> The University is necessarily dependent mainly upon its alumni for friendship, counsel and criticism. and the alumni have shown themselves by no means regardless of the interest and claims of their alma mater, but there has been hitherto no systematic, organized, practical working connection between the University and her graduates. There is a movement on foot to remedy this. Wednesday of Commencement week has been set apart as Alumni Day, and besides the annual banquet and reunion there will be a regular business meeting for the discussion of plans and methods of increasing the patronage, enlarging the endowment, strengthening the spirit and exalting the work of the institution. This year a memorial address will be de-livered by R. H. Battle, Esq., on Dr. Charles Phillips, and the alumni orations will be by Col. W. H. S. Burgwyn, of Henderson.

The best results should attend this movement; and in order to make it efficient it is earnestly desired that every alumnus of the University, who can possibly do so, will attend the approachng Commencement.

Branch Alumni Associations are now in process of organization in the leading towns and cities of the State. Organizations have already been effected in Raleigh and Goldsboro. President Battle hopes soon to visit Greensboro, Winston, Durham, Charlotte and other places and aid in the formation of the Associations.
