Tyre York voted against allowing negroes to testify in courts.-Kinston Free

There is no use in the Democrats thinking that it will not require some effort to beat Mr. Dockery. The Republicans are thoroughly organized, and will turn out to a man at the polls. Carelessness on the part of the Democrats might lead to defeat. The party must work till the day of election, and on the day of election our full strength must be polled.—Concord Times.

Where Judge Settle, Judge Bynum, Col. Dockery, Judge Buxton, Judge Dick, Judge Tourgee, Gov. Holden and other eminent old line Republicans once stood, now stands such ex-Democrats as York, Price, Winston, Boyd, Johnson, Edwards, Moring and others. The great men of the Republican party of North Carolina, with few exceptions, have taken back seats, and the new and hungry converts are in their places attempting to lead the old line, fire tried and true Republicans .- Asheboro Courier.

From the Rockingham Rocket we learn that Col. O. H. Dockery, in a speech at Rockingham the other day, said "there is nothing in the Mulligan letters an honest man cannot endorse." Mark well what the Colonel says, ye houest people of our land and be certain to do one thing on the day of election; and that is vote for a man who will defeat Oliver H. Dockery for Congress. No man whether he be Democrat or Re-publican, should be selected to fill a public trust either high or low whose morals justify such an expression. Read the Mulligan letters carefully, and then read what Dockery says, and make up a verdict accordingly. Did you ever hear of "addition, division and silence?"—Fayetteville Sun.

N. Y. Commercial and Financial Chronicle NEW YORK, Oct. 17 .- The movement of the crop, as indicated by our telegrams from the South to-night, is given below. For the week ending this evening (Oct. 17) the total receipts have reached 242,289 bales, against 205,313 bales last week, 168,-721 bales the previous week and 118,863 bales three weeks since; making the total receipts since the 1st of Sept., 1884, 873,248 bales, against 971,141 bales for the same period of 1883, showing a decrease since Sept. , 1884, of 97,893 bales.

The exports for the week ending this evening reach a total of 117,515 bales, of which 67,952 were to Great Britain,1,250 to France and 48,313 to the rest of the Continent, while the stocks as made up this evening are now 453,141 bales.

Yesterday the stoppage of mills at Fall River, together with a sharp decline at Liverpool, caused a further reduction in values to the lowest figures which have thus far been reached this season; but the close was steadier. To-day with frost accounts from the Carolinas and a recovery in the Liverpool market, the opening was quite buoyant, but an unsettled feeling followed, the highest figures of the day were not sustained, and as compared with last Friday the close was at a decline of 19@21 points. Cotton on the spot has been without business, except in a limited way for home consumption. Quotations were on Wednesday reduced 1-16c. To-day the market was quiet and unchanged on the basis of 9 15-16c for middling uplands. The total sales for forward delivery for the week are 503,400 bales.

"Nothing Rise did any Good." Of course. Because rheumatism is a dreadfully tough disease, and hardly anything on earth will reach it except Brown's Iron Bitters. After enduring the twinges of rheumatism for years, and at last ex-periencing happy deliverance, Mr. John H. Pratt, of Saybrook, Conn., says, "I derived much benefit by using Brown's Iron Bitters for rheumatism. Nothing else did any good." If you have rheumatism take the hint. The Wilmington STAR has entered on its twelfth year. As a daily journal of news it stands "up head."—Concord Register. The Wilmington STAR has entered its twenty-fifth volume. The Wilmington STAR is one of the very best pa pers in the South, in every department from ty po graphy up to editorial ability and independence, Petersburg (Va.) Index-Appeal,

The Wilmington (N. C.) Morning Star is a mod-el newspaper. Indeed, we think we do not exag-gerate its merits when we say it is the newsiest (secular) paper published in the South.—Richmond (Va.) Religious Herald. The Wilmington STAR has now entered upon its thirteenth year and twenty-fifth volume. One of the best conducted and edited papers in the South and, as a North Carolinian, we are proud of it.—

We like the STAR because it is thoroughly re-liable, candid, fearless, and so well and ably edited newsy, spicy, and in fact a perfect news-paper. Long may the STAR twinkle.—Mt. Airy Visitor. Although at the head of the press in this State in all that makes a paper valuable to the reader, still it continues to improve. It is a STAR of the first magaitude. May its lustre never wane.—
The Free Will Baptist.

The Star is so well and favorably known in this section of the State, that we can say nothing of which its thousands of readers do not already know. It is in every respect one of the best dai lies in the South.—Robesontan.

That magnificent beaming STAR has completed its twenty-second volume. It is one of the most brilliant, erudite and sparkling dailies south of the Potomac. The system in the get up of the paper surpasses them all.—Tarboro Southerner. The Wilmington STAR has entered on its twelfth year. It is a most excellent newspaper, well edited, a compendium of all the news of the day, and an honor to its city, to North Carolina and to North Carolina journalism.—Charlotte Observer. The Wilmington STAR is now taking the regular midnight Associated Press reports, and has be-sides increased the amount of its reading matter. The Star is an excellent paper. Its prosperity is not surprising since it is so deserving.—Charlot's

The Wilmington Star, we are pleased to notice, still continues on the high road to success. We esteem the Star very highly, regarding it as one of the very best of our exchanges, and consider it the peer of any journal published in the South.—Oxford Free Lance. Why is it that all the papers with the name of Star are such bright little journals? The Wilmington (N. C.) Star, the Washington Star, the Fredericksburg Star, New York Star, for example. There must be something in a name after all.—

Richmond (Va.) State.

