilmington Star has entered upon its thirteenth year. It is one of the best papers in the State.—Warrenton Gazette. The Wilmington STAR has entered its thirteenth year. It has become one of the leading papers of the South.—Oxford Torchlight. The Wilmington STAR is not only one of the best edited papers in the State, but for freshness of news and typograpical appearance cannot be beaten.—Jackson Reporter.

The Wilmington Star is one of the very best papers in the South, in every department from ty pography up to editorial ability and independence. Psiersburg (Va.) Index-Appeal.

The Wilmington (N. C.) Morning Star is a mode of newspaper. Indeed, we think we do not exaggerate its merits when we say it is the newsiest (secular) paper published in the South.—Richmond (Va.) Religious Herald. The Wilmington Star has now entered upon its thirteenth year and twenty-fifth volume. One of the best conducted and edited papers in the South

and, as a North Carolinian, we are proud of it.-We like the Star because it is thoroughly re-liable, candid, fearless, and so well and ably edited, newsy, sploy, and in fact a perfect news-paper. Long may the Star twinkle.—Mi. Airy Visitor.

Although at the head of the press in this State in all that makes a paper valuable to the reader, still it continues to improve. It is a STAR of the first magaitude. May its lustre never wane.—

The Free Will Baptist.

The STAR is so well and favorably known in this section of the State, that we can say nothing of which its thousands of readers do not already know. It is in every respect one of the best dai lies in the South.—Robesonian.

That magnificent beaming STAR has completed its twenty-second volume. It is one of the most brilliant, erudite and sparkling dailies south of the Potomac. The system in the get up of the paper surpasses them all.—Tarboro Southerner. The Wilmington Stars has entered on its twelfth year. It is a most excellent newspaper, well edited, a compendium of all the news of the day, and an honor to its city, to North Carolina and to North Carolina journalism.—Charlotte Observer.

The Wilmington Stars is now taking the regular midnight Associated Press reports, and has besides increased the amount of its reading matter. The Star is an excellent paper. Its prosperity is not surprising since it is so deserving.—Charlot's Observer. The Times cannot say a word too good for the Wilmington Star. It has just reached one of its many birthdays. As a newspaper it is a favorite with the State press and is sought after by the people. Long and prosperous life to it.—Peidsville Times.

The Wilmington STAR, we are pleased to notice, still continues on the high road to success. We esteem the STAR very highly, regarding it as one of the very best of our exchanges, and consider it the peer of any journal published in the South.—Oxford Free Lance.

Why is it that all the papers with the name of Star are such bright little journals? The Wilmington (N. C.) Star, the Washington Star, the Fredericksburg Star, New York Star, for example. There must be something in a name after all.—Richmond (Va.) State.

The Wilmington Stars has entered uponits 12th volume, and we are pleased to notice still continues on the road to success. We esteem the Stars very highly, regarding it as one of the very best newspapers that comes to this office. Its news columns are always a little fuller than those of any other of our exchanges, and its editorial deartment is conducted with much ability.—Morecutor Blade.

Humble in its beginnings, as was inseparable from an enterprise begun amid the wreck of fortune that attended the collapse of the Southern Confederacy, the STAR has steadily "waxed" until it now beams resplendent in the full glow of a constantly brightening prosperity. As a newspaper it has few equals, and no superior, for apprapriate selection and judicious arrangement, and we are proud to rank it among our most accepta ble exchanges.—Hillsboro Recorder.

The Wilmington Morning Star has entered upon the thirteenth year of its existence, and we take this opportunity to congratulate it upon its prosperity and deserved popularity. The remarkable success of the Star is due to its strict attention to business. The boast of the Star (rightfully too) is that it always has the news, and this is the first thing in journalism. Otherwise the paper is all that the term of "good newspaper" implies, and its corps of editors and reporters are thoroughly educated newspaper men. May the healthy, moral influence of the Star never be retarded, and may its genial enterprising proprietor enjoy many more happy years of usefulness. tor enjoy many more happy years of useful —Goldsboro Messenger.

MOTHER'S

FRIEND A Precious Boon to Woman.

WORDS OF PRAISE. I most earnestly entreat every female expect ing to be confined to use Mother's Relief. Coupled with this entreaty I will add that during a ong obstetrical practice (forty-four years) I have

never known it to fall to produce a quick and H. J. HOLMES, M. D. safe delivery. A lady from one of the counties of Middle Georgia, who has been acting midwife for many years, writes: "I have disposed of all the Mother's Friend you sent me, and I am delighted with it. In every instance where it has been

used its effects have been all that I could ask.

consider it a great blessing." A gentleman writes: "My wife used your Mother's Friend at her fourth confinement, and her testimony is that she passed through it with onehalf the suffering of either of her former confineless time. She also recommended it to a lady friend who was about to be confined for the first time, and she says: 'I have never seen any one pass through this great trial with so much ease and so little suffering.'".

A QUICK AND EASY TIME. A distinguished physician of Mississippi writes: Every one expecting to be confined should use the Mother's Friend, for during a long obstetric practice I have never known it to fail to produce a quick and safe delivery.

This remedy is one about which we cannot publish certificates, but it is a most wonderful liniment to be used after the first two or three months. Send for our treatise on the Health and Happi-

ness of Women, mailed free, which gives all particulars. THE BRADFIELD REGULATOR Co., Box 28, Atlanta, Ga. Green, Wholesale Agent, Wilming ton, N. C. my 1 ly

"I have cured Blood Taint by the use of Swift's Specific after I had most signally failed with the Mercury and Potash treatment." F. A. TOOMER, M. D., Perry, Ga. "Swift's Specific has cured me of Scrofula of 12 years standing. Had sores as large as my hand, and every one thought I was doomed. Swift's Specific cured me after physicians and all other

nedicine had failed. R. L. HIGH, Lonoke, Ark. "Give like a Christian, speak in deeds;

And he shall wear a royal crown Who gives a lift when men are down." \$10,000 would not purchase from me what Swift's Specific has done for me. It cured me of rheumatism caused by malaria.

ARCHIE THOMAS, Springfield, Tenn.

Statement of T. L. Massepburg,

Macon, Ga. I have known much of the use of Swift's Specific, and have seen many of the worst cases of Blood Taint and Blood Poison cured with it, after having tried all other sorts of treatment; in fact, having tried all other sorts of treatment; in fact, I have never known it to fail when taken properly. I can cite the case of a young man who had been treated by the best physicians for Blood Poison, but all to no purpose; and as the time for his marriage was approaching, he was nearly distracted. He finally took Swift's Specific, and was cured as sound as a new dollar.

Another who tried everything, and spent four months at the Hot Springs without benefit, was at last cured by this remedy. His case was like raising one from the dead. I could go on and tell you of a hundred cases,
