of Bolton, Eng., against Mary E. Smith, et al., of Wilmington, for the recovery of the estate of the late Thos. H. Smith, estimated to be worth about \$60,000. Thos. H. Smithcame to reside in Wilmington prior, to the war and lived here with a woman said to be his wife, who is the mother of the plaintiff. About the beginning of the war the alleged wife disappeared, and nothing was heard of her until this controversy began. In 1867, Smith married Miss Mary E. Watson, of Wilmington, and by her raised a family of eight children, among them several daughters; one of them the wife of Mr.

The plaintiff claims that he is entitled to all the property, as the alleged first wife was living when the second marriage to Miss Watson took place. The defendants deny that Thos. H. Smith was ever married to the alleged first wife, and contend that the plaintiff was born out of wedlock, and is not en-

titled to recover. The plaintiff is represented in the case by Russell & Ricaud, and the defendants by Messrs. Marsden Bellamy
