EX-PRESIDENT GRANT.

Memorial services at St. Stephen's A. M. E. Church.

Memorial services in honor of ex-President U. S. Grant, whose funeral obsequies took place in New York yesterday, were held at St. Stephen's A. M. E. Church at 2 p. m., under the auspices of J. C. Abbott Post No. 35, Grand Army of the Republic, of which Geo. L. Mabson is commander.

The colored firemen did not make their appearance to escort the Grand Army Post. Otherwise the programme as published in the STAR was carried out.

An appropriate eulogy, replete with biographical sketches of Gen. Grant's war and civil records, was delivered by Mr. Stacey VanArman, which was preceded by a touching prayer by Rev. J. W. Telfair, the pastor of St. Stephen's Church.

The services were interspersed with appropriate music. The church was very tastefully decorated and draped with mourning.

A feature of the occasion were the ritualistic services by the Grand Army Post. There was a large attendance at the church. G. P. Bourk officiated as master of ceremonies.

During the day the flags of the City Hall, Custom House, Court House, the German Imperial Consulate, and of the British, Swedish, Norwegian and Danish, and the Argentine Republic Vice Consulates were at half-mast.

The Custom House, Court House and Postoffice were draped in mourning.

The following resolutions were furnished for publication by the committee of the Board of Aldermen, appointed at the meeting on Monday evening last to prepare suitable resolutions with reference to the death of ex-President Grant:

1st. The Mayor and Board of Aldermen of the city of Wilmington have heard with profound regret of the death of General U. S. Grant after his protracted and patient sufferings.

2nd. Without referring particularly to the endowments which justly made him famous throughout the world, and to his many excellent personal qualities, we desire to put on record our lasting recollection of the magnanimity and forbearance which characterized his treatment of the South at the close of the late war, and to commend especially his noble utterances in the closing moments of his life, towards healing the wounds of that unhappy event and reuniting the people of the whole country in the bonds of fraternal love.

3rd. It is with great pleasure that we find our feelings prompted us as spontaneously to extend to his bereaved family and to our brethren at the North a sincere sympathy at their and the country's loss.

4th. That a copy of these resolutions be sent his family and be spread upon the minutes of this Board.

Second Advent Conference to be held in this City—A Statement of their Belief.

What is known as the Piedmont A. C. Conference will convene with the 2nd Advent Baptist Church of this city at 12 o'clock on Monday, Aug. 13th, and continue its session until the following Sunday night.

For the benefit of those interested we have been furnished with the following concerning this peculiar people. This conference, says our informant, is composed mostly of members and churches once Missionary Baptists, but excluded from the several churches and associations by reason of their peculiar faith, as follows: Conditional immortality; that is, they hold that God alone has immortality, and man must seek for it, or die the second death; that death is the opposite of, and extinction of, life; hence when a man dies he is neither in heaven or hell, paradise or purgatory, but silent in the grave, from which he shall arise on the last day to enter upon eternal life, if worthy, or, to die the second death, if unworthy.

They argue that if men are sent to heaven or hell at death, then the resurrection and judgment are of no consequence. They deny the eternal torment of the wicked, but argue that the wicked will die the second death and be no more. They hold that the whole earth is to be purified by fire and made new, and that Christ will reign in the new earth as King. As to the matter of baptism, they announce themselves as uncompromising immersionists.

An Arny. The case of Thomas Huggins, the colored boy charged with slaying with a pitchfork an old colored man named Stephen Claraday, some mention of which was made in yesterday's STAR, was up for preliminary hearing before Justice Hall, yesterday morning.

The evidence went to show that the difficulty was more in the character of an affray, the testimony of the boy, if to be believed, even making it appear that the old man commenced the difficulty and used the pitchfork before he did.

Two slight marks on the body show where the prongs of the pitchfork penetrated, but the Court was of the opinion that the wounds were anything but serious. At the conclusion of the testimony Huggins was required to give bond in the sum of \$50, and Claraday in the sum of \$100, for their appearance at the next term of the Criminal Court, failing in which they were sent to jail.

The "Short-Cut." Col. Fleming Gardner, Chief Engineer of the Wilson & Fayetteville "Short-Cut," is here on a brief official visit. He informed a STAR representative that the road will be completed sometime in 1886, certainly in time for the cotton season of that year.

The distance from Wilmington to Fayetteville by this route is about 176 miles, and it is calculated that the run will be made, by day train, between the two points in about six hours. Col. Gardner speaks most encouragingly of the country through which this road passes, and looks for a heavy local traffic.

There was a heavy storm at Laurinburg Friday night.
