THE effect produced by Ayer's Cherry Pectoral. Colds, Coughs, Croup, and Stre Throat are, in most cases, in-

by the use of this wonderful remedy. It strengthens the vocal organs, allays irritation, and prevents the inroads of Consumption; in every stage of that dread discase. Ager's Cherry Pectoral relieves coughing and induces refreshing rest.

"I have used Ayer's Cherry Pectoral in my family for thirty years and have always found it the best remedy for cromp, to which complaint my children have been subject. — Capt. U. Carley, Brooklyn, N. V.

"From an experience of over thirty years in the sale of proprietary medi-Ayur's Cherry Pectural. One of the best recommendations of the Pectoral is the suduring quality of its popularity, it being more salable now than it was twenty-five years ago, when its great success was considered marvelous."-R. S. Drake, M. D. Beliot, Kans.

"My little sister, four years of are. was so ill from bronchitis that we had almost given up hope of her recovery. Our family physician, a skilful man and of large experience, pronounced it useless to give her any more medicine; saying that he had done all it was possible to do, and we must prepare for the worst. As a last resort, we determined to try Ayer's Cherry Pectoral, and I can truly say, with the most happy results After taking a few doses she seemed to breathe easier, and, within a week, was out of danger. We continued giving the Pertural until satisfied she was entirely well. This has given me unbounded faith in the preparation, and I recommend it confidently to my customers."-C. O. .. Raleigh Call: A combination of colored man, cow and rope was bagged by officials this morning. The man and cow were closely associated by means of a rope, one end of which was altached to the horns of the cow and the other end to the man's hand. When the man was questioned be said the cow did not belong to him; didn't know who it belonged to. "How is it that you have th cow!" asked an offieer. "I don't know, sah. I jest pleked up a piece o' rope and the cow followed me along to town." - The receipts of cotton in Raleigh from September 1st to November 29th are 10,849 bales The receipts for the same time last year were 19,844 bales.

Washington Progress: It has been estimated there are one hundred children in Washington who do not attend any one of the different Sabbath Schools. — The county jail here h s been dubbed "a monument. of disgrace to the county' and a shame or human beings to be placed in such a foul place. - We are in tormed by some of our transportation men that the shipments of cotton during the month of October this were the same month lat year. The Farmers Alliance men are proteeting themse ves to some ext nt at least. .. Charlotte News: Nothing new has developed in the Dale-Nutall case, in the past few days. A., of Cincinnati. He made a talk in the Y. M . A meeting, and afterwards engaged board at a private house in Charlotte. The following Wednesday he cut out, leaving his board bill unpaid.
