Ayer's Sarsaparilla

The Best **Blood Medicine**

So say Leading Physicians and Druggists, and their opinion is indorsed by thousands cured by it of Scrofula, Eczema, Erysipelas, and other diseases of the blood.

"Ayer's Sarsaparilla has won its reputation by years of valuable service to the community. It is the best." - R. S. Lang. Druggist, 212 Merrimack st., Lowell, Mass. Dr. W. P. Wright, Paw Paw Ford, Tenn., says: "In my practice, I invariably pre-scribe Ayer's Sarsaparilla for chronic diseases of the blood."

Dr. R. R. Boyle, Third and Oxford sts.. Philadelphia. Pa., writes: "For two years I have prescribed Ayer's Sarsaparilla in numerous instances, and I find it highly efficacious in the treatment of all disorders

M. Robinson, Pharmacist, Sabina, O.,

certifies : "Ayer's Sarsaparilla has always been a great seller. My customers think there is no blood-purifier equal to it." "For many years I was afflicted with scrofulous running sores, which, at last became so bad the doctors advised amputating one of my legs to save my life. I began taking Ayer's Sarsaparilla and soon saw an improvement. After using about two dozen bottles the sores were healed. I continue to take a few bottles of this medicine each year, for my blood, and am no longer troubled with sores. I have tried other reputed blood-purifiers, but none does so much good as Aver's Sarsaparilla."-D. A. Robinson, Don't fail to get

FORTY YEARS.

Married, how long ago? Count the years by the slim, old wedding ring. Once thick and heavy. How fast they fly, the winters that melt in spring! And youth goes with them; so love, sweetheart, is the only lasting thing!

We two, ah, what did we know of love when roses of June were red? When you wept sweet tears at a song, or sobbed at some thoughtless word I

And blushed if I only pressed your hand or a kiss on your fair brown head.

Our hearts were light as bright bubbles blown. Like children in faryland We wandered down where the daisies grew, to that wonderful golden strand Where all the dreams of the heart come

true, and loyers walk hand in hand. Since then, since then, oh, the long, long road we have wandered through

calm and storm. When leaves flew by us and snowflakes whirled and we watched the swal-

lows form In winged clouds sweeping down the sky to lands where the sun was warm.

There was always brightness for you and me and over the tears we wept For life's sore losses and hurting pain a rain-bow of hope still crept,

And deep in your sweet, tear-clouded eyes my sunshine forever slept! Look at me, dear, with your true, kind

eyes beaming under your soft, white They are far more beautiful now, sweetheart, than when morning and youth

were fair; And far more lovely your pale, worn cheeks than when blushes were burning there.

I talk like a lover? Of course I do. What else should I talk like, pray? For a man is never a lover true to the girl of his heart, I say. Till he's lived as her husband forty years

and seen her grow old and gray.

SPIRITS TURPENTINE.

- Mount Olive Telegram: The cotton crop is the largest ever known in this section. Our farmers can pay out and have money enough to buy their supplies for next year.

- Washington Progress: There is not a dwelling house in town that is not occupied that we know of. There are applications nearly daily for residences which cannot be furnished.

- Alamance Gleaner: Mr. Calvin Loy, who lived about two miles west of Burlington, died last Saturday and was buried in the burying ground at Shallowford church on Sunday. Deceased was 69 years old.

- Lexington Dispatch: We have heard less grumbling this year in regard to crops than in a long time. We trust that all the farmers in the county and elsewhere will have a better yield all around than in many years.

- Greenville Reflector: Mr. Noah Forbes, Jr., brought us two curiosities on Friday. One was a twin apple, both growing from one stem, and the other was a peanut, the stem of which had grown through a stick, the pod forming on the opposite side from the vine.

- Kinston Free Press: Trade is better than ever before with our merchants. - We learn that Mr. Noah Rouse, a prosperous farmer near our sister city, LaGrange, will make this year 400 bales of cotton on 400 acres. - Mr. J. H. Bell, of this county, made 33 watermelons on one vine. He gathered 28 ripe melons from the vine at one time.

- Greensboro Workman: Mr. Orran Palmer, of Randolph county, died suddenly at the house of his son in law Mr. George Rogers, near Granam, on Friday morning last. — Mr. Dike Donnell was badly bitten by a spider on Saturday night last. He does not know what kind of a spider it was but the bite came near proving fatal.

