A petition for the grading and paving of Third street between Chesnut and Mulberry, east side, presented by Mr. P. Heinsberger and Mr. G. Holmes, was debated at length on motion made by Alderman Morton that the petition the present the name of the successful be granted.

Alderman Hicks opposed the motion on the ground that he did not think justice to persons who had put down pavements themselves in front of their property, or to others who wanted pave-

Alderman Pearsall moved an amendment, that the work be done under the provision of law directing a commission -three representing the city, and three representing the land owners-who should assess the property for enhanced value, or damages that might accrue to other property by reason of the improvements. The motion of Alderman Morton as amended by Alderman Pear-

sall, was finally adopted. The report of Martin Newman, Esq., Chief of the Fire Department, was read and ordered filed. Petition of Banaker Hose Reel Company for a horse was referred to the
