Earthquake Waves Reported on the Pacific Coast-Reappearance of Cholera at Gibraltar-The Chinese Troubles in Washington Territory - A Domestic Tragedy - Speaker Carlisle's Condition Much Improved.

(By Telegraph to the Morning Star.) WASHINGTON, Nov. 20 .- The Coast Survey reports great earthquake waves on the Pacific coast. At San Francisco, as indicated on the Coast Survey tide gauge, these earthquake waves were noticed resterday afternoon between 1 and 8 o'clock p. m. They were thirty-five minutes apart and were as great as those observed during the great upheaval in Java some years since.

The Department of State has been advised of the reappearance of cholera in

Attorney General Garland has notified District Attorney White at Tacoma, Washington Territory, that he will be given whatever legal assistance he may require in prosecuting persons arrested for complicity n attacks recently made on Chinese residents of that locality. WARHINGTON, November 20.—Speaker

Carlisle's condition is very much improved. He was able to leave his bed to-day. Louis Sommerfield, a Pole, aged 52 years, to-day shot and instantly killed his wife and Gotlieb Eisenbaum, at the latter's saloon in the northeastern part of the city. Sommerfield's wife, it appears, left him some weeks ago and has since been living at Eisenbaum's. Eisenbaum was a son-in-law of Mrs. Sommerfield. Various reasons are assigned as causing the tragedy; but a bottle of whiskey found in Sommerfield's pocket when arrested was probably the most recent and direct cause.

Helena Astonished by a Flight of Grasshoppers.

[By Telegraph to the Morning Star.] HELENA, Nov. 20 .- The citizens of Helena were aroused at an early hour yesterday morning by what many of them at first thought to be a heavy rain storm, but on looking out they were surprised to see the clear sky filled with what appeared to bs snow-flakes and not rain, that was pattering with such force against the roofs and windows of the houses. Investigation proved that the air was filled with grasshoppers. Citizens who have seen the dread ed pests sweep down and consume whole fields in Kansas say that in numbers the visitation last night exceeds anything ever seen in that country ten-fold. They were passing from east to west. Great numbers of them were disabled by hitting against buildings and other obstructions, as they were flying very low, and porters and clerks had to shovel them from the sidewalks into the streets. They are genuine Kansas grasshoppers.

A Mysterious Drowning Accident in Patapsco River-Suit for Damages Against the Baltimore & Ohio Rail-

(By Telegraph to the Morning Star.) BALTIMORE, Nov. 20.-Capt. John Abbott, Robert Treanor, mate, and Patrick Tally, a hand, were drowned yesterday afternoon, near the mouth of the Patapace river, as alleged, by falling from the deck of the schooner John Nichols. They are said to have all fallen together, and all sank at the same time. The vessel returned to port and the police have begun an in-

Suit was brought to-day against the Baltimore & Ohio Railroad Company by Wm. B. Chew, who lays his damages at \$25,000. Chew was formerly conductor on the road, was arrested and tried for embezzling \$15 and acquitted. The suit is for false arrest and malicious prosecution.

A Murderer Executed at Thomaston, Maine-A Murderer Hanged at Yorktown, Va.

[By Telegraph to the Morning Star.]

THOMASTON, Nov. 20 .- Daniel Wilkinson was hanged here to-day for the murder of Officer William Lawrence, whom he shot when Lawrence attempted to arrest him for burglary. Wilkinson is not his name, but is the one under which he has been tried and convicted, and he refused to reveal his correct name. He walked to the scaffold with a firm step and stood upon the drop without a tremor. He was clad in black and his arms were bound to his side. As the noose was being adjusted he said to the sheriff, "you fellows get fifty dollars a day for such work." He had nothing further to say, but listened attentively to the service for the dying. At just 12 o'clock the trap was sprung and he fell a distance of seven feet, dying without