- Cherokee Scout: We understand that Sam Bryson, of Dillsboro, will immediately build a 25 room hotel at Andrews. Several other buildings will go up shortly. -Rev. Mr. Brown is a "hustler" when it comes to raising money to build a church. He raised something over \$400 last Thursday morning in a few minutes to build a Presbyterian church at Andrews.

- Maxton Union: Great crowds crowds are expected at the Falr, and if the weather is good the Fair will be a grand success. - Jack Jones, (col.) who is church treasurer, treasurer of the Odd Fellows, Sunday School, and had treasured up some cash of his, was raided upon Sunday night while they were all at church, and robbed of all his

cash amounting to about \$300. — Asheboro Courier: We learn that the Fife meetings at Randleman were largely attended. Some days fully 3,000 people attended the services. -A handsome silk banner will be presented by the ladies of Randolph to that township which does the best work and makes the largest proportionate gain over the vote of two years ago. The banner has already been ordered and is

a "daisy." - Goldsboro Argus: The exhibits are rolling in from every direction. The Fair is already an assured success, if only the weather continues favorable.

The death of Mrs. M. F. Ezzell, relict of the late David J. Ezzell, at one time Register of Deeds of this county, occurred at her home in Chapel Hill where she has been living of late years, on Sunday last, in the 48th year of her

He was sitting near his gin-house when he was stricken down, and died a few hours afterward without speaking. His death is thought to have been caused by heart failure. Col. Parker was one of the most highly esteemed and respected citizens in the county and leaves a large family. He had reached

the ripe old age of 71 years. - Durham Sun: It was rumored on our streets Saturday night that W. R. Herndon, who is wanted here on the charge of murder, had been captured near Red Mountain. This rumor was unfounded. He is still at large. -Another case of two much walking on the railroad. Near Haw river, Saturday night, Andy Linens, a white man, was

to go. He received a very severe gash on the back of the head. Dr. J. M. Manning went up to see him yesterday afternoon and returned to-day. Linens is doing very well, and the chances are that he will recover.

-Charlotte Chronicle : Henry Giles died yesterday morning, of consumption, at the age of 60 years. Mr. Giles was the father of Mrs. Ernest Garraux and the late Silvester Giles. -Davidson College is on a boom, so to speak. There are at present 112 students matriculated at the college, with the mary.s College, at Belmont. Gaston county, has ninety-five students, and although that is as many as it can well accommodate, fifteen more have written for admission. — Chas. Laney, of Monroe, arrived in the city yesterday evening on the C. C. & A. Mr. Laney showed a reporter some fine specimens of gold, which were taken from his gold mine in Union county. Two pans of ore, produced two ounces of gold.

Reports from the Congressional canvass indicate that our noble standardbearer Williams, is making a fine impression, and is sure to beat the demagogue and political trickster, who is opposing him.-Greensboro Patriot.

Cheering reports come from the Democratic candidates who are meeting the people at their various appointments. Branch and Blount are now filling their appointments, and they are received with enthusiasm by the people. -Washington Progress,

Those New York banks are in trouble again. They have lost their full legal reserve as usual, and "confidence is impaired." All this shows that more currency is needed, and Congress ought to devise some means of letting the people have it. The proper thing to do is to repeal the ten per cent. tax and allow the State banks to issue notes .- Raleigh News and Observer.

Ready-Made Department

We use Custom-Made Patterns only, so every garment in our house is cut just the same way as the very best Custom Tailors cut their goods.

Of course it takes more material, and the expense to us is a little more, yet we buy such large quantities of goods, for which we pay spot cash, that we can afford to cut our garments full and make them superior to any other goods in this market, and sell them to you at prices other dealers sell shoddy made and cladtrap goods.

Our CUTAWAY FROCK SUITS are simply the ideal of tailor art. PRINCE ALBERTS are perfect models, and SACKS cannot be excelled by any artist or designer of Clothing Patterns. Merchant Tailors can learn how to cut garments by examining our styles, and when we say we have the best selling, nicest fitting, lowest priced, strongest made and handsomest lot of CLOTH-ING in this or any other market, we mean what we say.
