reputation of being very fast, She OUTLINES. No business of importance was transacted in either house of Congress yesterday; in the Senate an amendment to the World's Fair bill was introduced by Mr. Daniel, proposing that the opening celebration of the World's Fair shall be held in Washington instead of Chicago, which will include the unveiling of the statue of Columbus, in Washington, to be preceded by a review of the navies of the world in New York harbor and then in Hampton Roads, and inviting all the rulers of the world to be present and take part in the ceremonies. -- Reports favoring the Republican contestants in the cases of the Third | they gave her a regular whoose re-Virginia district and the Fourth Alabama, have been made by the House Committee on Elections. - A cyclone. of a terribly destructive and fatal character swept over portions of Kentucky. Indiana and Illinois, in the early part of Thursday night; in Louisville, Ky., the destruction of property was immense, attended with great loss of life, while the towa of Bowling Green, in the same State, is said to have been almost swept away: in Metropolis, Illinois, there was also great destruction of property, with considerable loss of life; and in Jeffer-

wants to the stricken localities. ibou's review for the past week reports that the volume of trade continues large, and that the situation in the main is sat stactory; there were 243 business feilures, against 255 for the previous week. - James P. Davis alias Wil-Eam S. Shackelford was hanged for murder at Pittsboro, in this State, yesterday; he confessed to the murder of his own children in South Carolina severul years ago, and read a farewell address from the scarfold. - Trouble stal continues among the students of the Universities in Russia, and six thousand to them have been arrested at Moscow

the latest reports furnish the gratifying

information that the loss of life is much

less than the early telegrams indicate;

reinfrommittees are rapidly going for-

- Clara Barton, of the Red Cross Sixi ty, has gone to Louisville to render what aid she can. - Following closely the great cyclone calamity, the Signal Service predicts that a great flood will sweep down the Mississippi Valley and with out New Orleans. - It was snowing vesterday all through the Northwest and the Lake regions, and Lat. ang to the South. - Marion, Ky., was it astated by the same storm which with so much ruin in Louisville. and there was great loss of life.

- New York markets; Money 314 per cent, cotton steady; middling 11 7-16 casts; low middling 10 15-16 cents; good ordinary 10 cents; sales 70 bales; southera thrar dull and weak; wheat irregular and quiet; No. 2 red 87/3 cents at elevator; corn firm and less active; No. 2. 3612@3658 cents at elevator; rosin quiet; st ained common to good \$1 17@1 2216; spirits turpentine duil at 41(64112 cents.

Ernest Renan's hobby is that he won't ride in any kind of vehicle. We know lots of men who wouldn't ride even a hobby.

The British extradition treaty goes into effect on the fourth of April. And now whree will the flying boodler fold his wings and find a roost?

A Georgia paper says there are only six editors in that State who can't set type. But there is only one who can get away with three dozen of eggs at one sitting.

The distinguished reformer, St. John, of Kansas, rises to remark that "Harrison's administration is a rum-soaked failure." Oh no. Not a rum-soaked failure. It is the dry rot that's the matter with it.

The Florida State board of iminigration is making arrangements to bring from Norway and Sweden a thousand girls to do housework. Query. Can't somebody jump on 'em for violating the contract labor law?

Chicago is coming to the front as the champion suicide town. There were nine cases reported there the past week. When a man wants to get out of Chicago he wants to get out mighty bad and quick, and get

out to stay.

A Boston Republican paper suggests the addition of the verb "to blair" to the American language, to express kicking the bottom out of a thing, etc. This is too much. The American people have been Blaired enough already.

Speaking of the Montana Senatorial contest the New York Tribune remarks that "the report of the committee practically settles it. This is candid. But these committees know their business and what is expected of them.

THE MORNING STAR.

VOL. XLVI.--NO. 6.

Emma Juch has established the

WILMINGTON, N. C., SATURDAY, MARCH 29, 1890.

WHOLE NO. 7,331

had an engagement with her opera troupe at Cheyenne. An accident to a train on the road between Salt Lake and that city delayed her five hours, and a rapid run was needed to meet the engagement. The engineer threw open the throttle valves and such traveling they say was

never seen in those mountains. A mile a minute was the slowest speed. and from Sherman to Cheyenne, a distance of thirty-six miles through mountain passes and over canyons the run was made in twenty nine minutes. She got in on time and

Lee Quong, formerly of China, but now a denizen of Washington, where he runs a laundry, took down his shot-gun the other night and injected a big bullet into the anatomy of a colored citizen for no other provocation than the fact that the colored citizen conceived an irrepressible desire to burglarize Lee Quong's laundry and get a fresh supply of small clothes, of which he stood in need. sonville, Indiana, great damage was Is Bill Chandler going to tolerate done to property, but no lives were lost; this sort of shot-gun business right under his nose? When Chinamen get to reducing the Republican vote this way something should be done about

> Francis Gertrand Goette, a German "Count" is in the lock up in Chicago for following ladies up and making violent love to them in the stores. A few days ago a macaroni Count was locked up in a Pennsylvania town for distributing scandalous printed dodgers about his wife, an American, who had left him in Italy on account of his brutality. He | built of wood fastened with screws, bent followed her over to this country to effect a reconciliation, and failing in this thought he would avenge himself by slandering her in this way. What this country wants is a prohibitory import duty on counts.

