Farmers from every part of the county have been here this week. They are all in the best of humor with regard to the crops. - Lexington Dispatch: Mr. Ran-dall Clinard's barn was struck by lightning

A friend is responsible for the following receipt for the prevention of postage stamps adhering or sticking together when enclosed in letters: "Pass the glue side of the stamp over some of the hairs on your

dwelling on Third, between Orange and Ann streets, for Mr. Wm. Latimer. It will be two stories high, with basement. The old Latimer building, northwest corner of Orange and Third streets, has been thoroughly remodeled and finished off with heavy cornices and other ornamentations, and when completed will be one of the handsomest dwellings in the city. That particular section of the city has been greatly improved during the last few years.

Rev. E. S. Alderman is making good use of his vacation. He preached a week at Well's Chapel, Sampson county, conducting a revival; then spent a short time at home, and the next Sunday commenced a week's meeting at Lisbon, Sampson county, and the next Monday a week at Concord. We learn that the meeting at Well's Chapel resulted in the conversion of eighteen persons, and the one at Lisbon of seven or eight. The success of the meeting at Concord is not yet known. Next Sunday he will fill the pulpit of the Second Presbyterian church in this city. He is winning golden opinions wherever he goes.

Eastern Visitors at Blowing Rock. WHO IS MRS. WINSLOW ?—As this question is frequently asked, we will simply say that she is a lady who for upwards of thirty years has unti-ringly devoted her time and talents as a female Physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as a surse and physician, she has compounded a Soothing Syrup for children teeth-ing. It operates like magio-giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article Mrs. Wins-low is becoming world-renowned as a benefactor of her race; children certainly do arss up and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are name simmortalized her name by this invaluable arti-cle, and we sincerely believe thousands of chil-dren have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No Morners has discharged her duty to her suffer-ing little one, in our opinion, until she has given if the benefit of Mrs. Winslow's Soothing Syrup Try it, mothers-ray r sow.—Ladies' Weider, New York City.
