HENRY SCHELL LOBINGIER. He stood up bravely to his work, And little recked that the day was long, Never was he the one to shirk His task in the midst of the grumbling throng.

The plaint was passed from lip to lip, That times were hard and wages low. He only grasped with firmer grip,

The hammer, and dealt a heavier blow

Thick was the smoke and fierce the heat, And dark as demons the men appeared From dawn to dusk, on weary feet, Their bodies with dust and grime besmeared.

Never a murmur broke from him, Snatches, instead, of an old-time song, The while his fellows, scowling and grim Sullenly grumbled the whole day long.

He thought not much on his toilsome life. Thinking of labor but makes the more, But he smiled at thoughts of the faithful And the children that played about the

#### THE CAMPAIGN.

- Daniel F. Kelleher, a Democrat heretofore, has come out for Blaine, and is advertised to preside at a Blaine meeting in Bangor, Me., his home.

- Judge Garrick M. Harding, a life long Republican of Luzerne county, Pa., has declared for Cleveland and Hend-ricks and gone to work in their behalf. - Senator Edmands has declined the invitation of the New York Republican State Committee to stump for Blaine in that State, owing, as he says, to "a press

of business - A series of wagers, \$1,000 in all, on Blaine and against Cleveland, were made in the Buffalo Commercial on Monday. The next morning the wages were covered by a leading Democrat, who cries

- Mr. James Murphy, of Blue Hill, Massachusetts, writes: "I have voted for Butler every time when he was a Democrat, but I cannot vote for him as a turncoat. Butler is a fraud. I can't go Butler.". -Boston Post.

- Senator Pendleton is pulling off his coat. He said to an interviewer on Saturday: "I am now going to work for the Democratic ticket and have made several engagements to speak. I will spare no

- James Redpath, the erratic, says he would rather cut off his right hand than vote for Blaine. So he will only give him half a vote by voting for Butler. Red-patch has hitherto been a Republican and a bloody-shirt waiver.—Boston Post.

- MILWAUKER, WIS., Aug. 31.-Great preparations are being made by the Germans of this city for the reception of Carl Schurz, who will make two addresses here. He will arrive Saturday of this week, and that evening will deliver an address in German in Schlitz Park. The Monday night following he will speak in English at the Academy of Music. The Independ-ents in this city and in the State are about to organize for an active campaign.

- MILWAUKEE, WIS., Aug. 30.-The independent movement in Wisconsin is assuming alarming proportions—alarm-ing so far as the Republicans are concerned. Ex-Congressman Thad Pound's letter has created great consternation among the Republicans of the Northwest, Yesterday the announcement was made that Col. S. B. Boynton, a life long Republican and a prominent citizen, had also bolted Blaine and the rest of the ticket. It is a noteworthy fact that the three delegates from Wisconsin to the Republican Convention of 1850 have all repudiated Blaine. Mr. Crocker is quite enthusiastic for Cleveland. The repudiation of the party candidate is assuming such proportions that the Republican managers are greatly worked up. To try to stop the tide. Gen. Logan will visit the State.—N. Y. Times.

#### POITICAL POINTS.

- His name is Pound, but for crushing effect his letter weighs a ton .-Columbus (Ohio) Times.

- The Republican campaigners should now employ some one to whittle the back of Brother Blaine's church pew. -Atlanta Constitution, Dem.

- Gov. Cleveland has too much manhood and patriotism to be the tool of a foreign and inimical nation. His letter to the Boston meeting was a proof of his Americanism. Mr. Blaine was invited to the same meeting, but did not dare or deign to send a reply.—Boston Pilot, Catholic.

— It was altogether too bad in Hannibal Hamlin to give it away. When at a mass meeting in Maine the other day he put his hand on Blaine's shoulder and said: "My friend here is on the anxious seat," he told a heap of truth that Mr. Blaine had hoped to conceal -Boston Globe, Dem.

- The Tariff idol has fallen from its pedestal and lies prone in the grass. The faith of the most superstitious Tariff votaries is impaired in times like these, when workingmen are thrown out of employ-ment by thousands, and when wages are undergoing reductions in nearly all the protected industries.—Phil. Record, Ind.

