THE N. Y. Commercial Advertiser.

A dignified, able Independent Republican paper, is urging New York to pay fitting honors to the eminent ex-President Cleveland. It says: "A great man who has rendered great services has come to live among us. Shall we let the occasion pass in a silence that does discredit to the city? Shall we not rather bestir ourselves, and in some fit way, by a public reception or otherwise, make manifest the welcome New York extends to her most conspicuous citizen upon his retirement from the highest official place that any human being can occupy, after a service which is sure to be recorded in history as the greatest rendered by any man since Lincoln's time?"

New York will honor itself in following the suggestion.

Harrison is reported as saying he really meant all he said about Civil Service in his address. He says changes must be slow and he means "reform." He is reported by the Washington correspondent of the Philadelphia Record, Dem., as saying: "The Republican party could not afford to spend its strength and lose its advantage over the question of patronage. It must remember that it is still on trial and must prove its right to a renewed lease of power by the excellence of its administration. 'Civil Service Reform,' as it is quoted as saying, 'has come to stay, and must be observed by the Administration in spirit as well as in letter.'"

The office-seekers are appalled.

Down with public hangings. It is a relic of barbarism. Public execution ought to be strong enough to suppress them in North Carolina. They only feed the vicious appetite of depraved beings. There ought to be a positive law against all such unseemly displays.

At Temple, Texas, four young men took part in a street fight. Result:

"Young Hugh Matlock was killed and Tom Matlock was shot through the head and died this evening. A D. Rafter was shot through the arm and groin and is believed to be fatally wounded. Herbert Rafter escaped unhurt.

All England is much stirred now over the developments in the Parnell fight with the Times, and Mr. T. P. O'Connor, M. P., is of the opinion that if a general election were to occur just at this time that the Tories would undoubtedly be defeated.

The fiftieth Congress was a lively working body and it made the money fly. Among other appropriations were \$10,000,000 for public buildings.

Canada is said to be at last awaking to the fact that it is disgraced by becoming a home for thieves fleeing from justice in the United States.

Weather indications. The following are the indications for to-day: For Virginia, North Carolina and South Carolina, fair, warmer and generally southwesterly winds. For Georgia and Florida, fair, warmer and variable winds.

WATER AND MARINE. The schooner, Emily F. Northam, hence for Philadelphia, was struck by a heavy gale on February 22nd in the Gulf Stream. Split masts and both gulf jibs. She lost part of her deck load and damaged rail.

Local News.

The Onslow railroad will, it is said, be built within six months.

There will be a meeting of the Board of Managers of the Produce Exchange to-day.

Schooner Cora Green was cleared yesterday by Messrs. E. G. Barker & Co., for Porto Rico, with 12,564 feet of lumber, valued at \$2,774.98.

Mr. Thomas R. Perry, manager of "Pete Baker in the Emigrant," is in the city. The company will appear at the Opera House here Monday the 18th inst.

Mr. S. VanAmringe, clerk of the Superior Court, has on hand Confederate pension warrants for Mrs. Sarah J. Stephens and Mrs. Alice Craig. Unless called for by the first of April they will be returned to Raleigh.

The registration books for the municipal election on the 28th inst., were opened yesterday; but very few of the voters availed themselves of the opportunity to register. Up to 5 p. m. in the Second Ward only 17 had registered.

The benefit on the life of the late Wilkin Roddick, in the Royal Arcanum, amounting to \$3,000, has been paid to the representatives of the heirs of his estate. This order was instituted in Wilmington in January, 1879, and since that time has paid out to beneficiaries here a total of \$48,000.

Two trunks, containing clothing and other personal effects of the late M. McInnis, who died of yellow fever in Charleston, S. C., some ten or twelve years ago, were burned by the health authorities yesterday. The trunks have been on the premises occupied by the family of Mr. McInnis since his death, but have never been opened. They were turned over to the city authorities to be burned by direction of Mrs. McInnis, who removed from Wilmington some time ago.

The New Magistrate. The following is a list of the magistrates for New Hanover county elected at the recent session of the State Legislature, viz: Wilmington—W. W. Harris, Walker Meares, E. D. Hall, John Cowan, H. McLean, E. G. Parmelee, Geo. L. Morton, W. McEwan, W. H. Straus, Martin Newman, Jos. Cronly, John J. Fowler, L. W. McLaughlin, J. W. King, L. H. Bowler, John H. Daniel, T. B. Harris, J. D. Orrell, Owen Fennell, M. F. Costin, T. J. Southernland, F. B. Rice, D. McEachern, B. R. Glowe. [The name of J. O. Mills, recommended by the chairman of the County Executive Committee, was stricken off the list and the name of F. B. Rice substituted.]

Harnett Township—E. W. Manning, Geo. W. Westbrook.

Cape Fear Township—W. J. Cromwell, Robt. Bourdeau.

Masonboro Township—A. J. Johnson, A. B. George.