"No people," remarks the Chicago Inter-Ocean, speaking of the attention paid to Mrs. Harrison and friends on their Southern trip, "excel our Southern countrymen in their gallantry and courtesy to women." And yet these are the same countrymen whom the Inter-Ocean and other Northern Republican partisan journals try to make their readers beheve are congenially employed when going about with a shot-gun hunting for colored Republicans.

The Bell Telephone Company has a daisy monopoly. Its report of business for last year shows net earnings of \$2,658,738. It has 575 exchanges in the country and 444,861 instruments rented. Notwithstanding the declaration that the wires could not be successfully operated under ground 10,311 miles of wire were put under ground last year.

A Bright Luminary, Oxford Day.

We congratulate the Wilmington STAR upon the completion of another volume. It is now twenty-two and a half years old, and is the oldest daily paper in the State. It is a bright luminary in North Carolina journalism, and the Day trusts it will shed its light upon an appreciative public for many years to

It Shines with Brilliancy.

Wilson Mirror. On Sunday the Wilmington STAR was twenty-two and a half years old, and these many years but give it richness of lustre and beauty of splendor, for it shines now with brilliancy that attracts attention and admiration wherever its

radiant beamings are seen and felt. NEW ADVERTISEMENTS.

NORTHROP, HODGES & TAYLOR-Cyclone and wind-storm insurance.

The STAR was fully posted in regard to the proposed closing of The Orton, but was requested not to mention it, as the matter was in abeyance. Even now, the question has not been definitely settled; and it is hoped it may yet be determined not to close up this fine hotel even for a portion of the year.

Evangelical Alliance.

The next public meeting of the Evangelical Alliance will be held at the First Baptist Church, Tuesday evening, April 1st, at 8 o'clock. The subject will be,

"What is it to be a Christian?"

Rev. J. W. Primrose. A very informal meeting is desired. LOCAL DOTS.

Items of Interest Gathered Here and There and Briefly Noted.

- Bladen Street Methodist church has changed its hour for night services to 8 o'clock,

- Two cases of disorderly conduct before the Mayor yesterday. Judgment was suspended in each case. - Master Willie Strauss is the

happy possessor of three mammoth turkeys that are said to weigh 90 pounds. - The Young Men's meeting Sunday afternoon, at 5.30. The meeting

will be conducted by Mr. John B. Hand. - The hour for Sunday night's services at Grace M. E. Church, South, Rev. W. S. Creasy pastor, has been

changed from 7.30 to 8 o'clock. - Over six hundred shares have been subscribed for in the North Carolina Home Building and Loan Association. The books will be closed when

750 shares are taken. - Services at the First Baptist Church to-morrow (Sunday) at 11 a. m. and 8 p. m. will be conducted by the Pastor, Rev. T. H. Pritchard, D. D. The public generally are invited to attend.

- A general experience meeting will be held at 8 o'clock to-night at the Seaman's Bethel by the business and working men's prayer and experience meeting, to which ladies as well as business and working men are invited.

A Handsome Yacht. A handsome yacht-the Judy, Capt, Young, from Bristol, R. I., bound for New Orleans-put in here yesterday for coal and supplies and will probably proceed on her voyage South to-day. She was visited yesterday afternoon and very much admired by a number of citizens who were courteously received and shown through the vessel by Captain Young. The /udv is 102 feet long, frame, and finished in mahogany. She has triple expansion engines: is schooner rigged, and has a speed of 18 to 20 miles an hour. She is fitted up in elegant style, with cabin accommodations for six persons, and cost about \$28,000. Her owner is Mr. F. P. Howard, of New Orleans.

Fire Last Night.

An alarm was sent in last night at 11.55 from Box No. 35, located on Tenth and Market streets. The fire was on Eleventh street, between Princess and Chesnut, in the house of Damon Quince, colored. The damage was slight, the fire being speedily put out by the Chemical extinguishers of Wilmington Hook and Ladder Co. No. 1, no water being thrown from hydrants or engines. The house was insured for \$400.

Weather Forecasts. The following are the forecasts for to-

For Virginia, North Carolina and South Carolina, colder and fair weather. and northwesterly winds; fair weather

For Georgia, Alabama. Mississippi, East and West Florida, colder and fair weather, with northwesterly winds; fair weather on Sunday and Monday.

Sunday School Festival.

A festival was held last night at the Presbyterian mission chapel on South Front street, given to the scholars by members of the congregation of the First church. Recitations were given by some of the children, and there was music and great many ladies and gentlemen were wires were badly tangled and but little present.

Stocks of Naval Stores.

Stocks of naval stores at this port, as posted yesterday at the Produce Exchange, are 2,240 casks of spirits turpentine, 6,355 barrels rosin, 10,800 barrels tar, and 1,926 barrels crude turpentine

The exports during the week have been 802 casks spirits turpentine, 10,327 barrels rosin, 2,412 barrels tar, and 411 barrels crude turpentine.

