Many suffering people drag themselves about with failing strength. feeling that they are steadily sinking into the grave, when by using Parter's Tonic they would find a cure commencing with the first dose, and vitality and strength surely coming back to them.
"I am 63 years old; have been sick nearly all my life, and ought to know something about me dicine by this time. I have used Parker's Toni freely for more than a year, and consider it the best remedy I have ever known. In fact, I new find no other medicine necessary. For weakness, debility, rheumatism, and that distressing all-coneness and pain from which I suffered so long, it has no equal. I do not see how any one can afford to do without so valuable a medicine."—Mrs. Hattie N. Graves, cor. East and Front sts.,

Buffalo Lithia Water

__IN___ GOUT, RHEUMATISM, AND DISRASES GENE-

RALLY OF URIC ACID DIATHESIS.;

DR. JAMES L. CABELL,

Professor of Physiology and Surgery in the Med-ical Department of the University of Virginia and President of the National Board of Health, and former Resident Physician, Hot Springs, Viscolar

'I'fle water of Spring No. 2 contains in notable quantities two of the Alkalles, which are accredited as extremely valuable in the treatment of Gout, Lithiasis, and Liver Affections. I refer to the Carbonates of Potash and Lithia. It is now well known that both of these alkaline carbonates have an ascertained value in cases of Uric Acid Diathesis connected with Gravel, and in cases of Chronic Gout, because of their affinity for Uric Acid, and the great solubility of the salts which are formed by their union with that acid."

DR. ALGERNON S. GARNETT,

urgeon (Retired) U. S. Navy, Resident Physician Hot Springs, Ark. "My experience in the use of Buffalo Lithia Water is limited to the treatment of Gout, Rheunatism, and that hybrid disease 'Rheumatic Gout' (so called), which is in contradistinction to dout' (so called), which is in contradistinction to the Rheumatoid Arthritis of Garrod.

"I have had excellent results from this Water in less affections, both in my own person and in the treatment of patients for whom I have prescribed it. Of course the remedial agent is its contained Alkalies and their solvent properties.

"Hence, it is a prophylactic as well as a remedy in Nephritic Colic and forming Calculi, when due to a redundancy of Lithic Acid."

DR. W. B. TOWLES.

Member Medical Society of Virginia, Resident Physician Hot Springs, Va. "I feel no hesitancy whatever in saying that in Gout. Rheumatic Gout, Rheumatism, Stone in the Biadder. and all diseases of Uric Acid Diatesis, I know of no remedy at all comparable to Buffalo Lithia Water, Spring No. 2. In a single case of Bright's Disease of the Kidneys I witnessed very marked beneficial results from its use, and from its action in this particular case, I should have great confidence in it in this disease."

DR. T. B. BUCHANAN. Resident Physician, Hot Springs, Ark. "Send me five cases Buffalo Lithia Water, Spring No. 2. I have made use of this Water for Gout in my own case, and prescribed it for patients similarly suffering, with the most decided beneficial results. I take pleasure in advising Gouty patients to these Springs."

IN THE KING'S BANQUETING HOUSE.

MARGARET SANGSTER.

I walk on my way with the others, I toil at my daily task; sometimes weary and carewors and sometimes I wear a mask, And cover with smiles and sunshine a heart that is full of tears;
And yet, and yet, there is joy divine, and
it crowns my burdened years.

For sometimes there comes a whisper in the silence of my soul; Rise up, my love, my fair one, and forget the sorrow and dole.

And come to the house of the banquet and feast with the King to-day." And oh ! when I hear the summons, is there aught except to obey ?

And what if the way be dreary and I some times think it long?
There's always, sooner or later, a bit of a cheery song.

And what if the clouds above me are sometimes thick and gray ?

There is never a cloud on the Mercy seat where I meet him day by day. So I go on my way with the others, I am often weary and spent;
But aye in my heart I am thankful, happy

and well content: For oft in the early dawning and oft at the fall of day

He calls me in to the banquet, and what

can I do but obey ?

PERSONAL.

-Twenty-five monuments to Napoleon I. are standing in the cities of France.

- The Duke of Edinburgh is to be appointed Lord High Admiral of the British navy. - Dante is coining more money

for Canon Farrar than he ever did for himself. - Chicago Inter Ocean. - Mr. Anthony M. Keiley, late Minister to Austria, has changed his resi-dence from Richmond to New York.

