A War of Extermination to be Waged Against the Apache Indians. By Telegraph to the Morning Star.

DENNING, December 24.—Leading citizens of Silver City met on yesterday to devise means for prosecuting a war of exter-mination against the murderous Apaches. It was at first thought that the Government would purchase forty or fifty blood hounds to track the Indians; both Generals Crook and Bradley favoring the proposition as the only really available means of pursuing the red batchers. Word was received from Santa Fe that the army officers were willing to recommend the employment of blood-hounds, but thought it would be several months before the War Department would act upon their recommendations. Upon act upon their recommendations. Upon learning this, the citizens called a meeting and determined to raise money by subscription for the purchase of a pack of bloodhounds, and for again equipping and putting the local militis in the field. Wealthy ranchmen in attendance pledged over \$63,000 for the purchase of bloodhounds. It was also determined to raise a picked company of three hundred experienced Indian pany of three hundred experienced Indian fighters from several districts in the Territory, who will immediately take the field and campaign the remainder of the winter.

The Strike Situation in the Monongabels Valley.

[By Telegraph to the Morning Star.) PITTSBURG, Dec. 24.—There was no new developments in the miner's strike. The situation along the Monongahela Valley this morning is quiet and no trouble is anticipated. This afternoon miners of the First and Second Pools met in Wylie's Grove to consider the advisability of returning to work. It was the largest gathering since the inauguration of the strike; fully 150 strikers were present and considerable enthusiasm prevailed. After several speeches, mostly in favor of continuing the strike, a resolution to stand for three cents was carried almost unanimously. A general convention will probably be held at Monongahela City early next week. On Monday next a mass meet ing will be held at the Alliquippa mines, for the purpose of trying to persuade working miners to come out for an ad-

Recovery of the Bodies of Miners Entombed by a Snow-Silde. (By Telegraph to the Morning Star.)

DENVER, Dec. 24.—A special from Silverton says: The bodies of Burke Hovye and J. Scales, the two miners who were imprisoned in the Produgal Son Mine Tuesday, by a snow slide, were found at a late hour last night at the bottom of the shaft. Both bodies were packed in snow as in a mould. Hovey was found standing up-right on a piece of timber, six feet from the bottom of the shaft, while Scales was found standing at the bottom of the shaft The latter had a candle in his left hand, and was shading his eyes with his right and looking up as though to see what was coming down the mine. From appearances their death must have been instantaneous. Scales was from Orange, Tex., and Hovey from Woodstock, N. B.

IBy Telegraph to the Morning Star.]

INDIANAPOLIS, December 24.—The Exceptive Committee of the Hendricks Monument Association has been discussing a suggestion in the newspapers that Congress appropriate \$10,000 in aid of the construction of the memorial.
