They have a respite From winter's gloom-By autumn kissed Into brilliant bloom! - Wm. H. Hayne in Phil. American. THE CAMPAIGN.

- Mr. Hendricks assures his Eastern friends that they need not have any un-easiness about Indiana.

- Massachusetts may go either for Blaine or for Cleveland. The situation in this State is as good to speculate on as any.

—Springfield Republican.

- Henry Ward Beecher appeared last evening in the Brooklyn Academy of Music before a large audience, composed mainly of some of the most intelligent men of Columbia Heights, to talk against the possibility of a tide of Blaine corruption.— N. Y. Herald 26th.

- NASHVILLE, Tenn., Oct. 25 -The transfer here of five cases of guns, purporting to come from the National Republican Executive Committee at Washington, and consigned to the State Republican Executive Committee at New Orleans, gave rise to the startling report that they had been sent with a view to the intimidation of Democratic voters at the November election. - N. Y. Herald.

- Evansville, Ind., Oct. 25 .-Governor Thomas A. Hendricks and Mr. Isaac P. Gray, candidate for Governor of this State, received an ovation here to day that, to use Governor Hendricks' own expression, "eclipsed everything he ever saw." The Democrats made up their minds some time ago that the Republican ovation to Blaine which occurred last Wednesday night should be surpassed, and it was.—N. Y. Herald.

- NEW YORK, Oct. 24.—The indications all point to the fact that the Republicans are giving up hope of carrying this State, and are placing all their hopes on Indiana, New Jersey and Connecticut. This grows plainer day by day. This grows plainer day by day. This is no doubt largely due to the Independent vote, about which much has been said in previous dispatches.-Special dispatch to Philadelphia

ROCHESTER, N. Y., Oct. 25 .-A list of business men who are for Cleveland was published in the Union here today. It includes every bank president and cashier, except one of each, the principal clothing manufacturers, the largest whole-sale and retail dry goods firms, the most extensive wholesale grocery and notions firms, and Hiram Sibley, the great seed raiser and merchant. Every brewer's name is included in it, as are nearly all the leading nurserymen and mill owners.-N. Y.

- CHICAGO, Oct. 24.-A special to the Daily News from Springfield, Ill., says: "James G. Blaine's strength is failing fast. His trip here to day was made against his earnest protest and in spite of his plea for rest. It was announced that the train would leave at 9.30. At that hour the Illinoisans called for Blaine, but he pleaded for time, and even asked to abandon the trip to Springfield. He pleaded ill-health, and his pallid face and soft, pulpy flesh indicated that he was anything but a well man .- Special to the World.

- The Herald has received the following significant dispatches. They show that the people are aroused and determined, if possible, to have a "change." Indiana Democrats are enthusiastic and sanguine of success. Michigan will be carried by the fusionists, which means at least seven electoral votes for Cleveland. Illinois may even be swept by the coming tidal wave into the Cleveland camp. Little Oregon, too, is inclined to throw off the Republican shackles. And our neighboring State of Jersey has caught the spirit of the hour, and, as the chairman of the Democratic State Committee affirms in an interesting interview published below, will cast her electoral vote for the national ticket headed by Cleveland and Hendricks. -N. Y. Herald 26th.

Buffalo, N. Y., October 25.—The 'People's party" in this city is in a bad way. To-night, at the Congressional Convention, it was proposed to nominate John Francy, editor of Justice, for Congress. Mr. Francy at once proposed that the Convention indorse John M. Farquhar, the Republican nominee. This was the first intimation of trouble. A fight ensued, during which it came out that Francy had withdrawn from Justice and had, it was alleged, sold out to the Republicans. Thos. Gawley, who is the leader of the "People's party" in Erie county, was next investigated, when it was found that he had gone over to Cleve-land and had given up the Music Hall which was to have been occupied by Ben Butler on Monday night—for a Cleveland meeting, at which the Hon. Daniel N. Lockwood and David Healey are to speak Lawrence J. Maher, a member of the First Ward Cleveland Club, has been acting as manager at the headquarters of the "People's party." It was not known until the night before last that he was a Cleveland man, and to-day he was cut off by orders from New York.—Special Dispatch to the New York Herald.

- NEW HAVEN, Oct. 22 .- The Irish-American Blaine meeting to night turned out to be the most enthusiastic Cleveland demonstration held here during the campaign. Carll's Opera House, the largest hall in town, had been engaged by the Republican Committee and the Republican clubs paraded till an audience of Irishmen gathered that crowded the hall to its utmost capacity. Fully 3,000 men were within its walls. Alexander Sullivan had been advertised to speak as an Irishman to Irishmen. He spoke in a general manner in eulogy of Ireland and the Irish in America, and was frequently cheered as he went on to praise the patiotic conduct of Irishmen in the late war. Apparently feeling secure of his ground he suddenly branched off and began to attack Cleveland. The audience growled. With one accord they stood up on the chairs and yelled. Cheers for Cleveland were called for and given time and again. "Three cheers for Cleveland and the party of our nation!" yelled an old gray-haired Irishman, as he stood upon the railing of the parquet circle and waved his hat. They were given. "Hiss the ren-

egade," shouted a boy, and the hisses swelled till Mr. Sullivan was appalled.—

The Wilmingtonians are a long suffering people and their discretion is admirable. The Republicans leaders should, however, remember that there is a point at which forbearance ceases to be a virtue, -Raleigh News-Observer.