- The Irish kick, the Germans kick, the Scandinsvians kick, the colored men kick, the Prohibitionists kick, the anti-Prohibitionists kick, the American Alliance men kick, Mahone is both kicker and kickee. In short, the country is in a mood which requires the epithet kicksome to fully express its extent.—Springfield Republican, Ind. Rep.

### TWINKLINGS.

- The latest hosiery matches the and dress in color, and is striped from top to

toe. — Some remarkable photographs of a pistol bullet in its flight—under the illumination of an electric spark—have been secured by Prof. Moch, of Prague.—
Phil. Record.

— The professors of the University of Jena have decided that the moderate use of tobacco is not injurious. It is probably true that for every medical opinion adverse to the use of the weed, one, equally respectable, may be found to the contrary.—T—

The STAR is decidedly one of the best papers in the State, as bright and newsy as ever. Long life to it.—Salem Press. The Wilmington Stan has entered en its twelfth year—as good a paper as any people should want.

- Charlotte Democrat. The Wilmington Stan has entered on its twelfth year. As a daily journal of news it stands "up head."—Concord Register.

The Wilmington Star has entered its twenty-fifth volume. There is no better paper published in the State.—Lenoir Topic. The Wilmington Star has entered upon its thirteenth year. It is one of the best papers in the State.—Warrenton Gasette.

The Wilmington Star has entered its thirteenth year. It has become one of the leading papers of the South.—Oxford Torchlight. The Wilmington STAR is not only one of the best edited papers in the State, but for freshness of news and typograpical appearance cannot be beaten.—Jackson Reporter. The Wilmington Stan is one of the very best papers in the South, in every department from ty pography up to editorial ability and independence. Petersburg (Va.) Index-Appeal.

The Wilmington (N. C.) Morning Star is a mode el newspaper. Indeed, we think we do not exaggerate its merits when we say it is the newsisst (secular) paper published in the South.—Richmond (Va.) Religious Herald. The Wilmington Stan has now entered upon its thirteenth year and twenty-fifth volume. One of the best conducted and edited papers in the South

and, as a North Carolinian, we are proud of it.— We like the STAB because it is thoroughly re-liable, candid, fearless, and so well and ably edited, newsy, spicy, and in fact a perfect news-paper. Long may the STAB twinkle.—Mt. Airy

Although at the head of the press in this State in all that makes a paper valuable to the reader, still it continues to improve. It is a STAR of the first magaitude. May its lustre never wane.—

The Free Will Baptist.

The Stan is so well and favorably known in this section of the State, that we can say nothing of which its thousands of readers do not already know. It is in every respect one of the best dailies in the South.—Hobesonian. That magnificent beaming STAR has completed its twenty-second volume. It is one of the most brilliant, erudite and sparkling dailies south of the Potomac. The system in the get up of the paper surpasses them all.—Tarboro Southerner.

The Wilmington STAR has entered on its twelfth year. It is a most excellent newspaper, well edited, a compendium of all the news of the day, and an honor to its city, to North Carolina and to North Carolina journalism.—Charlotte Observer. The Wilmington STAR is now taking the regular midnight Associated Press reports, and has besides increased the amount of its reading matter. The STAR is an excellent paper. Its prosperity is not surprising since it is so deserving.—Gharlot's Observer.

The Times cannot say a word too good for the Wilmington STAR. It has just reached one of its many birthdays. As a newspaper it is a favorite with the State press and is sought after by the people. Long and prosperous life to it.—Reidsville Times.

The Wilmington Star, we are pleased to notice, still continues on the high road to success. We esteem the Star very highly, regarding it as one of the very best of our exchanges, and consider it the peer of any journal published in the South.— Oxford Free Lance. Why is it that all the papers with the name of Star are such bright little journals! The Wilmington (N. C.) Star, the Washington Star, the Fredericksburg Star, New York Star, for example. There must be something in a name after all.—

Richmond (Va.) State.

The Wilmington STAR has entered uponits 12th volume, and we are pleased to notice still continues on the road to success. We esteem the STAR very highly, regarding it as one of the very best newspapers that comes to this office. Its news columns are always a little fuller than those of any other of our exchanges, and its editorial deartment is conducted with much ability.—Merganton Rlads.