Mechanics' Building and Loan Associa-

Mr. W. M. Cumming, Secretary and Treasurer of the Mechanics' Home Association, gives notice that the Board of Directors has ordered that books of subscription be opened to-day for a second series of 500 shares of stock in the Association. Persons desiring shares are requested to call on Mr. Cumming.

Pilot Boat Ashore.

Mr. Demain, Signal Service observer at Southport, reports that the pilot boat Addie went ashore near Bald Head Lighthouse about noon yesterday while sailing in from the sea. The steamer Bessie went to her assistance but could not pull her off. It is thought that she can be gotten off by the first tug that ar-

Weight of Cotton Bales. Capt. Pennypacker, Collector of Customs, gives the average weights of cotton bales shipped from this port as fol-The meeting will be conducted by lows: September 5081/2 pounds; October 4951/2; November. 4891/2; December, 477; January, 4751/2; March, 4861/2.

BOARD OF ALDERMEN.

Called Meeting to Consider Bids for Supplies for the City, Etc.

A called meeting of the Board of Aldermen was held yesterday at noon to consider bids for supplies for the different departments of the city government for the year beginning April 1st, 1890. There were present, his honor Mayor Fowler, Aldermen Hicks, Pearsall, Smith, Post, Craft, Morton,

Lane, Montgomery and Bell. Bids for lighting the city were submitted by the Wilmington Gas and Electric Light Company-same as last year-\$2 per month for each gas light and \$10.50 for each electric arc light. The company further offer, that should the city authorities see proper to increase the number of electric arc lamps upon the streets, not less than ten nor more than fifteen arc lamps, to take the whole number of street lamps at the rate of ten dollars per lamp per month, running by the moon schedule as at present. Referred to the Committee on

Lights. Bids for lumber-Fore & Foster \$11 50 per thousand feet; Parsley & Wiggins, \$10 for merchantable lumber; \$12 75 for prime stuff. Referred to Streets and Wharves Committee.

Feeding prisoners--James Shehan at 8 cents per meal. Referred to Police Committee. Printing (specified) -S. G. Hall, \$43

00; Julius A. Bonitz, \$62 00. Committee on Finance. Regulating and keeping city clock-

M. L. Winner, \$90. Committee on Fi-Application of W. T. Bray for posi-

tion as health officer, was referred to the Committee on Sanitary affairs. Communication of H. A. Bagg, chairman of Board of County Commissioners, proposing joint action for the survey of certain blocks and establishing lines and new blocks, was referred to the committee on Streets and Wharves, to con-

the Board of Audit and Finance. Communication from the Mecklenburg Iron Works, furnishing estimates of cost of a stone-crusher, &c., for street purposes, was referred to the Committee on Streets and Wharves.

fer with Mr. Bagg and the chairman of

Application of M. P. Taylor, for position of City Engineer, was deferred until the next regular meeting of the

A proposition of the Gamewell Fire Alarm and Telegraph Company to sell the plant to the city, was referred to the Finance Committee. The company, in their proposition to the Board, say that the Fire Alarm plant represents a capital of \$7,218, and they offer to turn over to the city the entire system for \$6,500 in cash or equivalent; to enlarge the present plant by the addition of ten more boxes and turn over the system as enlarged for \$7,750. All further extensions to be furnished by the company on the same terms as to the most favored customers-the price of each box not to exceed \$125, f. o. b. at New York.

YESTERDAY'S STORM.

A Blustering Gale in the City-Cyclone Near Magnolia-Rain and Wind in the

The storm predicted by the Signal Service Bureau arrived on time early yesterday morning, the wind blowing with a maximum velocity of thirty-five miles an hour audinearly all day. There was very little rainfall, only six-hundredths of an inch being reported by the

The storm was more severe in the interior and north of Wilmington, On refreshments in great abundance. A the line of the Carolina Central the information could be had. Heavy rain was reported. however, as accompanying the blow near Charlotte, and near Polkton, in Anson county, the woods were all afire and the town was seriously endangered.

Mr. Reed, mail agent on the Wilmington & Weldon road, who came in on the afternoon train, reported that a cyclone or tornado had crossed the rails about three miles this side of Magnolia. Its track was not more than five hundred feet wide, but a clean sweep was made of everything in its path. Three telegraph poles were seen broken off near the ground and swinging by the wires. and two small frame dwelliugs overturned and shattered. Large pine trees broken off near the roots were lying on

Passengers who arrived on the Cape Fear & Yadkin Valley train, reported a severe blow, but knew of no damage

At 10.50 o'clock last night, the Signal officer here was notified to change the cautionary Southwest signals to cautionary Northwest. Colder, fair weather was predicted, with Northerly winds.

The terrible storm that devastated a portion of Louisville did not come in this direction; it made a bee-line for the Lake region, to meet a howling blizzard sweeping down from the Northwest.

Dr. Richard H. Lewis, of Raleigh, will make his regular quarterly visit to Wilmington on Tuesday, Wednesday and Thursday, April 8th, 9th and 10th, and can be consulted on those days at Dr. Wood's office, on the diseases to which his practice is limited—(Eye, Ear, Throat and Nose.)
