OUTLINES.

The Tammany Braves, of New York, celebrated Independence Day by the reading of the Declaration of Independence, and the delivery of a number of speeches denunciatory of the Republican majority in Congress in the passage of the infamous Federal election law, and the unseating of honestly elected Democratic members; Hon. Wm. D. Byrd, of Indiana, whose glory it is that he received the censure of the Republican Speaker of the House, was the principal speaker; ex-President Cleveland sent a letter of regret, in which he makes an earnest protest against the wrongs and oppression of misgovernment.

Edward Hanlan defeated Gusto. Houser in the three-mile scull race, on the Sioux river, on the 4th, by half a length; the winner received \$500. The Fourth was celebrated with great enthusiasm in Asheville; all business was suspended, and the entire population, including thousands of strangers, gave themselves up to pleasure; the day's event was the opening of Richmond Park, to the public, by Hon. Richmond Pearson, when one thousand men, white and colored, marched to the Park in fours, armed with shovels and spades, and in one hour completed one mile of a public drive; each man received one dollar.

The Purcell Under New Management. Mr. August, Roder, proprietor of the Purcell House, has sold his interest to Messrs. E. L. & J. H. Hinton, who will take charge immediately. Both of the new proprietors are young men of pluck and perseverance and will undoubtedly do well. Mr. Joe Hinton has had considerable experience in the hotel business, and is a first class hotel man.

Mr. Roder will continue at the Purcell and will be of great value to the house. The new management will keep up the hotel to the first class standard it has heretofore enjoyed and nothing will be spared to please the public.

Mr. Greenwald, of this city, died yesterday morning at Cherokee Springs, S. C. His remains were brought here for interment and the funeral is announced to take place this morning at 9:30 o'clock, from the residence of the family on South Front street.

Mr. Greenwald was twenty-nine years of age. He had been an invalid for some time and only a few weeks ago left home for the western part of this State with the hope of being benefitted by the change.

New York Truck Market. G. S. Palmer, commission merchant, New York, reports the market, July 2d, as follows: No receipts of watermelons to-day except a few cars by rail. Market well cleaned up and fancy readily salable from 27 to 30 cents; primes 23 to 25 cents. Peaches \$2.50 to \$3 per crate. Lemons, small and green, selling from \$2 to \$2.50; large ripe pears wanted. Market firmer on fancy potatoes, and Virginia selling from \$2.75 to \$3; North Carolina and South Carolina \$1.50 to \$2.50. Tomatoes, fancy, \$2.50; inferior \$1.25 to \$1.75.

Another Onslow Road. It is with great pleasure, says the Burgaw Herald, that we announce to our readers that the Atlantic Coast Line contemplate building the railroad from here into Onslow county. Col. Gardner and a corps of surveyors passed down the road yesterday and engaged teams to begin the surveys next Thursday.

Mrs. Hendricks, of Indiana, don't seem to have a very towering admiration for Mr. Cleveland, if it be true as reported, that she on the occasion of the recent unveiling of the monument to her husband, said to Gov. Hill that if he let Cleveland beat him for the nomination she didn't want him ever to come to her house again. If Mrs. H. controls the Indiana delegation Gov. Hill can doubtless count on that being solid for him.

The Mayor had several offenders against the laws and ordinances of the city before him yesterday. Two females--Mag Pridgen and Satira Bunting--received the most distinguished consideration, each being fined \$20 and costs for disorderly conduct. Mr. T. A. Darby, a Wilmingtonian, who removed to Florida several years ago, is strongly recommended for State Senator of Putnam county, Fla. The Palatka Herald says he is a good speaker, a man of sound business qualifications and a life-long Democrat.

THE GLORIOUS FOURTH.

A Big Day at Carolina Beach, the Hammocks and Ocean View--Crowds of Visitors--The Regatta--Shooting Match--Fireworks, Etc. There was little of the air of a "glorious Fourth" in the city last Friday, beyond observances customary on a general holiday--the closing of stores and other places of business. The weather was too hot for anything demonstrative; but great crowds of people left the city and sought and found enjoyment, and relief from the great heat at the seaside.

AT CAROLINA BEACH There were many visitors, the steamers Sylvan Grove and Passport making additional trips to accommodate the people. There was a fine breeze throughout the day at this pleasant resort and the bathing was splendid. Music was provided for the dancers in the pavilion, and during the afternoon and evening Germania Cornet Band entertained the visitors with some fine selections. At night there was a display of fire works on the beach which was very much enjoyed.