Humble in its beginnings, as was inseparable from an enterprise begun amid the wreck of fortune that attended the collapse of the Southern Confederacy, the STAR has steadily "waxed" until it now beams resplendent in the full glow of a constantly brightening prosperity. As a neweraper it has few equals, and no superior, for appriate selection and judicious arrangement, and we are proud to rank it among our most acceptable exchanges.—Hillsboro Recorder.

The Wilmington Morning Star has entered upon the thirteenth year of its existence, and we
take this opportunity to congratulate it upon its
prosperity and deserved popularity. The remarkable success of the Star is due to its strict attention to business. The boast of the Star (rightfully too) is that it always has the news, and this is
the first thing in journalism. Otherwise the paper is all that the term of "good newspaper" implies, and its corps of editors and reporters are
thoroughly educated newspaper men. May the
healthy, moral influence of the Star never be retarded, and may its genial enterprising proprietarded, and may its genial enterprising proprie-tor enjoy many more happy years of usefulness, —Goldsboro Messenger.

of Great Concern to all Mankind.

NEAR MARIETTA, GA. Some months ago I bought a bottle of Dr. J. Bradfield's Female Regulator, and used it in my family with great satisfaction. I have recommended it to three families, and they have found it to be just what is claimed for it. The females who have used it are now in perfect health and able to attend to their household duties.

REV. H. B. JOHNSON. STATE OF GEORGIA, Troup County. I have examined the recipe of Dr. Josiah Bradfield, and pronounce it to be a combination of medicines of great merit in the treatment of all diseases of females for which he recommends it. WM. P. BRASLEY, M. D.

DR. J. BRADFIELD: Dear Sir-My daughter has been suffering for many years with that dreadfu affliction known as Female Disease, which has cost me many dollars, and nothwithstanding I had the best medical attendance, could not find relief. I have used many other kinds of mediher up, was out of heart, but happened in the store of W. W. Eckler several weeks since, and he, knowing of my daughter's affliction, persua-ded me to buy a bottle of your Female Regulator. She began to improve at once. I was so delighted with its effects that I bought several more bottles of it; and, knowing what I do about it, if to-day one of my family was suffering with that awful disease, I would have it if it cost \$50 a bottle, for I can truthfully say it has cured my daughter sound and well, and myself and wife do most heartly recommend your Female Regulator to be just what it is represented to be. Respectfully, H. D. FEATHERSTON.

SENT TO THE S. S. S. CO. THE reports from the use of Swift's Specific (S. S. S.) in the treatment of Cancer continue to be wonderful. There seems to be no doubt that it is a positive specific for Skin Cancer or

A Cancer for Twenty Years. "For twenty years I suffered from a Cancer on my neck. 'Patent Potash and Mercury Mixtures' fed instead of curing the Cancer. I lost the use of my arms and the upper part of my body. My general health was broken down and my life was despaired of. S. S. S. cured me sound and well. This new lease of life it gave to me cannot be measured by any monetary value. I owe my life and the support of my family to Swift's Specific."

W. R. BOBISON, Davisboro, Ga. Hopes to be Cured.

"Mr. Brooks, near Albany, was hopelessly af-flicted with Cancer. It had eaten through his nose into his mouth and throat. The time of his death was only a question of a very short time. He prayed for death, his sufferings were so great. S. S. S has had a wonderful effect on him. His improvement is so great that we all feel sure of his being perfectly cured in time." W. H. GILBERT, Albany, Ga. Cancer for Fourteen Years. SPARTANBURG, March 14, 1884.

I have for 14 years been a sufferer from a running scre on my face that everybody called a CANCER. I have used over \$300 worth of medicine and found no relief. About 4 months ago I bought one bottle of SWIFT'S SPECIFIC from Dr. H. R. Heinitsh, and since have bought five others, have taken it, and it has cured me sound and well. My face is as free from a sore as anybody's, and my health is perfectly restored. I feel like forty years had been lifted off my head. I believe it is a cure for every blood disease.
