

PUBLIC SAFETY DEMANDS

That only honest and reliable medicines should be placed upon the market. It cannot, therefore, be stated too emphatically, nor repeated too often, that all who desire a genuine Blood-purifier should be sure and ask for

Ayer's

Sarsaparilla. Your life, or that of some one near and dear to you, may depend on the use of this well-approved remedy in preference to any other preparation of similar name. It is compounded of Honduras sarsaparilla (the variety most rich in curative properties), sassafras, mandrake, yellow dock, and the iodine. The process of manufacture is original, skillful, scrupulously clean, and such as to secure the very best medicinal qualities of each ingredient. This medicine is not boiled nor heated, and is, therefore, not a decoction; but it is a compound extract, obtained by the use of the most powerful alteratives, tonics, and diuretics known to pharmacy. For the last forty years, Ayer's

Sarsaparilla

has been the standard blood-purifier of the world—no other approaching it in popular confidence or utility. It is approved by the leading physicians and druggists. Being pure and highly concentrated, it is the best of all possible blood medicines. Every purchaser of Sarsaparilla should insist upon having this preparation and see that each bottle bears the well-known name of

J. C. Ayer & Co., Lowell, Mass.

In every quarter of the globe Ayer's Sarsaparilla is proved to be the best remedy for all diseases of the blood. Lowell druggists unite in testifying to the superior excellence of this medicine and to its great popularity in the city of its manufacture.

OTTERBURN LITHIA and MAGNESIA WATER!

ONLY CURES "BRIGHT'S DISEASE" BUT ALSO DIABETES.

It is a year that I have been suffering with a form of Kidney Disease which my physician, Dr. J. A. Hillman, has diagnosed as Diabetes, and advised the use of Otterburn Lithia and Magnesia Water. The quantity of sugar passed was great, and I lost forty pounds of flesh in a few weeks. The use of the Otterburn Water corrected the excessive flow entirely in six weeks, and I am now a well man.

Persons often ask "will it keep?" I can certify that two years ago I obtained some of the Otterburn Lithia and Magnesia Water, and after using it for some time, I found that some of the sugar had been entirely removed. I purchased a quantity when they were taken from me, and I found it to be just as good as when they were taken from me. I am now a well man.

It cures Rheumatic Gout. I have been suffering with a complication of Gout and Kidney trouble, suffering great pain in the region of the kidneys, and having my attention directed to the Otterburn Lithia and Magnesia Water, I resolved to use it, and never experiencing such relief as I have since. The water has been used for some time, and I feel that it has cured me.
