The Truth Will Shine. WE UITER NO UNCERTAIN SOUND WHEN we speak of our Stock of Men's Fine Clothing as being superior in point of fit and finish to that of any other house in the city. WE KCHO no false statement when we tell the people of Wilmington that our garments are made up with care and taste unequalled by the best Merchant Tailors the South affords. AND OUR WORD is not doubted when we practically illustrate to our many patrons that we save them on every suit they buy of us FULLY 50 PER CENT., or in plain language GIVE TWO SUITS FOR ONK, as com-pared with the enormous DOUBLE PRICE usually charged for merchant tailor work. We solicit an impartial examination of our stock. We show you the garments already shaped. We guaran-tee to fit you to your own satisfaction and to the satisfaction of your family and friends. In short, WE BARGAIN to do the right under all circum-

stauces, and shall leave no stone unturned that is calculated to exemplify our appreciation of general patronage by a generous people. The liberal support given our COUNTRY OR-DER DEPARTMENT has compelled us to enlarge our facilities for pushing forward the work of supplying our OUT OF TOWN CUSTOMERS with supplying our O'T OF TOWN CUSTOMERS with increased promptness. It is a rule of our establishment to upply the best and choicest goods, no matter what grade is desired, that the market affords, and always at the Lowest Possible Price, Parties ordering Men's, Boys or Children's clothing and Gents' Furnishing Goods, have a guarantee from us as to the quality of GOODS SENT THEM, which will be exchanged or money refutded in all cases where the purchase proves unsati factory. NEW ADVERTISEMENTS. A Fair Suggestion.

OUR PATRONS KNOW BY THIS TIME THAT we do not color our advertisements; that when we say a thing in the paper we are prepared to back it by our legal guaranty. Take goods home, examine them critically in all particular points, such as material, make up, style of garment, and, above all, the price, which tells who sells the cheapest. We have been victorious in every instance where goods from competing houses have been sent home for comparison. We do it every day, and advise you to try it once to convince yourself. Only last week a prominent business man in this city had a suit sent to his home from different houses, with one from us among them; he kept our suit, and remarked: "I do not know much about clothing, but it did not take me long to consider after I had them together at home; but if I had not had them together I might have paid from \$5 to \$8 more for my suit."

We handle all grades of goods, guaranteeing every article worth what you pay for it or money refunded. After one trial you will say, as others have said, it pays to trade with
