We esteem the STAR very highly, regarding it as one of the very best newspapers that comes to this office. Its news columns are always a little fuller than those of any other of our exchanges, and its editorial de-partment is conducted with much ability.-Mcr-ganton Flade.

Aartment is conducted, with much ability.-Arter gamon Riade: Humble in its beginnings, as was inseparable from an enterprise begun amid the vreck of for-tune that attended the collapse of the Southern Confederacy, the STAR has steadily "wared" un-til it now beams resplendent in the full glow of a constantly brightening prosperity. As a newsra-per it has few equals, and no superior, for arris-priate selection and judicious arrangement, and we are proud to rank it among our most accepta ble exchanges. -Hillsboro Recorder. The Wilmington MORNING STAR has entered up-on the thirteenth year of its existence, and we take this opportunity to congratulate it upon its prosperity and deserved popularity. The remark-able success of the STAR is due to its strict atten-tion to business. The boast of the STAR (rightful-y too) is that it always has the news, and this is the first thing in journalism. Otherwise the pa-per is all that the term of "good newspaper" im-plies, and its corps of editors and reporters are thoroaghly educated newspaper men. May the healthy, moral influence of the STAR never be re-tarded, and may its genial enterprising proprie-tor enjoy many more happy years of usefulness. -Goldsboro Messenger.
