At Hillsboro, on Tursday, Mrs. Leander Fowler was burned to death by an explosion of kerosene oil. She was using it to light a fire in a stove. The old, old story. — Gov. Holden yesterday presented to Peace Institute, through Capt. J. B Burwell, a life size portrait of the late William Peace, after whom the institution is named. The portrait is the work of William Garle Brown, so well known as an artist throughout the country, and is said by those who knew Mr. Peace during his life to be a most excellent likeness. — News was brought here last evening that Capt. Drummond, of the Scaboard line, was arrested in Northampton county yesterday. It appears that he was wanted as a witness in a suit against the road for killing a cow. He declined to leave his train. The sheriff summoned a posse and removed him by main force. I created quite an excitement. - Mr. E. M. The Foster Case.

The Savannah News of Saturday gives the following account of the preliminary examination of H. E. Foster, whose arrest has heretofore been announced in the STAR: "Ex-Postal Route Agent H. E. Foster, of Wilmington, N. C., was given a hearing before United States Commissioner Erwin yesterday, and was held for court in \$700 bond. The defendant was charged with the abstraction of a registered letter from the mails on August 22.

"United States District Attorney S. A. Darnell conducted the prosecution, and James Atkins, Esq., represented the defendant. William H. Culpepper, Assistant Postmaster at Camilla, Ga., testified that a registered letter containing \$89 was mailed for Savannah August 21. The letter was delivered to J. C. Few, Postal Clerk on the train, who receipted for it. The letter next passed into the hands of Dawson B. Snelson a Postal Clerk on the route between son, a Postal Clerk on the route between Chattahoochee and Waycross. Snelson receipted for it at Thomasville, August 22. It was numbered 70, and Snelson wrote a description of it in a book kept for the

purpose.

"H. E. Foster, who was at that time running between Charleston and Jackson-ville, next received No. 70, and gave a receipt for it. What became of the letter after that is unknown to the authorities:

"Geo. F. Tyson, who receives the registered packages at the railroad depot in this city, stated that he received only 32 letters from Foster on the night of August 22, and receipted for 32. When the mail reached the postoffice the registry clerk, John F. Rowland, did not see No. 70, so he testified, and he was positive that it was not received there. Tyson did not receipt for the 32 letters separately, but counting them over receipted for the whole number. Among those receipted for was No. 70, the one which Tyson says he did not receive. There was also one, No. 272, from West Wynton, Fla., to Savannah, which was not on the list receipted for, but which was in-cluded in the 32. The theory of the prosecution was that Foster abstracted No. 70, but did not enter No. 272 on his book, knowing that in the hurry of transfer the letters would be counted and receipted for in a lump. The defendant took the stand and stated that he knew nothing about the matter that could explain what became of

"I can make no explanation except what the book makes, he said. The book shows that I received a receipt for No. 70 from 'The counsel for the defence contended on Foster. The defence neither admitted nor denied turning the letter over to Tyson. but maintained that if Tyson did not get the letter, although he receipted for it, the

package was lost. "The case will come up at the next term of the United States District Court."

A Fine Sermon.

Rev. Peyton H. Hoge, of Richmond, Va. who has been invited by the First Presbyterian Church of this city to become its pastor, occupied the pulpit on Sunday morning and evening. We heard the sermon at night and it was an excellent discourse of its kind. The text was II. Samuel, 17th chapter and 27-29th verses inclusive. Let the reader consult his Bible and he will not be able to imagine how interesting and edifying a sermon was constructed out of those somewhat curious verses. Mr. Hoge reminds one of his eloquent and distinguished uncle, both physically and mentally. He is very tall, thin, and nervous. His voice is peculiar rather, but not disagreeable. He has some deep tones, and he speaks with fluency and felicity, using notes only. The discourse at night had some striking passages, delivered with much earnestness. Once or twice his rushing periods kindled into eloquence. His style is descriptive, and, like Dr. Hoge, he enforces Scriptural truths and principles by personal illustrations. To us t was a really very entertaining discussion and was out of the beaten track of sermonizing. We shall not forget its general drift and arrangement for a long time.

A Sad Celamity,

The many friends of Deputy Sheriff W.R. Bordeaux, of Pender county, were shocked yesterday to hear of the painful death of this estimable gentleman. It seems that Mr. Bordeaux stopped a few moments at Clayton, Johnston county, last Saturday morning, on his way from Raleigh, where he had been to convey some prisoners to the penitentiary. While Mr. Bordeaux was conversing with some friends the train on which he was going home started off and was moving rapidly when he tried to board it, and was thrown under the cars, his left arm being broken in two places, and he besides receiving severa l injurie in the head.

His injuries were not at first thought likely to prove fatal, but after lingering until vesterday he died. Mr. Bordeaux was well known here and was respected by all who knew him. He was a young man of good habits and a member of the Presbyterian Church.

Criminal Court.

Criminal Court was opened here yesterday, Hon. O. P. Meares presiding. The following cases were disposed of:

State vs. Moses Bryant, charged with larceny. Defendant submitted and judgment suspended on payment of costs. charged with an affray. Defendants submitted and judgment was suspended on

payment of costs. State vs. W. R. Kenan, charged with frumming without a license. Not guilty. In all the other so called "drummer" cases there was an entry of nol. pros. with

Mayor's Court.

Elsie Evans, a colored damsel, was arraigned before Mayor Hall yesterday morning on the charge of having a dog without a badge, and also that said dog was a nuisence to the people of the Marine Hospital and the surrounding neighborhood. She was fined \$6.00, which was remitted on her consenting to kill the dog.

One case of disorderly conduct was continued until to-day.

We regret to say that our reporter, Mr. J. H. Muse, is again somewhat sick and is confined to his home.

He has at great expense introduced throughout the building all the improvements and conveniences to be found in the best buildings in New York, including gas, water, Demorest closets, ventilators, etc. The offices on the second floor are models of comfort. These are occupied by Messrs. A. H. Greene, J. W. Bolles, and others.

As a further evidence of Col, K.'s faith in our city, the store now occupied by Messrs. Kerchner & Calder Bros. is undergoing improvements which will add much to its appearance, and he has also purchased of Mr. Pembroke Jones the granite front store on Water street, and is making some improvements on it, which will change its whole appearance.

Fifth Street M. R. Church. Fifth Street Methodist Church is now bout nearly complete. It has been en larged very considerably, and reconstructed generally. The whole arrangement is different and very greatly improved. The side galleries have been taken down. The windows have been altered and very much improved. The seats are all new. In a word it is a transformation, and now Fifth Street M. E. Church is really a very neat and cosy building. All this is one of the results of the great revival which has proved great blessing to so many families and to se many young men. The pastor, Rev. Herndon Tuttle, has a band of some forty roung men who are active workers in the church. The improvements in the church were supervised by him as well as planned
