

Coming Out All Right!

The Canvass by County Boards!

THIRTY-THREE COUNTIES SHOW A SLIGHT INCREASE IN FAVOR OF CLEVELAND.

Progress of the Canvass in New York City and Brooklyn—Lawyers Representing Both Parties Present.

[By Telegraph to the Morning Star.]

WASHINGTON, Nov. 11.—Reports received from the canvass by county boards in New York State have been received from the following counties, which correspond with the table published in the New York Sun of Saturday and the Times of Sunday last, viz: Clinton, Madison, Montgomery, Orleans, Rensselaer, Saratoga, Schoharie, Schoharie, Seneca, Warren and Yates, Essex county increases Blaine's figures in the Sun by two votes.

The canvassers of Niagara county adjourned until tomorrow on account of incomplete returns. The canvassers of Livingston county met today, but finding errors in some of the returns sent them back for correction and adjourned until tomorrow. The chairman of the Board authorizes a statement that Blaine's plurality in the county is 1,152, which is sixty less than the figures of the Sun and one less than the Times' statement.

WASHINGTON, Nov. 11, 9:30 P. M.—At this hour reports from the county boards of thirty counties of New York State north of Harlem River make changes in the figures published in the New York Times and Sun, the net result of which is to diminish Blaine's plurality as given in both papers. Taking the Times' table published Sunday as a basis, the net loss to Blaine is 51. All of the changes noted in these reports are in counties which gave majorities for Blaine. No changes have thus far been made in the published majorities for Cleveland.

The following are the counties embraced in the above statement: Alleghany, Cayuga, Chautauque, Clinton, Essex, Livingston, Fulton and Hamilton (one county), Herkimer, Lewis, Madison, Montgomery, Onondaga, Orleans, Oswego, Putnam, Rensselaer, Rockland, Saratoga, Schoharie, Schoharie, Seneca, Steuben, Tioga, Warren, Washington, Wayne, Westchester, Wyoming and Yates.

WASHINGTON, 10:30 p. m.—Reports from additional New York counties—Richmond, Orange and Cattaraugus—make no change in the Times' list, but a correction received from Lewis county in which a change of fifty-two in the published plurality was previously noted, makes a change of only two votes; so that the changes in thirty-two counties show a net reduction of Blaine's plurality as published in Sunday's Times of four votes.

FAMERICA, L. I., Nov. 11.—The Queens county supervisors met at the county clerk's office at 10 o'clock this morning to canvass the electoral votes. There was a large attendance of Republicans and Democrats from all parts of the county. County Judge Armstrong, District Attorney Fleming appeared for the State Democrats. Committee and Jesse Johnson and W. S. Cogswell for the Republicans. Returns from several districts in North Hempstead and Flushing were objected to by Cogswell on the ground that the grand jury were not given. No errors affecting the result as already given were discovered. It is doubtful if the result will be announced today, unless the rejected returns are corrected this evening. Assemblyman Edward A. Dorrah presented protest against the award of a certificate to Thomas H. Smith, Rep., for the Assembly from the Second District of Queens county, alleging fraud, bribery, irregularities and illegal voting in Long Island City.

New York, November 11.—To-day, at noon, the Board of Aldermen were sworn in as a Board of County Canvassers. Chas. B. Waile, Republican, was elected chairman. The Board room was filled with lawyers interested in the count and spectators. Among the lawyers present representing the Republican National and State Committees were Wm. M. Evans, Col. Geo. Bliss, Robert Sewell, Clarence A. Seward and Wm. Allen Butler. The Democratic National and State Committees were represented by Gen. Francis C. Barlow, Francis H. Bartlett, Aaron J. Vanderpool, Charles P. Miller, Francis M. Scott, Francis L. Stetson, Edward R. Bacon and James C. Carter.

A resolution was tabled that none but those having business with the Board should be allowed to remain in the room during its sessions. The requisite committees were appointed on protests, superintending of returns, &c. Wm. E. Kirk, "Tammany," read a protest against any votes being counted that were cast for Wm. R. Grace, for Mayor, on the ground that it had been publicly and semi-officially asserted and believed by many people that Grace was not a naturalized citizen. This matter was referred to the committee on protests. The Board then adjourned until tomorrow.

The Kings County Board of Canvassers met today. A number of citizens were present, as were also counsel representing the Republican and Democratic National and State Committees. John Y. McKane was elected chairman and the usual committees were appointed after which the Board went to work on the canvass.

The Republican National Committee have moved to the Victoria Hotel, and Messrs. Elkins, Chaffee and Converse, are today awaiting reports of the official votes in the State. The Democratic National Committee to-day issued a call to "those interested in Cleveland and Hendricks" for money with which to defray "the ordinary and unexpected expenses occasioned by the threatened dispute of electoral votes of the State of New York."

The Mail and Express says: In counties of the State a work is usually consumed in the work. In this city Kings county less time is required. Four years ago the official canvass of the State was not com-

WASHINGTON.

Probable Status of the Next House of Representatives—An Embarrassing Official of the Postoffice Department Declared Insane.

[By Telegraph to the Morning Star.] WASHINGTON, Nov. 11.—Edward McPherson, Secretary of the Republican Congressional Committee, says that from the most authentic information he has been able to secure the next House of Representatives will consist of 183 Democrats, 141 Republicans, one Greenbacker, (Bramm, of Pa.) and one Fusionist, (Weaver, of Iowa).

As compared with the membership of the various parties in the present House, this estimate shows a loss of 19 votes to the Democrats and four to the Independents, and a gain of 22 Republicans and one Fusionist vote. This classification is subject to the possible change of two or three votes. The election of Weaver, of Iowa, Fusionist with Democratic proclivities, is only inferred from a dispatch published this morning. One of two of the Tennessee districts are claimed by Republicans, but positive information has not yet been received about them; and the 5th Wisconsin district, still in doubt, is conceded by this estimate to the Democrats.

Mr. Post, Secretary of the Democratic Congressional Committee, is not now in the city, but it is understood that no information has been received at the Democratic Committee rooms which is not in accord with McPherson's table.

The decree of the Supreme Court of the District of Columbia, adjudging insane J. O. P. Burnside, late disbursing officer of the Postoffice Department, now under indictment for embezzlement, was presented to the Secretary of the Interior to-day and upon his authority Burnside was committed to the government hospital for the insane as "an insane person and indigent."
