Fires in the Country.

The dwelling of Mr. C. C. Ketchum, near Wrightsville, was destroyed by fire before daylight last Sunday morning. The family escaped from the burning building, but lost nearly everything they possessed in the way of clothing and furniture. It is not known how the fire originated. It began in the kitchen, and the dwelling was on fire before the inmates were aroused. Mr. Ketchum's family is a large one and in their destitute condition any contributions will be gladly received.

Judge Farrar To-night.

"The Happy Band of the King's Daughters" have prevailed upon Judge J. R. Farrar (famously known in Virginia as "Johnnie Reb") to remain over one day longer, and to give his "Johnnie Reb" lecture entire to-night at 8 o'clock. The price of admission is very reasonable and the house no doubt will be crowded. All the Bands of the "King's Daughters" ought to be represented, because special provision has been made for reserving seats for them without extra charge.

Col. K. M. Murchison and Messrs. D. M. Williams, Joel W. Murchison, David Reid Williams and K. M. Murchison, Jr., leave to-day for a big bird hunt near Walnut Cove and other points on the Cape Fear and Yadkin Valley Railway. Among the distinguished appendages of the party "Gumleronly" is worthy of special mention. He will give the hunters some good "points", and will "fetch" anything from a humming bird to a wild turkey.

The Three Gamblers.

The three gamblers arrested Saturday evening (as mentioned in the STAR) were arraigned before Mayor Fowler yesterday and after an investigation of the case against them were committed to jail for trial at the Criminal Court next month, in default of bond for their appearance in the sum of \$100 each. They had counsel, Mr. C. P. Locky appearing for them, but made no defence.