ON WRIGHTSVILLE BEACH. It is estimated by the Seacoast railroad authorities that fully 5,000 persons visited the Hammocks and Ocean View during the day, the greater number making the latter place their point of destination. Two trains of eight coaches each were running all day between Wilmington and the Hammocks, beginning at six o'clock in the morning, and the last train leaving on the return to the city at one o'clock yesterday morning.

The regatta of the Carolina Yacht Club, sailed over the Wrightsville course, began at 11 o'clock in the forenoon, and was watched with absorbing interest by hundreds of spectators assembled in and near the Club House. The start was made in the following order, viz: H. M. S. Mamie B. Owen Fennell, 11:30:00. Francis Marion, W. N. Harris, 11:30:45. Lillie, Willie Atkinson, 11:30:48. Lillian Florence, H. M. Bowden, 11:31:18. Winona, G. R. French, 11:31:38. Phantom, J. K. Williams, 11:32:24. Pirate, Norwood Giles, 11:33:37. Mascotte, G. D. Parsley, 11:33:47. Peggotty, T. Wright Meares, 11:33:49.

The boats came in at the finish as follows: H. M. S. Mamie B. Owen Fennell, 12:49:13. Francis Marion, 12:49:08. Lillie, 12:48:19. Lillian Florence, 00:00:00. Winona, 12:59:15. Phantom, 12:44:15. Pirate, 12:30:08. Mascotte, 12:33:20. Peggotty, 12:30:45. The first prize, a handsome painting, was won by the Pirate. The second, a silver sugar bowl, by the Lillie, and the third, a silver cream pitcher, by the Mamie B.

Rev. C. L. Arnold presented the prizes at the Club House, felicitating the winners on their success in the regatta, and was happily responded to by Mr. Norwood Giles and Capt. O. A. Wiggins. The rifle contest took place at Ocean View in the afternoon. The team from the Lumber Bridge Light Infantry won the first prize--\$100, presented by the Seacoast Railroad Co.--and the Fayetteville Independent Light Infantry team won the second prize--\$25, presented by the Ocean View Co. The weather was fair, but there was a strong wind, which interfered somewhat with the marksmen. The military teams used the Springfield service rifle, and the "Wild Cat" team an old Spencer rifle, a relic of the late war, that failed to "carry" to the target in most instances. The distance was 200 yards; and the best possible team score 125. The following is the record of the shooting as officially reported by the judges, Col. W. L. DeRosset, Col. W. C. Jones and Mr. W. E. Perdue, viz: Co. E, 2d Regt., Maxton Guards. Carter, J. W., 2 4 3 4 4--17. McKinnon, A. J., 0 3 0 4 5--12. Sellers, J. B., 3 4 4 4 4--19. McBride, J., 2 0 0 2 4--10. McKrae, J. W., 3 4 2 3 4--14.

Total score.....65 A sparring match took place at the Hammocks later in the afternoon, but the attendance was small, and but little interest was evinced in it.

In the evening there was a grand display of fireworks at the Switchback station, that was viewed by thousands, and there was also a display at the Hammocks. Prof. Miller's band at the Hammocks and the Winston band and a colored band at Ocean View played at intervals throughout the day and in the afternoon and evening furnished music for dancing, which took place in the pavilion at Ocean View and in the dining room at the Hammocks.

There was a fine surf on the beach and all day long hundreds were disporting in the waves. Hotels, eating houses, bars and refreshment stands were liberally patroized, and the "Switchback" and other attractions were in full operation all day long. The crowd seemed to be intent on enjoyment, and to all appearance had it, without disturbance or disorder of any kind.

COL. STRANGE WITHDRAWS. To Iredell Meares, Esq., Chairman of the New Hanover Delegation to the Democratic Convention of the Sixth Judicial District. Sir--I address this note to you to inform you, and through you the delegation of which you are Chairman, that it is my wish that my name be not presented to the Democratic Convention of the Sixth Judicial District, as a candidate for the nomination for Judge. Please express to the delegation my cordial thanks for the tribute paid me in the determination expressed by them to present my name to the Convention, and to give me their undivided support for this high office, and assure them of my sincere appreciation of the compliment they have thus bestowed upon me. Permit me to thank you, and other friends in this and other counties in this district, for the earnest support you have given me in connection with the nomination for the judgeship, and for your generous efforts in my behalf. Believe me, I am not ungrateful. Respectfully, THOS. W. STRANGE.

Smile Again on Me! sighed Tom to his beloved. He knew not what gave her such a charm in his eyes. Her teeth, preserved by SOZODONT, which she had used from girlhood, did his business. She held her lover by virtue of SOZODONT.
