The Civil Service Case-Roswell P. Flower Declines the Nomination for Lieutenant Governor-Another Yacht

By Telegraph to the Morning Star.] NEW YORK, Sept. 26.—In the Civil Service case, Mr. Dorsheimer, in his argument said: The petition has no standing in court, because the right to a quo warranto writ only applied to usurpation of sovereign rights, and the United States alone could bring such action in United States courts, and then only through its appointed officers. Neither had the relator or his attorneys been deputized by the Attorney meral to commence such action, and the United States alone had the right to test the constitutionality of the act providing for the Commission. The rule as he stated it he said, was fully demonstrated in the case of Wallace against Anderson; the question in dispute being as to which of the two was entitled to public office. The writ of que warranto as applied for plaintiff was denied by the Chief Justice of the Supreme Court of the United States, on the ground that the United States only could sue for such writ, and then only through legally appointed officers. To bring action properly, he maintained that the relator should have applied to the Executive and to the judicial authority. The contention of Mr. Dorsheimer pre-

vailed, and the application was denied. WATERTOWN, Sept. 26.—Roswell P. Flower has addressed a letter to George Raines, Chairman of the late Democratic Convention, positively declining the nomination for Lieut. Governor.

NEW YORK, Sept. 26.—The Dauntless and Genesia started from Sandy Hook at 4 o'clock this afternoon, to race for the Cape May cup. Wind south and fifteen miles an hour. Weather fair.

Dramatic Scene in the Court Room at Muncie-The Tobacco Crop Uninjured by Frost. [By Telegraph to the Morning Star.]

MUNCIE, Sept. 26 .- There was a dramatic scene in court here yesterday. Bishop and Oney Scott and Frank Poor were on trial for the murder of Wm. Haynes, March 24, at Eaton. Bishop Scott shot Haves and Oney and Poor are alleged accomplices. Oney Scott, whose wife is seriously ill and whose father has gone almost blind from grief, was testifying when suddenly Bishop Scott's mind gave way and he became helplessly insane. The crowd surged about, his sister screamed, and amid the wild excitement he was removed to jail. Four men were required to hold him. Physicians state that the case is genuine.

Physicians who examined him testified this morning that he is msane, perhaps permanently. The Court thereupon terminated the trial and dismissed the jury. The State had just closed its testimony and Scott was the first witness for the defence.

EVANSVILLE, Sept. 26.—Interviews by a Journal representative with large leaf tobacco buyers shows that fears of injury to that crop by frost are unfounded. Bo far no serious damage has resulted to the crop in any way in this section of the country, WYUMING.

The Chinese Trouble at the Mines-Mormons to Take the Places of the Striking Miners.

(By Telegraph to the Morning Star.) RAWLINS, September 26.—It was learned last night from what is believed to be an official source that there will be no strike on the Union Pacific Railroad. The reason given is that the Knights of Labor, by organizing a strike would practically in-dorse the killing of the Chinese at Rock Springs; so they have determined to settle the trouble by more peaceable means. The Chinese are all at work in Rock Springs mines and considerable coal is being turned out. A few white miners have accepted passes to other points. Those remaining refuse to go to work. The railroad company has, it is said, made arrangements to import two hundred Mormons from Utah and Idaho to take their places in the mines. Winter quarters are being constructed for he troops now here.

Walter, over a year ago on Tangier Island, was concluded last night and the case was given to the jury. The jury were unable to agree until to day, when a verdict was rendered of five years in the penitentiary. The case has attracted great interest throughout Eastern Vicginia and Maryland, owing to the prominence of the prisoner's family and the extraordinary efforts made both by the prosecution and defence. Solicitor General Goode appeared among the counsel for the prosecution. This was the second trial; the first resulting in a sentence of 18 years in the penitentiary. The prisoner will be sentenced Monday.

The only case for Mayor Hall's consideration yesterday morning was that of a young colored man who gave his name as Clinton Fair. He was arrested Friday night for acting in a suspicious manner. peering here and there and gazing into shops and stores he was passing. When brought into court it did not take long to discover that the young fellow was "deficient in the upper story." He seemed to take no notice of what was going on in the court room, and while His Honor was addressing some remarks to him he suddenly fixed his eyes upon the time-piece suspended in the room and blurted out excitedly, "Is that a clock!" He could give no account of himself, and seemed to have no idea at all as to where he came from. He was sent below to await an examination.

WHO IS MRS. WINSLOW?—As this question is frequently asked, we will simply say that she is a lady who for upwards of thirty years has untiringly devoted her time and talents as a female Physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as a surse and physician, she has compounded a Soothing Syrup for children teething. It operates like magic—giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article Mrs. Winslow las becoming world-renowned as a benefactor of her race; children certainly do ruse ur and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are DAILY sold and used here. We think Mrs. Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No Mornus has discharged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs. Winslow's Soothing Syrup Try it, mothers—Try it now.—Ladies' Visitor, New York City.