We ask the white men of North Carolina, if they, with the power to avert it, are willing that their sons and daughters shall be compelled to attend the same schools, and sit at the same desks, and be taught by the same teachers as negro children? If they are let them vote for Mulligan Blaine and Tyre York in the coming election.-Clinton Caucasian.

- Gail Hamilton should have requested Mr. Reid to kindly incinerate her copy."-Utica Observer. - Owing to the enormous cost of Mr. Blaine's Ohio "vindication" the Hock-

ing Valley miners need expect no increase in wages .- Chicago Times. - It is not the men that carry the torches who get the postoffices. It is the men who buy the oil and ride on the horses.—New Orleans Picayune.

- If the Republicans can elect Blaine they can elect Dorsey. On the whole, Dorsey is the better man of the two."-Louisville Courier-Journal.

- The vehemence which Blaine

displays in relinquishing the Southern vote—since the election in West Virginia—recalls the case of another old fox who measured the acidity of grapes by his inability to get at them.—Detroit Free Press. - The first figures indicated that Blaine was out of the woods, but now it begins to look as if he had only struck a clearing where Steve Elkins and the boys

"Fizzled Out!" This is what a once prosperous merchant said of himself, the other day. His business had faded out, credit was gone, and the sheriff had sold his goods. The trouble proceeded from a prolonged attack of dyspepsia, which prostrated and unsettled him so that he could not attend to his affairs. Pity he hadn't thought of Brown's Iron Bitters, which would he ve saved him. Mr. A. J. Lawler, 172 S Bro cway, Baltimore, says, "Malaria and dyspepsia troubled me for nine years. WORDS OF PRAISE. I most earnestly entreat every female expecting to be confined to use Mother's Relief. Coupled wi h this entreaty I will add that during a ong obstetrical practice (forty-four years) I have never known it to fail to produce a quick and H. J. HOLMES, M. D.

A lady from one of the counties of Middle Georgia, who has been acting midwife for many years, writes: "I have disposed of all the Mother's Friend you sent me, and I am delighted with it. In every instance where it has been used its effects have been all that I could ask. I consider it a great blessing."

A gentleman writes: "My wife used your Mo ther's Friend at her fourth confinement, and her testimony is that she passed through it with onehalf the suffering of either of her former confinements, and recovered from its effects in much less time. She also recommended it to a lady friend who was about to be confined for the first time, and she says: 'I have never seen any one pass through this great trial with so much ease and so little suffering.'"

A QUICK AND EASY TIME. A distinguished physician of Mississippi writes: Every one expecting to be confined should use the Mother's Friend, for during a long obstetric practice I have never known it to fail to produce a quick and safe delivery.

VANDERBILT'S MILLIONS! Could not buy from me what Swift's Specific has done for me. It cured me of Scrofula in its worst form, after I had suffered with it fifteen long years, and had tried all the remedies, only to break down my health and make me almost helpless.

ULCERS 25 YEARS!

A member (of my church has been entirely cured of an ulcerated sore leg of twenty-five years' standing, by using two bottles of Swift's Specific. She had various kinds of treatment, and had almost despaired of being well. Swift's Specific cured her, and she feels that she has a new lease of life.

My daughter, seven years old, has been afflicted with Eczema for two years, and after trying other remedies in vain, I gave her Swift's Specific, S. S., and one and a half bottles cured her sound and well. It is the best blood remeay in the country.

Cedartown Mill, July 23, 1884. AN OLD PHARMACIST.

I have had to do with Blood Liseases and selling Blood Remedles for twenty five years, and do not hesitate to say Swift's Specific is the best. Numbers of cures of Blood Poisen by its use have come under my observation, and some of them wonderful. It is an excellent tonic, and is used largely by delicate lacies and children. Being entirely vegetable, it does not produce any bid effects like potash mixtures, and is the most satisfactory remedy that I sell.

INOCULATED POISON! Some eight years ago I became the victim of a fearful Blood. Poison, communicated by a nurse to my infant, and thence through the breast, and suffered for six long years. The Mercury and P tash treatment seemed to drive the poison urther into my system only to break out in worse form on other portions of my body. Three months ago I began taking swift's Specific, and it has cured me sound and well. It is the greatest blessing which has come to mankind in years.
