THE MORNING STAR

VOL. XLI.—NO. 54.

WILMINGTON, N. C., THURSDAY, NOVEMBER 24, 1887.

WHOLE NO. 6605

OUTLINES.

An unusual action at law is reported from South Carolina; a man who was acquitted of murder has been sued by the dead man's executors for \$20,000.
A negro, charged with a felonious assault on an aged white woman, was hung by a mob in Frederick, Md., at an early hour yesterday morning.

It is highly proper that a general day of Thanksgiving shall be observed by the people of the United States. There are so many things for which to render the Almighty Father thanksgiving and praise that it is becoming in the people to assemble for worship on a specified day.

Mr. Parnell's health is reported as slowly improving. This is welcome news.

Secretary Whitney, who has been in rather poor health, is reported as about well.

By the Slater will \$45,000 will be given to industrial schools in the South for colored youth for 1887.

Of course the President is pleased at the result in New York and Virginia. So are the Democrats generally.

The majority in Dakota for a division of the Territory into two States, is 9,000. There were but 63,000 votes polled.

Mrs. Potter's three weeks' engagement panned out \$28,131.75. That will do as a success for a pretty woman in nice clothes but who cannot act—a bald amateur.

Two more Irish-Americans have been arrested in London who were in possession of explosives. They are from Lowell, Mass., and gave their names as Callan and Harkins.

When ordinary men talk together it is of no particular moment, but when the Czar and a greater than even a Czar, Prince Bismarck, hold a private talk it is a big thing and may have far reaching results.

Here is an excellent advertisement for the Civil Service circus:

"According to the New York Sun the expenditure of \$18,000 by the Civil Service Commission has resulted in the appointment of only five persons to places in the State Department during the year ending Oct. 1."

Savannah is threatened with a coal famine. One of our city coal dealers showed us letters from various coal merchants and they would not promise to deliver coal, and would not name a price. Macon, Ga., is now using Alabama coal that costs but \$3.50 a ton.

We had a pleasant visit yesterday from our senior U. S. Senator, Gen. M. W. Ransom. He is in fine health, and is well preserved, vigorous and good looking as usual. He is now in his 62nd year. When his present term shall have expired 4th March, 1889, he will have been in the Senate seventeen years, which is a longer time than any other North Carolinian has served in the Senate.

It is highly proper that a general day of Thanksgiving shall be observed by the people of the United States. There are so many things for which to render the Almighty Father thanksgiving and praise that it is becoming in the people to assemble for worship on a specified day.

The Virginia Methodist Episcopal Conference has had a great mortality for the year. Eleven ministers have died since the last Conference—one short year. Here is a dispatch from Danville where the Conference has been in session:

It is stated that Mr. J. R. Randall, of the Aniston Hot Blast, is soon to take a lucrative and pleasant position on the Baltimore American—Columbia Register. We suppose Mr. Randall, being a Democrat, will hardly be one of the political editors of the American, a rampant Republican paper.

The Message of the Governor of South Carolina will print 15 columns of close type. Not one citizen in twenty-five will ever read a column of it. A good synopsis might be read. The President might take a hint as to his own annual message. If a good newspaper man—Manton Marble for instance—could overhaul it, he would "boil it down" one half.

We fear that Mr. Carlisle will meet with more opposition in his own party than he appears to apprehend. We hope he will triumph over the whole tribe of Randellites to the fifth degree, and see to it that Randall is kept out of the chairmanship of the Ways and Means Committee.

A Baltimore belle died and her funeral was attended by all of the alleged society people. The church edifice was crowded and the altar was banked up with floral offerings of all kinds. Miss Gross was the young woman's name.

Two railroad thieves who had stolen \$700,000, were tried in Philadelphia and sentenced to the penitentiary. James A. L. Wilson got six years, and Henry V. Lesley got eight years.

An alarm of fire was turned in yesterday afternoon from box No. 14, Third and Princess streets. It was caused by smoke issuing from the upper windows of the brick building on Third street, opposite the City Hall. On investigation it was found that the smoke came from a defective flue.

Swedish Bears.
A correspondent of the STAR, writing from Excelsior, says: "The Wac-cama bear killers have captured another bear, making six in all killed during this fall. The hides were exhibited here for sale to-day."

WILMINGTON FAIRMARKET.

The Festival to be Given Early Next Month at the City Hall.

The members of St. Paul's Evangelical Lutheran Church are making extensive preparations for their Jahrmakrt, a representation of the convocation of merchants of the European continent at their "yearly fair," an ancient custom of their friends across the sea.

The fifty-second annual meeting of stockholders of the Wilmington & Weldon Railroad Company was held yesterday at the office of the President in this city.
Hon. George Davis was called to the chair, and Mr. Jas. F. Post was appointed secretary.
Mr. B. F. Newcomer, Mr. Don Mac Rae, and the secretary were appointed a committee to verify proxies. The committee reported a majority of the stock—21,000 shares out of a total of 25,000—represented.

