Raleigh Register. Early in February—as soon as the printers receive the necessary material—the publication of the RALEIGH REGISTER, a North Carolina Democratic newspaper, will be commenced.

The Register will be printed weekly until the great political campaign of 1884 begins. It will then be issued twice a week, or as often as may be useful or necessary to the Democratic party in North Carolina. It will be printed from new and beautiful type, on good white paper, and though it may not be large enough to hold all at once all the good things that glowing prospectuses sometimes promise, yet the application of a thorough knowledge of how to use them will put into its thirty-two broad columns all the news, news, news, and a complete history of what is done in North Carolina. Mr. HALL will be editor of the Register.

The price of the Register will be \$2 a year; \$1 for six months. Pay for your home-paper, and then remit for the Register. Those who remit \$2 to this office receive a PREMIUM.

Either volume ordered of HALL'S Industrial Series. Two volumes are now ready: TEN WOODS AND TREASURES OF NORTH CAROLINA—Curds, Emmons, and Serr's Botanical Reports, supplemented by accurate County Reports of Standing Forests, and illustrated by an excellent map of the State. 1 volume 12mo.