- Richard Grant White's violoncellos were sold in New York on Fridaya Bergonzi bringing \$600, an Amati \$250, and a Gagliano, \$250.

- Senator Miller, of California, is alarmingly ill at South Bend, Indiana, and his condition is such that he will not be able to be in Washington at the opening of the next session of Congress.

- Prof. Francis W. Newman. brother of the celebrated cardinal, is 81 years old, and yet hale, hearty and vigorous. The difference between the two is marked. The Professor is as stern a free thinker as the cardinal is orthodox.

- Sam Jones managed to keep out of the way of the cyclone in his North-western tour, but he has met with a terrible blow in the discovery that a bogus Sam Jones has been doing entirely successful revival work through several towns in Min nesota. - N. Y. World.

SOUTHERN ITEMS.

- A brilliant entertainment was riven Thursday at Polk Place, the residence of Mrs. James K. Polk, at Nashville, Tenu., the occasion being the debut of her grandniece, Miss Sadie Polk Fall. Mrs. Polk seemed to enjoy the festivities greatly, in spite of her 84 years.

- We learn that Mr. James A Harris, the orange king of Citra, Fla., has sold his crop of oranges on the trees for \$80,000. Being newly married and with a "pocket full of rocks," he is prepared to ive with all the reckless extravagance of the average editor, and we tender him our most distinguished congratulations on his good fortune.-Savannah Times.

POLITICAL POINTS.

- The Mugwumps have goaded Gov. Hill into appointing Sterling a Warden of the Port of New York. The Mugwumps are entitled to regard this as a great victory.—Philadelphia Press, Rep.

- The virtuous objections of the Press to Southern agitation for river and harbor appropriations are most impressive. "Take off the griddle—I'm through!"— Philadelphia Record, Ind. Dem.

- Mr. Beecher says that protection is the jugglery of the devil. The worst of it is, however, the price of admission to the show is so large that it is bankrupting the spectators. - Louisville Courier-Journal

- Mr. Carlisle is in better health and has begun his work of consulting the Democratic leader. His chief difficulty will be with Mr. Randall and with Mr. Bland, the latter of whom has a prescrip tive right to the chairmanship of the Bank ing and Currency Committee.-New York Times, Rep.

Mr. Gladstone attends divine service as a personal and political advertisement.

The Grand Old Man to the war has come, Confronting the foe you'll find him; We'll beat the charge on the Liberal drum, And close our ranks behind him. Grand old warrior, stout and bold, Though faithless friends betrayed him, We'll place the helm in his nonest hold

And with hearts and voices aid him. They've buttered and blustered, the've bullied and coaxed,
Their foes they have laughed at, their
friends they have hoaxed,
But their sleight of hand fails them, for

now there has come This ominous beat on the Liberal drum! Then respond to its beating, etc.

Dr. J. BRADFIELD'S Female Regulator

ATLANTA, GA , Feb. 20, 1884. DR. J. BRADFIELD; Dear Sir-Some fifteen years ago I examined the recipe of Female Regulator. and carefully studied authorities in regard to its components, and then (as well as now) pronounced it to be the most scientific and skilful combination of the really reliable vegetable agents known to science, to act directly on the womb and uterine organs, and the organs and parts sympathizing directly with these; and therefore providing a specific remedy for all diseases of the womb, and of the adjacent organs and parts.

Yours, truly, JESSE BORING, M. D., D. D. TE CAUTION LES

The country is flooded with quack nostrums, containing IRON and other injurious ingredients, which claim to cure everything-even FEMALE COM-PLAINTS. We say to you, if you value your life, BEWARE OF ALL SUCH!

Bradfield's Female Regulator is a purely vegetable compound, and is only intended for the FEMALE SEX. For their peculiar diseases it is an absolute SPECIFIC !

Sold by all druggists. Send for our treatise on the Health and Happiness of Woman, mailed free, which gives all particulars.

FIVE DOLLARS A YEAR. The foremost purpose of Braderreer's is to be of practical service to business men. Its special trade and industrial reports; its weekly epiciems of bankruptcies throughout the United States and Canada, and the summaries of assets and Habilities, are alone worth the subscription price; its synopses of recent legal decisions are exceedingly valuable. As commercial transactions, in the wider sense, are coming to be more and more conducted on a statistical basis, the information contained in Braderreer's is of the first importance both to producers and middlemen.

The Trade and Agricultural Situation throughout the United States and Canada is reported by Telegraph to Braderreer's up to the hour of publication.