The reports of the President of the Board, the General Manager, General Auditor, General Superintendent and Secretary and Treasurer were read and adopted.
An election for a Board of Directors was held and the old Board was chosen, as follows: W. T. Walters, B. F. Newcomer, H. Walters, J. P. McKay, Baltimore; H. B. Plant, New York; Don MacRae, A. J. DeRosset, Wilmington; George Howard, Tarboro; W. H. Willard, Raleigh; E. B. Borden, Goldsboro.

The Board of Directors were authorized to continue the Scotland Neck extension to or near Greenville.
The stockholders elected Mr. Jas. F. Post Secretary and Treasurer, and Mr. W. A. Riach General Auditor.
After the adjournment of the stockholders meeting, the Board of Directors met and elected officers, as follows:
President—R. R. Bridgers.
First Vice President—B. F. Newcomer.
Second Vice President and General Manager—H. Walters.
General Superintendent—J. F. Divine.
Superintendent of Transportation—J. R. Kenly.

The entire session of this court yesterday was occupied with the trial of Nathan Davis, colored, charged with the seduction of a young widow, Della Green, colored. Messrs. Marsden Bellamy and C. P. Loekey conducted the case for the prosecution and Messrs. Jno. D. Bellamy and Jno. C. Davis were counsel for the defendant. The case was given to the jury late in the afternoon, and a verdict of guilty was rendered.

The grand jury found a true bill against Mr. C. E. Bullard, of Bladen, charged with obtaining money, by false pretences from Mr. R. W. Hicks. The case will probably be tried Saturday.

Yesterday afternoon the grand jury paid a visit of inspection to the county jail and poor house.

The court took a recess until 10 a. m. to-morrow, when the case of Stephen Freeman, charged with rape, will be taken up. Mr. J. T. Elliott and Mr. Thos. W. Strange have been retained as counsel for the prisoner.

Abandonment.
The case of George B. New, a young white man charged with abandoning his wife, was called in Justice Millie's Court yesterday, but the defendant waived an examination and the case was sent to the Criminal Court, where the trial was set for next Saturday, the defendant in the meantime being committed to jail in default of \$100 bail. New is represented to have married a daughter of H. L. Moore, of Rockingham, Richmond county, a year or two ago. After staying a short time at that place New and his wife removed to Wilmington where the wife got employment in the cotton factory. New left his wife some time ago, and in company with a woman represented to be his wife was boarding with a respectable family on Fourth street. Mr. Moore, Mrs. New's father, came to the city a few days ago and had a warrant issued for the arrest of her husband.

The bazar given by the ladies of St. Thomas' Church for the benefit of the Sisters of Mercy was well attended last night. The hall by midnight presented an altogether different appearance than what it did the following evening. The pretty things generally had been disposed of, and the successful ones had taken their prizes in charge, so that the tables, before decorated with the beautiful things, were now entirely robbed of their beauty.

The refreshments throughout were delicious and much enjoyed by all who partook of them. The harpers were present and discoursed some of their fine selections, adding largely to the enjoyment of the occasion. The affair was socially and financially a success and the exertions of the institutors were liberally rewarded, and a worthy and charitable cause well sustained.

Be careful with your firearms to-day.

Weather indications.
The following are the indications for to-day, received at 1 a. m.:

For Virginia, fair weather, followed in western portion by light rains, slight changes in temperature, light easterly winds, shifting to southerly.
North Carolina, fair weather, light variable winds, slight changes in temperature.

South Carolina, fair weather, light variable winds, generally from east to south, slight changes in temperature.

Mrs. George Chadbourne.
The death of Mrs. George Chadbourne, which occurred yesterday afternoon, was a great shock to her friends in this community, very few of whom had a thought that her sickness was of a serious nature. She had been suffering with pneumonia for about a week, and was thought to be improving, until yesterday morning, when she grew worse, and sunk rapidly, the disease reaching a fatal termination shortly after two o'clock. Her death will be sincerely mourned by many.

The funeral is announced to take place to-morrow afternoon at half past two o'clock from the First Presbyterian Church.

Suspended.
Mayor Fowler changed the record in the case of Chief of Police Hall, against whom a fine of ten dollars had been entered a few days since for dereliction of duty, and ordered the suspension of that officer for five days, dating from November 23d.

Mayor's Court.
Alderman Fishplate, Mayor pro tem., presided yesterday in the absence of Mayor Fowler.

The only case was that of Dicey Murray, charged with allowing hogs to run at large. She was discharged without penalty.

RIVER AND MARINE.
—Br. steamship Beechille, Watson, hence, for Liverpool, arrived out Nov. 22d.

—Steamer D. Murchison, from Fayetteville, brought down 282 bales of cotton and about 350 barrels of naval stores.

—British steamship Carn Brea sailed from Southport at 1.30 p. m. yesterday. Schooner Franconia sailed at 7 a. m.

If so, at once send a bottle of WINDSOLV'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it who will tell you at once that it will regulate the bowels and give rest to the mother, and relief and health to the child, operating like magic.
