The announcement of the death of Mrs. Cora Shackford, eldest daughter of Mr. T. B. Kingsbury, awakened emotions of sincere sorrow and tender sympathy among the friends and acquaintances of the family...

The Baltimore American says that "it is worth while to remark that in all the institutions where young women and young men have pursued the same courses of studies, the young women have more than held their own..."

Secretary Tracy recently gave a toast: "Our best citizens—the workmen of America." When it comes to toasting the American workman and giving him other cheap soft soldier, the Republican politician always can depend on to come up unctious and smiling...

Mr. Z. W. Whitehead, editor of the Fayetteville Observer, has done himself credit and Fayetteville and the surrounding country much good by the publication of his well gotten up, illustrated thirty-two page trade issue, showing the industries and resources of that section...

The Winston Daily says there is a woman near Salem 103 years old. As a rule we don't take much stock in centenarians, but if there is a place in the world where a person would be likely to pass the century mark it is in or near good, quiet, happy, sober, manly and God-fearing Salem.

Some good white Republicans at Asbury Park, N. J., recently gave an entertainment. Some colored people ventured in, but were expeditiously and unceremoniously hustled out. As this was not in the South our distinguished Republican headlighters are not spitting their throats howling about it.

A man named Weir is on trial in Charleston on charge of cutting another man's throat. The jury consists of seven white men and five colored. Three of the white men and three of the colored sat as jurors in the McDow trial. This suggests that possibly they may have professional jurors in Charleston.

C. F. & Y. V. M. H. R. A construction train—the first to come into the city limits over the Cape Fear and Yadkin Valley railroad—arrived at the terminus of the road on Point Peter yesterday afternoon about six o'clock. It was met by a number of citizens who went over to the Point on the steam tug Marie. The party was taken over the road a distance of some three or four miles, and enjoyed the trip immensely. About eight miles of the track have been completed.

Dividend. The Board of Directors of the Wilmington & Weldon Railroad Company announce a semi-annual dividend of four per cent. on the capital stock of the company, payable at the office of the treasurer of the company in this city on and after July 15th.

Weather Forecast. The following are the forecasts for today: For Virginia and North Carolina, light rain, decidedly cooler, winds becoming brisk and northwesterly. South Carolina and Georgia, showers, cooler and southwesterly winds.

Local Note. Considerable drift wood is coming down the Cape Fear on the freshet.

Mr. George Zadoc French, the newly appointed Postmaster, took charge of the office yesterday.

A meeting of Confederate veterans will be held at 11 o'clock this morning in the county court house.

Wood is scarce and in demand. Only one flat load came in yesterday. It sold at the rate of \$3.75 and \$4.00 per cord.

One of the strong points in favor of our seaside resorts—particularly Carolina Beach—is that they never have had weather.

The patriotic printers of the STAR will have a holiday to-day and in consequence thereof no paper will be issued from this office to-morrow.

Surviving members of Company 1, Eighteenth Regiment N. C. Infantry, are requested to meet to-day at the Hammocks at 1 o'clock in the afternoon.

All the merchants on Water street agree to give of absence during the encampment to such of their employes as are members of the Light Infantry.

The Fourth being a National holiday, the Postoffice will be closed. The general delivery will be open from 9 to 10 a. m. Carriers will make one early delivery only.

There will be a grand display of fireworks to-night at Carolina Beach, and other attractions during the day to add to the enjoyment of visitors at this famous seaside resort.

Mr. George A. Ramsey, Vice President and General Manager of the Burgaw & Onslow Railroad, was in the city yesterday. He says work will commence on that road in a few days.

Capt. F. M. James reports 15 interments in Oak Grove Cemetery during the month of June. Of these three were adults and twelve were children.

Mr. E. J. Pennypacker has received his commission as Collector of Customs at this port, and Mr. C. H. Robinson will transfer the office to him on Saturday next. On Monday the new Collector will formally enter upon the discharge of the duties of his position.

Attractions at the Hammocks To-day.

At the Hammocks and Ocean View, on Wrightsville Beach, the attractions will be numerous and of a character to inspire the patriotism of young and old for the day we celebrate. There will be bands of music—both brass and stringed instruments—at the Hammocks and Ocean View Pavilion, to dispense inspiring music to those who wish to dance. The merry-go-rounds, the switchback, shooting galleries, &c., will be attractive features. The fireworks at the Hammocks will be the most elaborate, and the finest display ever seen on the beach. The pyrotechnic display will commence at 8 o'clock p. m., and close about 10 o'clock p. m.

Mayor's Court.

