RALLY OF URIC ACID DIATRESIS.

DR. JAMES L. CABELL,

Professor of Physiology and Surgery in the Med-ical Department of the University of Virginia and President of t e National Board of Health, and former Resident Physician, Hot Springs, Virginia

The water of Spring No. 2 contains in nota-ble quantities two of the Alkalies, which are ac-created as extremely valuable in the treatment created as extremely valuable in the treatment of Gout, lithiasis, and Liver Affections. I refer to the Carbonates of Potash and Lithia. It is now well known that both of these alkaline carbonates have an ascertained value in cases of Uric Acid Diathesis connected with Gravel, and in cases of Chronic Gout, because of their affinity for Uric Acid and the great solubility of the salts which are formed by their union with that acid."

DR. ALGERNON S. GARNETT. Freen (Retired) U. S. Navy, Resident Physician

Hot Springs, Ark. "Vy experience in the use of Buffalo Lithia Water is limited to the treatment of Gout, Rheumatism, and that hybrid disease 'Rheumatic Gout' iso called), which is in contradistinction to the Rheumatoid, which is in contradistinction to the Rheumatoid Arthritis of Garrod.
"I have had excellent results from this Water in these affections, both in my own person and in the treatment of patients for whom I have pre-scribed it. Of course the remedial agent is its contained Alkalies and their solvent properties. "Hence, it is a prophylactic as well as a reme-iv in Nephritic Colic and forming Calculi, when due to a redundancy of Lithic Acid." DR. W. B. TOWLES,

Member Medical Society of Virginia, Resident Physician Hot Springs, Va. "I feel no hesitancy whatever in saying that in Gott. Rheumatic Gott, Rheumatism, Stone in the Biadder, and all diseases of Uric Acid Diathesis, I know of no remedy at all comparable to Buffalo Lithia Water, Spring No. 2. In a single case of Bright's Disease of the Kidneys I witnessed very marked beneficial results from its use, and from its action in this particular case, I should have great confidence in it in this disease."

DR. T. B. BUCHANAN,

Resident Physician, Hot Springs, Ark. "Send me five cases Buffalo Lithia Water, Spring No. 2. I have made use of this Water for Gout in my own case, and prescribed it for patients similarly suffering, with the most decided Gouty patients to these Springs."

POLITICAL POINTS.

- "Brilliant in theory, but a practical humbug," is the verdict which Governor Marmaduke, of Missouri, renders on the Civil Service act.

- After a careful search of the records of this office I do not find Mr. Conkling's name as sponsor for any appointee,-Note from Collector Hedden, of New York.

—"With Justice Field," says the New Orleans States, Dem., "we believe that if Mr. Cleveland's administration is a success he will be re-elected, but if not, no Democrat can be elected in 1888." - The Cincinnati Enquirer pub-

ishes two columns of interesting rot about why Gen. Grant didn't accept a third nomination. Gen. Grant didn't accept a third nomination for the simple reason that he couldn't get it.—Phil. Times, Ind. Rep. - The ardent friends of the Civil

Service law have been inclined to deride the idea that any determined effort might be made to repeal it. More than a dozen Democratic Congressmen have proclaimed their intention to offer a repeal bill in Congress. - Wash. Star, Ind.

- The dissatisfaction among Democratic congressmen and others in regard to the present Civil Service law is becoming more pronounced daily. There is a decided sentiment growing in favor of repealing, or at least modifying the law so as to eliminate the most objectionable features .- Wash. Cor. Cincinnati Enquirer,

- Senator Brown, of Georgia, is reported as greatly disappointed with the Civil Service act and fearing that it will insure Democratic defeat this fall in New York. Ohio, and, possibly, in Virginia and Louisiana He looks upon the civil service question as certain to be the central issue in 1888, and is anxious that the Administration shall recede from its present position.-Phil. Press, Rep. Organ.

SOUTHERN ITEMS. - Only six copies of Miss Cleve-land's book have been sold in Atlanta.

Still Atlanta pretends to support the Administration. - Phil. Press. - A delegation of fifty practical farmers appeared before the proper com-mittees of the Georgia Legislature Monday and urged the appointment of a Bureau of

Immigration in that State. - Nausea, produced by the great smount of gush expended and the crocodile tears shed for the Grant family, has rendered us unable to get up much local news this week.—Dublin (Ga.) Gazette.

