seems to have given a majority for the Republican cause and ticket, and there is a strong probability that West Virginia has also, while other Southern States are in doubt. The Northern States alone show thus far for Blaine and Logan 283 electoral The Vote of New York Very Close, but votes and insure their election. In New Claimed for Cleveland-Virginia and York attempts to tamper with the returns have already been detected. The actual vote cast in New York city, King's county West Virginia Certainly Democratic -Rejoicings at Various Points over and 1,852 other election precincts, gave at the utmost only 1,481 plurality to Grover Cleveland's Election-Senator Vance Cleveland, while 163 precincts not yet heard Joins in the Washington City Jubifrom gave 2,171 plurality to Garfield. There is, therefore, no ground for doubt that the honest vote of the State has been given to [By Telegraph to the Morning Star.] the Republican candidates, and though the defeated candidate for the Presidency is at New York.

NEW YORK, November 6, 8 P. M.-Returns from all the election districts in the State but 30 gives 556,154 Republican votes and 555,756 Democratic votes-a Republican plurality of 398. This includes the official correction in Orange county. 8.27 P. M .- Returns from all the election districts in the State but 23 give a Re-

publican plurality of 432. Returns from all election districts in the State but 20 give 557,626 Republican votes and 557,252 Democratic votes-a Republican plurality of 374.

ELMIRA, November 6.-Thirteen guns were fired in this city this afternoon in honor of the election of Gov. Cleveland. The Democrats are jubilant.

The following was received at National Republican headquarters this evening:
Augusta, Me., Nov. 6.—Hon. B. F. Jones, Chairman National Republican Committee New York.—I never was in better health in my life than I am to-day; all rumors to the contrary are malicious inventions. JAMES G. BLAINE [Signed]

Virginia. RICHNOND, Nov. 5.-Additional returns to day confirm the dispatches of last night, fixing Cleveland's majority in the State at 8,000. All the districts but the 2nd and 4th elect Democratic Congressmen by handsome majorities. The Democrats are now firing hundreds

of guns in honor of Cleveland's victory. The chairman of the Democratic Central Committee of the Fourth Congressional District claims that the State has gone Democratic by fully 7,000 majority. He says this majority is due in a measure to heavy gains in the black belt section of the State.

West Virginia WHEELING, Nov. 6.—The majorities for Blaine in this State by counties are as follows: Hancock 220, Marion 2, Monongahela 750, Grant 500, Preston 1,500, Marshall 623, Tyler 336, Doddridge 250, Mason 470, Putnam 178, Kanawha 1,100, Taylor 274, and Harrison 290. Majorities for Cleveland are as follows: Brooke 53, Lewis 158, Wetzel 900-estimated, Mineral 83, Berkeley 66, Cabell 455, Pleasants 153, and Hampshire 1,300-estimated.

The State is undoubtedly Democratic. Michigan. DETROIT, November 6.- The Republican State Committee now claim the election in this State by from 6,000 to 10,000 plurality. The Prohibition vote was much smaller than expected. The Legislature stands: Senators-Fusionists 19; Republicans 13. Representatives-Fusionists 51; Republi-

The latest figures on Congressmen indicate the election of six Fusion Democrats and five Republicans as follows: Republi-cans—Allen in the 2nd district, O'Donell, 3rd; Burrows, 4th; Cutchran, 9th; Moffatt, 11th. Fusion Democrats-Maybury in the 1st; Comstock, 5th; Winans, 6th; Carleton. 7th; Forsney, 8th; Fisher, 10th. The 5th district is close, but this list is probably

Missouri. ST. Louis, November 6.-Sixty-one of 114 counties in Missouri give Marmaduke, dem., for Governor, an aggregated majority of 23,737, and Ford, fusion, 18,514. Marmaduke has been extensively scratched in various parts of the State, but the Demo-crats claim he will have 30,000 plurality over Ford. Returns from the above counties do not include the vote for Presiden tial electors. The vote for Cleveland and Blaine cannot therefore be given.

Indiana. Indianapolis, Nov. 6, 7.50 P. M .- The official vote on complete returns from 30 counties-one third of the State-give Blaine 77,836; Cleveland 73,419. The same counties gave Hawn, rep., for Secretary of State, 68,179; Myers, dem., 67,675. This shows a Democratic gain of 5,744; a Republican gain of 9,657—a net Republican gain of 3,413.

Florida. PENSACOLA, Nov. 6.-West Florida official returns thus far sustain the estimated Democratic majority of 1,250. So far one Senator and five Representatives have been gained by the Democrats in counties west of Apolochicola river. Escombia county, the home of Perry, Democratic candidate for Governor, gives a Democratic majority of 80, though it went Republican in 1882 by several hundred majority.

Democrats Firing Guns in Celebration of Cleveland's Election-Speeches by Senator Vance and Hon. Richard [By Telegraph to the Morning Star.]

WASHINGTON, November 6.—The Democrats of this city fired 100 guns to-night in celebration of the Democratic victory which they think assured. They afterwards formed in procession and paraded the streets with bands and torches for several hours. Speeches were made to them from the Democratic Committee rooms by Hon. Richard T. Merrick, of this city and Senator Vance, of North Carolina. In his speech Mr. Merrick said that Cleveland was entitled to a majority of the electoral vote and would be inaugurated—peaceably if possible, by force if necessary.