Wm. Herring, the negro boy who attempted to rob the money drawer in Mr. Rhodes' bar-room Tuesday night, was committed to jail for trial at the Criminal Court.

Mary W. Swann, colored, disorderly conduct, fined twenty dollars.

Edward Swann, colored, disorderly conduct, judgment suspended.

Obadiah Jenkins, disorderly conduct. Case discharged that another and previous case of the same nature might be tried against him.

One case of drunk and down was settled by the payment of a fine of ten dollars and costs.

A Lynching Affair.

A correspondent of the STAR writes from Minnie, Irwin county, Ga., June 25th as follows: A negro named Eleri Washington, from Kingstree, S. C., was lynched here to-day for committing rape upon a young white married woman, at Minnie, Ga. He had his trial, and the officer and a heavy guard started with him to Irwinville jail. They were met about two miles from Minnie by a hundred masked men armed with guns, who made the guard hold up their hands, took the negro, and dragged him about fifty yards by the neck, and hung him up in a black-gum tree. He died of strangulation. A paper tacked to his back read, "Beware! Our women must be protected. (Signed) Jack The Ripper." The negro owned his guilt at the trial.

Cotton Region Bulletin.

The rainfall in this district yesterday was as follows: Wilmington .30, Lumberton .73, Florence .17, Cheraw .07, Wadesboro .10, Charlotte .17, Raleigh .85, Goldsboro .30, Newbern .28, Weldon .50. Rain was general throughout the cotton belt. The maximum temperature ranged from 84 to 92 degrees and the minimum from 62 to 72.

The State Guard and the Encampment.

General Orders No. 7, dated Raleigh, June 24, in reference to the Encampment at Wrightsville, says: 1. Encampments of the North Carolina State Guard being held by authority of law, every officer and enlisted man is required to be present for duty. The Brigadier General will report to this office any commissioning officers absent with all facts regarding the cause of absence. He will also forward to these headquarters, in the field, daily during the encampment, a "Consolidated Daily Report" of the troops, and at the close of the encampment will forward to this office the "Regimental Consolidated Morning Reports."

2. The Commander-in-Chief confidently relies upon all the officers and men of the Brigade to give prompt and careful attention to every duty. He intends to be present several days during the encampment, but desires that his presence there should be made as practicable with the regular routine of military duties. Tuesday, July 16th, is hereby set apart and shall be known as "Governor's Day," and on the morning of that day the officers and men of the Brigade will be inspected by the Commander-in-Chief and in the afternoon he will review the brigade.

3. The Brigadier General commanding will make requisition on the Quartermaster General for all necessary camp equipage and supplies, or if he so desires he can direct the Quartermaster General to issue direct orders to the commanding officers and commanders upon their requisition. As a part of the tents used are drawn from the United States government and are the property of the United States, commanding officers and commanders will be held responsible for any damage done by marking or in any way defacing them. The Brigadier General will cause a special inspection to be made of the tents on the last day of the encampment before turning them over to the Quartermaster General, and the attention of commanding officers will be called to any damage done.

4. All enlisted men who have served faithfully in the North Carolina State Guard for the period of three years will be allowed to wear upon their uniform dress coats the "Service Chevrons" U. S. Regulation. This consists of a diagonal half chevron of gold lace one-half an inch wide, attached upon a piece of dark cloth of the color of the uniform, and is worn upon both sleeves below the elbow, extending from seam to seam, the front end nearest the cuff and the back end an inch above the point of the cuff.

5. A meeting was held last night for the purpose of organizing a company under the above name, to manufacture wooden ware of various kinds, such as fruit and egg crates, buckets, grocers' plates and dishes, veneers and excelsior, and also canning fruits, vegetables, meats, etc. The meeting was organized by calling Mr. John D. Bellamy, Jr., to the chair and appointing Mr. B. F. King secretary.

The following were elected a board of directors, viz: Thos J. Southernland, J. H. Hanby, S. W. Nobles, E. F. Johnson, H. P. West, J. N. Boatwright, John D. Bellamy, Jr., O. M. Pillyaw, A. S. Winstead, W. H. Howell, W. F. Williams, Duncan McEachern, Leo Taylor, Jas D. Smith, Wm Struthers.

The capital stock of the company is \$15,000, which may be increased to \$25,000, and the par value of shares is \$25, payable in weekly installments of twenty-five cents. Two hundred and fifty of the six hundred shares were subscribed for by those present at the meeting, and that the remainder of the stock will be readily taken goes without saying.

The meeting adjourned until Friday night next at 8:30 o'clock, at the Mayor's office in the City Hall, at which time the officers of the company will be elected.
