Two physicians attended him, but he grew continually worse under their care, and everybody expected he would die. I had beard of the remarkable cures effected by Ayer's Sarsaparilla, and decided to have my w try it. Shortly after he began to take this medicine, the ulcers commenced healing, and, after using several bettles, he was entirely cured. A physician was called, but the sores continued to multiply until in a few months they nearly covered the child's head and body. At last we began the use of Ayer's Sarsaparilla. In a few days a marked change for the better was manifest. The sores assumed a more healthy condition. the discharges were gradually diminished, and finally ceased altogether. The child is livelier, its skin is fresher, and its appetite better than we have observed for months."-Frank M. Griffin, Long Point, Texas.

"The formula of Ayer's Sarsaparilla presents, for chronic diseases of almost every kind, the best remedy known to the medical world."-D. M. Wilson, M. D., Wiggs, Arkansas.
