The Residence of Mr. A. D. Brown Set on Fire During the Storm Yesterday Morn-

During the violent storm early yesterday morning the residence of Mr. A. D. Brown, on Fifth street near Orange, was set on fire by lightning. It was about half-past two o'clock when the fire was discovered. Mr. Brown's family were aroused and the Fire Department summoned by an alarm turned in from box No. 42, and engines, trucks and hose reels of the Department turned out promptly at the summons and the firemen succeeded in extinguishing the flames. The fire had made considerable headway, however, and there was lack of water pressure from the fire hydrants, and building and furniture were greatly damaged before the flames were finally overcome. The lightning ignited the cupola on the building and the fire had been burning a half hour or more, probably, before it was discovered. It is said that the lack of water supply was due to the fact that the bell at the pumping station connected with the fire-alarm failed to give the signal. All the furniture in the building was damaged by water and some of it ruined.

The house was insured for \$2,500 in the Oneida, of Hartford, Conn., Messrs. Atkinson & Manning agents; and \$1,500 in the North American, with Messrs. Northrop, Hodges & Taylor. There was also insurance on the furniture for \$2,000 in the Connecticut, with Messrs. Smith & Boatwright. There is no estimate of the loss; but will probably be covered by the insurance.

A telegram was received from the Grand Lodge of Alabama, now in session, extending fraternal greetings to the Grand Lodge of North Carolina, and a telegram was sent in reply making proper acknowledgment of the courtesy.

At midnight the Grand Lodge, having concluded its labors, adjourned sine die, after a vote of thanks to the Knights of Pythias for the use of their hall, and to the people of Wilmington for courtesies received.

Most of the visiting members will take their departure for home to-day, but the Grand Master and the Grand Secretary will remain over to appoint district deputies.

Choice cabbage is in demand and selling at \$3 50; inferior \$2 to \$2 50; peas, half barrels, \$1 50 to \$2; bushels \$1 to to 1 25; asparagus \$1 25 to \$2 per dozen; Charleston and Savannah potatoes, prime new rose, \$5 50 to \$6; seconds, \$2 50 to \$3 50; sweet potatoes \$2 50 to \$3."

For Richmond. Confederate veterans who propose visiting Richmond, Va., to be present at the unveiling of the Lee statue on the 29th inst., are requested to leave their names with Dr. W. H. Green. If twenty or more go, the rate will be put down to \$5 25 for the round trip. A special train is to be run, with the W. L. The business of a newspaper is to purvey to and convey the truth to an anxious public. I consider the report an injustice to my famous life-raft. Yesterday's performance in the Sound before a large public demonstrated the fact to the contrary.

The day previous the sea was quite rough and hidden dangers in the shape of wrecks existed. I simply used judgment with discretion, which is the better part of valor. A man moved the hands of a clock the influence can be drawn in this case.