Federal Post Township—Jno. J. Canaday, Henry Taylor.

A Missing Man. Dr. A. J. Martin, of Stokes county, was in the city yesterday making inquiries in regard to his son, G. H. Martin, a young man about 23 years of age. He visited police headquarters, and said that his son left home some time ago and went to California. Recently he had received a letter from him written at Florence, S. C., asking that money be sent to him at Wilmington, to enable him to reach home. A registered letter containing \$25 was sent in answer to the request, but time passing and nothing having been heard from Mr. Martin, his father came to Wilmington in search of him. He found upon inquiry that his son was in the city three days last week, and left Saturday for Charlotte. The registered letter was at the post-office. It had not been delivered for the reason, probably, that Mr. Martin had applied only at the "general delivery" for letters.

Cotton Fire at Charlotte. A telegram from Charlotte says that a fire broke out there yesterday at 11.30 a. m., in bales of cotton on the platform at the railroad depot. Between four and five hundred bales of cotton were destroyed and considerable damage was done to the platform before the fire was extinguished by the Fire Department. The fire was in forty yards of the Carolina Central freight warehouse, but there was no damage to cars or other railroad property beyond the platform. Twenty-five bales of Carolina Central cotton on the platform was moved and saved. The cause of the fire is unknown.

The Onslow Railroad. Negotiations for the sale of the Wilmington, Onslow & East Carolina Railroad, pending for some time past, have been completed and a formal transfer of the franchise was made last Saturday to Mr. Thos. A. McIntyre of New York, and his associates, a syndicate of Northern capitalists. It is said that the new company will go to work at once to build and equip the road.

OPERA HOUSE.

"Vergilina." The crowd which assembled last night at the Opera House was only an average one, but all present were much pleased at the admirable manner in which Sheridan Knowles' beautiful tragedy was presented. Mr. McLean, as Vergilina, was all that one could desire, and there was nothing in the character which could fail to give pleasure. In the last part of the fourth act Mr. McLean showed that he was not only thoroughly conversant with his part but that he was also an actor of great merit and versatility of talent. Mr. McLean has improved greatly since he was last in our city, and his easy manners, thorough adaptability to his part, and his original style and wonderful genius all contributed to show that he was a tragedian of power and merit.

Miss Prescott in the part of Vergilina was as sweet and charming as ever, and though in this role she did not have full opportunity of showing off herself, she was full able to demonstrate that she was an actress full of fire and enthusiasm, and on every occasion was able to throw her audience into pleasurable excitement, and loud and frequent were the encores that she received.

The play is full of interesting and exciting scenes, and none was more touching than the sixth act, and as the curtain fell upon this last scene there were many moist eyes, which fully attested the excellence and power of the play. The company is a strong one, and the talent exhibited was far beyond mediocrity. The play selected was a strong one, and there was no fault to be found, either in actors or play.

The story is an old one, but is full of touching and heartfelt scenes, and wherever it is presented will be received with pleasure, for it is one which will always appeal to the better qualities of man, and receive a generous welcome.

This afternoon a matinee will be given, when Marie Lovell's beautiful and romantic drama entitled "Ingomar" will be the attraction. The doors will be opened at 2 p. m., the performance to commence at 3 o'clock.

The company closes its engagement in Wilmington to-night in "A Winter's Tale." No performance of this Shakespearean comedy has been presented in Wilmington for many years, and now that its revival is attracting attention in all the great theatrical centres, this is a good time to witness its production by a competent company.

Bible Society Meeting. A joint meeting in the interest of the American Bible Society was conducted by its agent for North and South Carolina, Rev. T. H. Law, at Grace M. E. Church last Sunday evening, in which Revs. W. S. Cressy, F. W. E. Pesehau and Rev. Dr. Pritchard took part.

The operations of the American Bible Society in the distribution of the Word of God were very forcibly described in a sermon by Mr. Law, founded upon the words, "Pray for us, that the word of the Lord may have free course, and be glorified." After which members were received and a collection was taken up.

The following were elected officers for the New Hanover County Bible Society for the ensuing year, viz: President—Col. Roger Moore. Secretary—W. H. Sprunt. Treasurer—W. H. Straus. Executive Committee—W. C. Craft, J. W. Taylor, R. H. Beery, L. A. Bilbro, J. G. Darden, H. C. McQueen, Thos. H. Post, H. F. Otten.

The Northeastern Railway Company. The legislature just adjourned passed a charter for the above named company to construct a railroad from Wilmington to Jacksonville, Newbern, Washington and Edenton, to a point on the dividing line between North Carolina and Virginia, in the direction of Norfolk, and from Wilmington southward to the South Carolina line, in the direction of Charleston.

Among the incorporators are W. P. Fortune, F. P. Fortune, J. D. Bellamy, Jr., Wm. E. Worth, R. E. Bellamy, Frank H. Stedman, of Wilmington; Clement Manly, of Newbern; Col. S. B.
