

OF SWEET GUM AND MULLEIN The sweet gum, as gathered from a tree of the same name, growing along the small streams in the Southern States, contains a stimulating expectorant principle that loosens the phlegm producing the early morning cough, and stimulates the child to throw off the false membrane in croup and whooping-cough. When combined with the healing mucilaginous principle in the mullein plant of the old fields, presents in TAYLOR'S CHEROKEE REMEDY OF SWEET GUM AND MULLEIN the finest known remedy for Coughs, Croup. Whooping-cough and consumption; and so palasable, any child is pleased to take it. Ask your druggist for it. Price, 25c. and \$1. ROBERT BROWNING.

If one could have that little head of hers Painted upon a background of pale gold, Such as the Tuscan's early art prefers! No shade encroaching on the matchles

Of those two lips, which should be openings soft In the pure profile; not as when she laughs, For that spoils all; but rather as if aloft

You hyacinth, she loves so, leaned it's Burden of honey-colored buds, to kiss And capture 'twixt the lips apart for this; Then her lithe neck, three fingers might surround. How it should waver, in the pale gold

ground, Up to the fruit shaped, perfect chin it lifts! LITERARY GOSSIP.

Philadelphia; American. - Rhoda Broughton, after three years of rest, has another novel ready. - Mr. J. M. McCarthey, M. P.

is now authoritively announced as the author of "The Candidate." - Houghton, Mfllin & Co., will issue immediately a new edition of Macaulay's works in sixteen volumes.

- Prof. Huxley has written a further reply to Mr. Gladstone. It will appear in the next number of the Nineteenth Century,

- "What do you think English magazines pay their authors?" says the Boston Transcript. "Ten shillings a page, on the average.

- Prof. Alexander Johnston, of Princeton, has in preparation a work devoted to the history of the United States from 1840 to the present time.

- The Citizen is the title of a new monthly magazine devoted to questions of government and citizenship, which will appear this month in New York.

- Mr. F. Marion Crawford, it is stated, has finished two new novets-"A Lonely Parish," in which the scene is laid in an English village, and "Prince Sarresca," the history of a princely Roman family.

-In our notice of the New Princeton Review we were at fault in mentioning Prof. Alexander Johnston, of Princeton, as the editor; it is edited by Prof. Sloan. Prof. Johnston, we are also advised, is not a Mugwump, but has always been a Dem-

- A new edition of Mr. Cross's 'Life of George Eliot," has just come from the press of Harper & Brothers, containing new and important information relating to the subject of George Eliot's change of re-ligious belief in 1841.48 and recollections of the Coventry period of her life.

POLITICAL POINTS.

- The Democratic party has existed for many years without Grover Cleveland, and can survive the shock of a divorce that would relegate him to the foot of the ladder again .- Macon Telegraph, Dem.

- We believe Attorney General Garland to be a thoroughly honest and incorruptible man, and yet we wish he would throw-that Pan-Electric stock in the Potomac river .- Jacksonville (Fla.) Times-Union, Dem.

- Western newspapers that copy the very amiable articles in the New York press attacking Attorney General Garland and the Pan-Electric without getting col-umn rates for them are doing themselves a grave injustice.—Chicago Herald.

- Some one has suggested that in case of a vacancy Allen G. Thurman should be called to the Cabinet. Unless we very much much mistake, Ohio's honored statesman is not looking around for cast off shoes. The time to have called Allen G. Thurman was on the 4th of March, 1885.-Boston Globe: Dem.

- If Mr. Dorsheimer does not make of his Star a thorough-paced Democratic newspaper it will not be because there is not a gaping void for that sort of a publication in New York city. The most unscrupulous and malignant enemies of the Democratic Federal Administration anywhere in the country are the newspapers in New York which carry the party flag.— Phil. Record, Ind. Dem.

TWINKLINGS.

- The chief bull fighter of Madrid s said to make \$50,000 a year. - Apologies from the Mexican Government will not restore Captain Crawford to life. Neither will apologies satisfy iustice. There should be some hanging for

this murder. - San Francisco Post. - The Washington Post thinks here ought to be more seemliness and dignity in Congressional funerals. The country could easily afford that if they could only get more Congressional funerals.— Jacksonville (Fla.) Times.

- It is said that the Knights of Labor are boycotting the Kansas militia. If they want to get the sympathy of the coun try, let them proclaimthe boycott against the gallant rowdies that compose the National Guard of the State of Pennsylvania.—Sa-

Oh, sight most beautiful of all In this the age of cant, To see good Mr. Convict Fish At the tomb of General Grant;

Enough to make all sheol grin, And shade of Pecksniff pant With envy to see Mr. Fish At the tomb of General Grant. -Boston Post.

SOUTHERN ITEMS.

- The influence of the Knights of Labor is being felt in the business circles of Richmond, Va.—Baltimore Sun.

- The State does not neglect her humblest citizen. The poll tax is planned for the men who have no real estate to give in for taxation .- Macon (Ga.) Telegraph. -- It is regretted that George W. Childs did not visit the New Orleans Exposition on Creole day: Had he done so,

no doubt he would have learned something about the manners and customs of the Creoles .- Savannah News. - The Georgia bloodbound does not quarry his game, unless it is a rabbit— a small rabbit. He is neither flerce nor powerful. A boy can hold a pack off with a cornstalk. But for trailing a fugitive—for hugging him close as his shadow—or for flying along his track when even the grass has forgotten its impress, and the wind has powdered it over with dust, he is as releastless as death itself.—Atlanta Con-

stitution. Scott's Emulsion of Pure Cod Liver Oil with Hypophosphites.

Its use in Lung Troubles. DR. HIRAM CADORETTO, of Jacksonville, Fla., says: "I have for the last ten months prescribed your Emulsion, to patients suffering from lung trouble, and they seem to be greatly quencitted by its use."

FIVE DOLLARS A YEAR The foremost purpose of Bradstreet's is to be of practical service to business men. Its special trade and Industrial reports; its weekly epitome of bankruptoies throughout the United States and Canada, and the summaries of assets and liabilities, are alone worth the subscription price; its synopses of recent legal decisions are exceedingly valuable. As commercial transactions, in the wider sense, are coming to be more and more conducted on a statistical basis, the information contained in Bradstreet's is of the first importance both to producers and middlemen.

The Trade and Agricultural Situation throughout the United States and Canada is reported by Telegraph to Bradstreet's up to the hour of publication.