The Wilmington Star has entered uponits 12th volume, and we are pleased to notice still continues on the road to success. We esteem the Star very highly, regarding it as one of the very best newspapers that comes to this office. Its news columns are always a little fuller than those of any other of our exchanges, and its editorial deagrement is conducted with much ability.—Merganton Rlade.

Humble in its beginnings, as was inseparable from an enterprise begun amid the wreck of fortune that attended the collapse of the Southern Confederacy, the Star has steadily "waxed" until it now beams resplendent in the full glow of a constantly brightening prosperity. As a newspaper it has few equals, and no superior, for appriate selection and judicious arrangement, and we are proud to rank it among our most accepts ble exchanges.—Hillsboro Recorder. The Wilmington Morning Star has entered upon the thirteenth year of its existence, and we take this opportunity to congratulate it upon its prosperity and deserved popularity. The remarkable success of the Star is due to its strict attention to business. The boast of the Star (rightfully too) is that it always has the news, and this is the first thing in journalism. Otherwise the paper is all that the term of "good newspaper" implies, and its corps of editors and reporters are thoroughly educated newspaper men. May the healthy, moral influence of the Star never be refarded, and may its genial enterprising proprietarded, and may its genial enterprising proprie-tor enjoy many more happy years of usefulness. —Goldsboro Messenger.

FRIEND

A Precious Boon to Woman. WORDS OF PRAISE.

I most earnestly entreat every female expecting to be confined to use Mother's Relief. Coupled wi h this entreaty I will add that during a ong obstetrical practice (forty-four years) I have never known it to fail to produce a quick and H. J. HOLMES, M. D.

A lady from one of the counties of Middle Georgia, who has been acting midwife for many years, writes: "I have disposed of all the Mother's Friend you sent me, and I am delighted with it. In every instance where it has been used its effects have been all that I could ask. I consider it a great blessing."

A gentleman writes: "My wife used your Mo ther's Friend at her fourth confinement, and her half the suffering of either of her former confinements, and recovered from its effects in much less time. She also recommended it to a lady friend who was about to be confined for the first time, and she says: 'I have never seen any one pass through this great trial with so much ease and so little suffering.'"

A QUICK AND EASY TIME. A distinguished physician of Mississippi writes: Every one expecting to be confined should use the Mother's Friend, for during a long obstetric practice I have never known it to fail to produce a quick and safe delivery.

An interesting treatise on Blood and Skin Diseases will be mailed free to any one who will send their ad dress to the Swift Specific Co.. Drawer 3. Atlanta, Ga VANDERBILT'S MILLIONS Could not buy from me what Swift's Specific has done for me. It cured me of Scrofula in its worst form, after I had suffered with it fifteen long years, and had tried all the remedies, only to break down my health and make me almost helpless.

Mrs. Elizabeth Baker,
Acworth, Ga., July 15, 1884.

ULCERS 25 YEARS! A member lof my church has been entirely cured of an ulcerated sore log of twenty-five years' standing, by using two bottles of Swiit's Specific. She had various kinds of treatment, and had almost despaired of being well. Swift's Specific cured her, and she feels that she has a new lease of life.

P. H. CRUMPLER, Pastor Meth. Church Macon, Ga, July 14, 1884.

My daughter, seven years old, has been afflict-

other remedies in vain, I gave her Swift's Specific, S. S. S., and one and a half bottles cured her
sound and well. It is the best blood remedy in
the country.

MRS. M. S. JUDKINS,
Cedartown Mill, July 23, 1884. AN OLD PHARMACIST. I have had to do with Blood Diseases and selling Blood Remedies for twenty-five years, and do not hesitate to say Swift's Specific is the best. Numbers of cures of Blood Poison by its use have

come under my observation, and some of them wonderful. It is an excellent tonic, and is used largely by delicate ladies and children. Being entirely vegetable, it does not produce any b d

effects like potash mixtures, and is the most satisfactory remedy that I sell. G. W. Dixon, Auburn, Ala., Sept., 18, 1884. INOCULATED POISON Some eighi years ago I became the victim of a fearful Blood Poison, communicated by a nurse to my infant, and thence through the breast, and suffered for six long years. The Mercury and Potash treatment seemed to drive the poison further into my system only to break out in worse form on other portions of my body. Three months ago I began taking, swift's Specific, and it has cured me sound and well, It is the greatest blessing which has come to mankind in years, Mrs. T. W. Democratic in politics, the Observer will labor, first of all, to assure the prosperity of the Town of Fayetteville, to develop the vast agricultural resources of its own and the neighboring counties, and to promote all that concerns the welfare of the people of North Carolins.

Opposed to such innovations on the homely ways of our fathers as, in the guise of progress, harm society, the Observer will be found in full sympathy with the new things born of the changed condition of the South which sound judgment or enlightened experience find to be also good.
