Pittman, two white men from Nash county, were brought to town under arrest charged with stealing an ox from Mr. E. H. Vick of Toisnot. lican. It seems that the men were tenants of Mr. Vick and on March 16th drove the ox here and sold it to Price Bros. The case was tried before Justice Lancaster,

who bound them over to court. In default of bail they were lodged in jail.

## They Need Sympathy and Should Have It.

Sunday School Times. How many parents there are who

are readier to provide playthings for their children than to share the delights of their children with those playthings; readier to set their children at knowledge-seeking than to have a part in their children's surprises and enjoyments of knowledgeattaining; readier to make good, as far as they can, all losses to their children than to grieve with their children over those losses. And what a loss of power to those parents as parents is this lack of sympathy with their children as children. There are, however, parents who sympathize with their children in all things; and, as a result, they practically train and sway their children as they will; for when there is entire sympathy between two persons, the stronger one is necessarily the controlling force with both.

Gout in most cases first makes itself known by an acute pain in the joint of the great toe. This most excruciating pain may be likened to that produced by the driving of a wedge under the nail. For gout use Salvation Oil. Price 25 cents a bottle. "Drink, pretty creature, drink," a lit-tle at a time of Dr. Bull's Cough Syrup,

and you will relieve your cold, and not rack your chest and lungs to pieces, and keep every body else in a state of agitation. Price twenty-five cents.

Wm. Timmons, postmaster of Idaville, Ind., writes : "Electric Bitters has done more for me than all other medicines combined, for that bad feeling arising from Kidney and Liver trouble." John Leslie, farmer and stockman, of same place, says: "Find Electric Bitters to be the best Kidney and Liver medicine; made me feel like a new man." J. W Gardner, hardware merchant, same town, says: Electric Bitters is just the thing for a man who is all run down and don't care whether he lives or dies; he found new strength, good appetite, and felt like he had a new lease on life.