- We predict that in three years at the longest there will not be a single re-tail liquor shop in the State of Georgia. In less than a generation the people will look back into the past and talk about barrooms, and the children will ask, "What is

a bar-room?"—Toccoa (Ga.) News. - Mr. Keiley's home organ, the Richmond Dispatch, asserts that the Consul Generalship at Paris was Mr. Keiley's first desire, and that when he applied for it his supposed superior diplomatic qualifications suggested his appointment to a foreign mission.—N. Y. World.

- Gen. Fitzhugh Lee was "the 'observed of all observers," says the World, at the funeral of Gen. Grant. This was quite as true of him at the inauguration of Grover Cleveland, where, superbly mounted, he rode at the head of the Virginia troops as true a type of American soldier and gentleman as lives in our country .-Omaha Herald.

The Wilmington Star has entered its thirteenth year. It has become one of the leading papers of the South.—Oxford Torchlight. The Wilmington STAR is not only one of the best edited papers in the State, but for freshness of news and typograpical appearance cannot be beaten.—Jackson Reporter.

The Wilmington Star is one of the very best papers in the South, in every department from typo graphy up to editorial ability and independence.

Petersburg (Va.) Index-Appeal. The Wilmington (N. C.) Mornine Star is a mod el newspaper. Indeed, we think we do not exaggerate its merits when we say it is the newsiss (secular) paper published in the South.—Richmond (Va.) Religious Herald.

The Wilmington Stan has now entered upon its thirteenth year and twenty-fifth volume. One of the best conducted and edited papers in the South and, as a North Carolinian, we are proud of it.—

Tarboro Southerner.

We like the Stan because it is thoroughly re-liable, candid, fearless, and so well and ably edited newsy, spicy, and in fact a perfect news-paper. Long may the Stan twinkle.—Mt. Airy Visitor. Although at the head of the press in this State in all that makes a paper valuable to the reader, still it continues to improve. It is a STAR of the first magaitude. May its lustre never wane.—

The Free Will Baptist.

The STAR is so well and favorably known in this section of the State, that we can say nothing of which its thousands of readers do not already know. It is in every respect one of the best dai lies in the South.—Rebesonian.

The Wilmington Stab has entered on its twelfth year. It is a most excellent newspaper, well edited, a compendium of all the news of the day, and an honor to its city, to North Carolina and to North Carolina iournalism,—Charlotte Observer. That magnificent beaming Star has completed its twenty-second volume. It is one of the most brilliant, erudite and sparkling dallies south of the Potomac. The system in the get up of the paper surpasses them all.—Tarboro Southerner.

The Wilmington STAR is now taking the regular midnight Associated Press reports, and has besides increased the amount of its reading matter. The STAR is an excellent paper. The Wilmington Star has entered uponits 12th volume, and we are pleased to notice still continues on the road to success. We esteem the Star very highly, regarding it as one of the very best newspapers that comes to this office. Its news columns are always a little fuller than those of any other of our exchanges, and its editorial deacriment is conducted with much ability.—Merganton Riads.

Humble in its beginnings, as was inseparable from an enterprise begun amid the wreck of fortune that attended the collapse of the Southern Confederacy, the STAR has steadily "waxed" until it now beams resplendent in the full glow of a constantly brightening prosperity. As a neweraper it has few equals, and no superior, for apprapriate selection and judicious arrangement, and we are proud to rank it among our most acceptable exchanges.—Hillsboro Recorder.

The Wilmington Morning Star has entered up-The Wilmington Morning Star has entered upon the thirteenth year of its existence, and we take this opportunity to congratulate it upon its prosperity and deserved popularity. The remarkable success of the Star is due to its strict attention to business. The boast of the Star (rightfully too) is that it always has the news, and this is the first thing in journalism. Otherwise the paper is all that the term of "good newspaper" implies, and its corps of editors and reporters are thoroughly educated newspaper men. May the healthy, moral influence of the Star never be retarded, and may its genial enterprising proprietor enjoy many more happy years of usefulness.—Goldsboro Messenger.
