resulted in an engineer being killed

and the burning to death of an

Sonator Vest of Missouri, is better, but his late attack palled him down.

Commissioner of Pensions, Raum, shook hands with the boys in the office last Saturday. The next thing he will be shaking is some of the boys.

The new crown of the Emperor of Germany weighs three pounds. When he gets that on he must feel like a fellow with "a brick in his hat."

Some male denizens of Columbus, Ohio, were recently refused a charter for a club. The New York police have a monopoly of the club business now

As Mr. Wanamaker is a good, pious member of Mr. Harrison's high-toned administration, he paints his new postage stamps red instead of the town.

Since Amelie Rives-Chanler has taken to playing the fiddle in the middle of the night her husband has taken himself into middle Africa, where there are no fiddles.

Bon Butler says in the memoirs which he is writing he is going to tell the truth about himself, his friends and his enemies. This will be a herculean undertaking for Ben at his age.

"Is it a crime to be a woman? asks a strong minded sister of the Woman's Suffrage Society." No. She couldn't help it, poor thing. It 14 an accident for which she should

B. M. Chambers who killed lawyer Bowman, of St. Louis, is said to rejoice that he killed his man. Mr Cnambers evidently appreciates a joke. If Bowman had killed him he wouldn't have had any cause to rejoice.

Jay Gould does not believe in railroad trusts. He ain't that kind of a Jay bird. He believes in Jay Gould, whom a good many people in this country look upon as one of the boss trusts run on an individual schedule.

Now we begin to get an insight into the true inwardness of the little pleasantries in Harlan county, Ky. It is a Republican county which out of a total vote of 992 gives a Republican majority of 546.
