GRANT DYING. C. DE KAY.

When the shuddering earth foretold Ruin; and war's thunder rolled. Who was honest as the soil. Natural, simple, free of cant. Patient as the oxen toil? Grant.

While the earthquake rent the land, Brothers battling hand to hand, Who looked never toward the rear, Let the politicians rant, Void of selfishness and fear? Grant.

Oh, the need of One, could do Work for twenty, stanch and true, Taciturn through praise and blame— One, disaster could not daunt, Firm, decided as the name. Grant!

When our leaders weaken, then Who was master over men? While dismay the Nation smote. Thoughtful, wise, of anger scant, Greatest who, in plainest coat? Grant.

Faithful to the foulest friends. Duped by rogues for paltry ends, You were like the wholesome earth, Home for oak and poison-plant! Fair and foul but raised your worth, Grant.

Though the last dark field you plow, Fearless then, no fear is now, Great our General! What is night? Shades that o'er the landscape slant-All beyond them, glorious Light, Grant!

Even as all-victorious Sun, For like him you cannot die; Dawns your lofty deeds will chant: Hark! the coming sons cry-"Grant, Grant!" New York, March 30, 1885. -N. Y. Times.

POLITICAL POINTS.

- The Democratic Spring bonnet will be trimmed in black and worn low down over the eyes. - Louisville Commercial, Ind. - The New York Mugwump

wears his ears away back on the nape of his neck, so as to leave room for his smile of satisfaction.-Phil. Record, Ind. -The Mugwumps are breathing more easily. President Cleveland has

looked at them through a magnifyingglass and recognized them.-Phil. Press, - The latest report is that, in one year's time. Gen. Vilas will return to his law practice and be succeeded by Hon. Jo-

seph E. McDonald .- Augusta Chronicle, - The Mugwump is likely to have four years of April weather-of alternate cloud and sunshine, with occasional intervals when he will be at a loss whether to

laugh or to cry .- Brooklyn Eagle, Dem. -Of President Cleveland's appointees vesterday one was a brother-inlaw of Carl Schurz and another was a brother-in-law of James Gordon Bennett. It is evidently an advantage to be a brother-in-law of prominent people nowadays.-Balt. American, Rep.

DRAMATIC NOTES.

- Miss Emma Thursby is to be given a complimentary reception by Miss Cleveland at the White House next Thursday evening.

- Marie Van Zandt, the American singer, who was, not long ago, driven out of Paris, by the slanderous tongues of her enemies, has returned, after great triumphs in St. Petersburg, and conquered the fickle Parisian public.

- Lawrence Barrett was the Captain of Company B. Twenty-eighth Massachusetts Regiment, and served in that capacity during the war from October 8, 1861, till August, 1863. He has just contributed a large sum to the monument fund

of the regiment. - Mr. Henry Irving, who has read several thousand columns of intelligent dramatic criticism in the American newspapers during the past two years, delivered a lecture yesterday on the Art of Acting to the students of Harvard College. He managed to compress his knowledge in seven columns.—New York World.

Persons afflicted with consumption are proverbially uneonscious of their real state. Most cases commence with disordered liver, leading to bad digestion and imperfect assimilation of food-hence the emaciation, or wasting of the flesh. It is a form of scrofulous disease, and is curable by the use of that greatest of all blood-cleansing, anti-bilious and invigorating compounds, known as Dr. Pieree's Golden Medical Discovery.

NOTICES OF THE PRESS:

Three Months " "

The STAR is decidedly one of the best papers in the State, as bright and newsy as ever. Long life to it.—Salem Press. The Wilmington Star has entered on its twelfth year—as good a paper as any people should want.

— Charlotts Democrat.

The Wilmington Star has entered on ts twelfth year. As a daily journal of news it stands "up head."—Concord Register The Wilmington Star has entered its twenty-fifth volume. There is no better paper published in the State.—Lenoir Topic. The Wilmington Star has entered upon its thirteenth year. It is one of the best papers in the State.—Warrenton Gazette.

The Wilmington STAR has entered its thirteenth year. It has become one of the leading papers of the South.—Oxford Torchlight. The Wilmington STAR is not only one of the best edited papers in the State, but for freshness of news and typograpical appearance cannot be beaten.—Jackson Reporter.

The Wilmington Star is one of the very best papers in the South, in every department from typo graphy up to editorial ability and independence.

Petersburg (Va.) Index-Appeal. The Wilmington (N. C.) Morning Star is a mod, el newspaper. Indeed, we think we do not exaggerate its merits when we say it is the newsiest (secular) paper published in the South.—Richmond (Va.) Religious Herald.

The Wilmington STAR has now entored upon its thirteenth year and twenty-fifth volume. One of the best conducted and edited papers in the South and, as a North Carolinian, we are proud of it.—

Tarboro Southerner.

We like the STAR because it is thoroughly reliable, candid, fearless, and so well and ably edited newsy, spicy, and in fact a perfect newspaper. Long may the STAR twinkle.—Mt. Airy

Although at the head of the press in this State in all that makes a paper valuable to the reader, still it continues to improve. It is a STAR of the first magaitude. May its lustre never wane.—
The Free Will Baptist. The STAR is so well and favorably known in this section of the State, that we can say nothing of which its thousands of readers do not already know. It is in every respect one of the best dailies in the South.—*Hobesonian*.

