THE CAMPAIGN.

- Gov. Cleveland will visit his birthplace at Caldwell, N. J., next week, and on his return will be given a grand reception at Newark.

- The Democratic Business Men's Clubs of New York will turn out on Saturday in a grand parade. It is thought 15,000 men will be in line.

- San Francisco, Oct. 20.-John Mason, the leading brewer of this city, has decided to work and vote for the success of the Democratic National ticket. Mr. Mason has been one of the Republican pillars in San Francisco.—Boston Post.

- Buffalo, Oct. 22 .- The telegraph operators employed in the several offices in this city will cast their votes for Cleveland to a man. They say that Blaine is the friend, ally and tool of Gould, and that to cast a vote for the Republican candidate is practically to vote for Gould.—
Special to N. Y. World.

-- MANCHESTER, N.H., Oct. 23, '84.-At a political meeting held here last evening, which was largely attended not only by Democrats but by Republicans who are dissatisfied with the nomination of Blaine. ex-Senator Wadleigh gave his reasons for refusing to support the tattooed candidate.

—Special to N. Y. Herald.

- NEW YORK, October 22.-The Republican party in this city broke in two to-night. Ostensibly the division was over the nominations for county offices. It was in reality, however, Blaine and anti Blaine. To night's fight is really the result of complications which have existed ever since Blaine's nomination, and which have been aggravated as the day of election drew near. The men who are in control of the Republican machine at heart do not desire Blaine elected! They believe that it will result in their overthrow and the exaltation of Collector Robertson to the head of the Republican organization in this city. - Special Dispatch to Charleston News and Cou-

- GENEVA, N. Y., Oct. 21.-A committee of Independent Republicans, who have been identified in years past with the stalwart or Conkling faction, have issued a strong address to the Republican voters of Ontario county, calling upon them to use all honoroble efforts to defeat James G. Blaine. The address is signed by Judge F. O. Mason (the late Judge Folger's partner), W. D. Chase, C. H. Winne and others. The stalwarts of Oneida county are also organizing for the same purpose. In Utica, on Monday evening, an organization was on Monday evening, an organization was perfected. Among those in attendance were the following: Ex Surgeon General Dr. William H. Watson, ex-Duputy Attorney General William H., Comstock, Henry D., Pixley, Charles J. Everett, ex-Assemblyman Benjamin Allen, Messrs. William Blaikle, James Eaton, J. Emory Eaton, Fred Eaton, M. J. Everett and 70 or 80 other prominent and influential Republicans and personal friends of Mr. Cong cans and personal friends of Mr. Cong ling. - Boston Post.

CAMPAIGN HUMOR.

- "I was never in Ohio or in West Virginia, James G. Blaine. Burn this."-Baltimore Day.

- There was a gross fraud in Ohio yesterday. People who mince their words call it R. B. Hayes .- Chicago Mail. - Any one wishing to have his

biography written can have the work donp free by running for the Presidency.—Texas

- If Blaine should be beaten in November he will certainly be a deadhead in politics for the rest of his days.—Kansas City Star.

- "Lies," it is said, are the weapons of the weak." And yet they boast of the strength of Mr. Blaine.—Boston Transcript, Rep.

- The political game at this stage suggests "seven up," that being the num-ber of Presidential candidates in the field -Boston Courier.

- Some earnest Prohibitionists might now write a letter asking Blaine to withdraw. His candidacy may prove fatal to St. John's chances.—Phil. Times. - Somebody threw a spoon on the

platform where Gen. Butler was speaking in Philadelphia. He did not put it in his pocket. It was tin .- Chicago News. - Marietta L. Stow, of California, has nominated herself for Vice President on the Lockwood ticket. Well, that ticket's

toe is in the right place. - Burlington Hawk - The State that could be taken in by a political confide ce operator like Blaine ought to be a favorite baunt for the persuasive bunko man.-Chicago Times,

- The Philadelphia Press remarks that "No American ever stood closer to the people than James G. Blaine does to day." Then, if all reports be true, it is about time

to display the warning: "Beware of pick-pockets!"—N. Y. World, Dem. - The barbecue in Brooklyn frightens the Republicans. That's nothing Wait until the 4th of November and the entire country will have a barbecue, at which the Republican party will be roasted in place of oxen.—New Haven Register,

- In point of veracity, the Republican candidate does not very strongly semble George Washington, but, in fairness to the leader of the grand old party, it must be remembered that Washington was a mere honest man, to whom lying was unnecessary .- Chicago Times.