That magnificent beaming STAR has completed its twenty-second volume. It is one of the most brilliant, erudite and sparkling dailies south of the Potomac. The system in the get up of the paper surpasses them all.—Tarboro Southerner. The Wilmington STAR has entered on its twelfth year. It is a most excellent newspaper, well edited, a compendium of all the news of the day, and an honor to its city, to North Carolina and to North Carolina journalism.—Charlotte Observer. The Wilmington Star is now taking the regular midnight Associated Press reports, and has besides increased the amount of its reading matter. The Star is an excellent paper. Its prosperity is not surprising since it is so deserving.—Charlot's Observer.

The Times cannot say a word too good for Wilmington STAR. It has just reached one of its many birthdays. As a newspaper it is a favorite with the State press and is sought after by the people. Long and prosperous life to it.—Reidsville Times

The Wilmington Star, we are pleased to notice, still continues on the high road to success. We esteem the Star very highly, regarding it as one of the very best of our exchanges, and consider it the peer of any journal published in the South.—Oxford Free Lance.

Why is it that all the papers with the name of Star are such bright little journals? The Wilmington (N. C.) Star, the Washington Star, the Fredericksburg Star, New York Star, for example. There must be something in a name after all.—

Richmond (Va.) State. The Wilmington Star has entered uponits 12th volume, and we are pleased to notice still continues on the road to success. We esteem the Star

very highly, regarding it as one of the very best newspapers that comes to this office. Its news columns are always a little fuller than those of any other of our exchanges, and its editorial desartment is conducted with much ability.—Mcr-Humble in its beginnings, as was inseparable from an enterprise begun amid the wreck of for-tune that attended the collapse of the Southern Confederacy, the Stan has steadily "waxed" until it now beams resplendent in the full glow of a constantly brightening prosperity. As a neweraper it has few equals, and no superior, for arrespriate selection and judicious arrangement, and we are proud to rank it among our most accepta; ble exchanges.—Hillsboro Recorder.

ble exchanges.—Hillsboro Recorder.

The Wilmington Morning Star has entered upon the thirteenth year of its existence, and we take this opportunity to congratulate it upon its prosperity and deserved popularity. The remarkable success of the Star is due to its strict attention to business. The boast of the Star (rightfulity too) is that it always has the news, and this is the first thing in journalism. Otherwise the paper is all that the term of "good newspaper" implies, and its corps of editors and reporters are thoroughly educated newspaper men. May the healthy, moral influence of the Star never be retarded, and may its genial enterprising proprietarded, and may its genial enterprising proprie-tor enjoy many more happy years of usefulness. —Geldsboro Messenger.

__IN__ GOUT, RHEUMATISM, AND DISEASES GENE-

RALLY OF URIC ACID DIATHESIS.;

DR. JAMES L. CABELL,

Professor of Physiology and Surgery in the Med-ical Department of the University of Virginia and President of the National Board of Health, and former Resident Physician, Hot Springs,

"The water of Spring No. 2 contains in notable quantities two of the Alkalies, which are accredited as extremely valuable in the treatment of Gout, Lithiasis, and Liver Affections. I refer to the Carbonates of Potash and Lithia. It is now well known that both of these alkaline carbonates have an ascertained value in cases of Uric Acid Diathesis connected with Gravel, and in cases of Unic Acid Diathesis connected with Gravel, and in cases of Chronic Gout, because of their affinity for Uric Acid, and the great solubility of the salts which are formed by their union with that acid."

DR. ALGERNON S. GARNETT, Surgeon (Retired) U. S. Navy, Resident Physician Hot Springs, Ark. "My experience in the use of Buffalo Lithia

"My experience in the use of Buffalo Lithia Water is limited to the treatment of Gout, Rheumatism, and that hybrid disease 'Rheumatic Gout' (so called), which is in contradistinction to the Rheumatoid Arthritis of Garrod.

"I have had excellent results from this Water in these affections, both in my own person and in the treatment of patients for whom I have prescribed it. Of course the remedial agent is its contained Alkalies and their solvent properties.

"Hence, it is a prophylactic as well as a remedy in Nephritic Colic and forming Calculi, when due to a redundancy of Lithic Acid."

Member Medical Society of Virginia, Resident Physician Hot Springs, Va. "I feel no hesitancy whatever in saying that in lout. Rheumatic Gout, Rheumatism. Stone in Gout. Rheumatic Gout, Rheumatism, Stone in the Biadder, and all diseases of Uric Acid Diathesis, I know of no remedy at all comparable to Buffalo Lithia Water, Spring No. 2. In a single case of Bright's Disease of the Kidneys I witnessed very marked beneficial results from its use, and from its action in this particular case, I should have great confidence in it in this disease."

DR. W. B. TOWLES.

DR. T. B. BUCHANAN,

Resident Physician, Hot Springs, Ark. "Send me five cases Buffalo Lithia Water, Spring No. 2. I have made use of this Water for Gout in my own case, and prescribed it for patients similarly suffering, with the most decided beneficial results. I take pleasure in advising Gouty patients to these Springs."