- Raleigh News- Observer: Eight car loads of people came in on the R. & G. road last evening. — The train from Goldsboro yesterday afternoon brought eleven cars full of people. — We were honored yesterday by a call from that eminent railway manager the Hon. R. R. Bridgers, of Wilmington, who has done as much as any other man to advance the material interests of North Carolina.
Yesterday Mr. T. S. Dale, of Yadkin College, took a vote on the train from the west, for gubernatorial preferences. The vote (of registered voters) was 499; of them 485 were for Scales, 64 for York. Two negroes voted for Scales, fifteen for York; 49 white

men for York. Fifty-nine people refused to vote. A CARD.—To all who are suffering from errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you FREE OF CHARGE. This great remedy was

OUR STATE CONTEMPORARIES. A "Bourbon" is nothing more nor less than an honest man—a patriot—opposed to official theft and corruption.—Salisbury Watchman.

Do not be over-confident, fellow-Demo-crats of North Carolina. York will get the full negro vote of Eastern North Carolina, and if too many of you stay at home, this illiterate demagogue may defeat the true and loved patriot, Gen. A. M. Scales. -Newton Enterprise.

There is no civil rights now. The Re-publicans propose legislation. The Demo-crats oppose legislation. The Republicans are for stirring the matter. The Democrats are for leaving things as they are. Which is the wisest and best policy? Vote for Democrats to represent us in Congress .-Raleigh News-Observer.

The Republican party offers social equality to the fullest extent—mixed schools, miscegenation and all; the Democratic party offers protection to the colored man in the possession of every political right, but at the same time the maintenance of the supremacy of the white man in the land of the white man. White men of North Carolina, which will you have?— Lumberton Robesonian.

We are opposed to the (Prohibition electoral) move. It can do no good and may do great harm. It would not have been so objectionable at the opening of the campaign and we do not say it would have been unwise then. If we had organized at that time the two parties from which our forces must come would have had no claim upon our support and no right to complain of our action. We have taken our part in the selection of the candidates now representing the two old parties and our friends in both are committed to the support of said candidates according to their former political ties of more recent convictions. - Hick-

FRIEND A Precious Boon to Woman.

WORDS OF PRAISE. I most earnestly entreat every female expecting to be confined to use Mother's Relief. Coapled wi h this entreaty I will add that during a ong obstetrical practice (forty-four years) I have never known it to fail to produce a quick and H. J. HOLMES, M. D. safe delivery.

A lady from one of the counties of Middle Georgia, who has been acting midwife for many years, writes: "I have disposed of all the Mother's Friend you sent me, and I am delighted with it. In every instance where it has been used its effects have been all that I could ask. I consider it a great blessing."

A gentleman writes: "My wife used your Mo ther's Friend at her fourth confinement, and he testimony is that she passed through it with onehalf the suffering of either of her former confinements, and recovered from its effects in much less time. She also recommended it to a lady friend who was about to be confined for the first time, and she says: 'I have never seen any one pass through this great trial with so much ease and so little suffering '",

A QUICK AND EASY TIME. A distinguished physician of Missisppi writes: Every one expecting to be confined should use the Mother's Friend, for during a long obstetric practice I have never known it to fail to produce a quick and safe delivery.

Could not buy from me what Swift's Specific has done for me. I cured me of Scrofuls in its worst form, after I had suffered with it fifteen long years, and had tried all the remedies, only to break down my health and make me almost helpless.

Mrs Klizaren Baker,
Acworth, Ga, July 15, 18:4.

ULCERS 25 YEARS A member of my church has been entirely cured of an ulcerated sore leg of twenty-five year, standing, y using two bottles of Swift's specific. She had various kinds of treatment, and had almost despaired of being well. Fwift's and had almost despaired of being well. Fwift's appecific cured her, and she feels that she has a new lease of life.

P. H. CRUMPLER, Pastor Meth. Church

My daughter, seven years old, has been afflicted with Eczema for two years, and after trying other remedies in vain, I gave her Swift's Specific, S. S. S., and one and a half bottles cured her sound and well. It is the best blood remedy in the country.

Mrs. M. S. Jedkins,

Cedartown Mill, July 23, 1884.

Macon, Ga , July 14, 1884.

AN OLD PHARMACIST. I have had to do with Blood Diseases and selling Blood Remedies for twenty five years, and do not hesitate to say Swift's Specific is the best. Numbers of cures of Blood Poison by it: use have

come under my observation, and some of them wonderful. It is an excellent tonic, and is used largely by delicate lacies and children. Being entirely vegetable, it does not produce any b d effects like potash mixtures, and i, the most satisfactory remedy that I sell.

G. W. Dixon, Auburn, Ala., Sept. 18, 1884.

INOCULATED POISON Some eight years ago I became the victim of a fearful Blood Poison, communicated by a nurse to my infant, and thence through the breast, and suffered for six long years. The Mercury and Potash treatment seemed to drive the poison further into my system only to break out in worse form on other portions of my body. Three months ago I began taking bwift's Specific, and it has cured me sound and well. It is the greatest blessing which has come to mankind in years.
