Alleged Incendiarism. G. Bache, a white man about thirty

years of age, who was arrested Monday night on suspicion of having set fire to an unoccupied house on Kellogg's alley, was arraigned before Mayor Fowler yesterday. Salem Beasley, colored, said he was the first person to reach the house after the alarm was given, and found the place on fire inside. When he pushthe door open, Bache was in the room and asked, "what's the matter!" Beasley got a bucket of water and assisted

in extinguishing the flames. Bache it seems had recently occupied the house and had been ejected. He admitted going into the house, and said he got in through a window, and had a torch-light in his hand, which might

have caused the fire. After the investigation Bache was sent to jail in default of bail in the sum of \$100 for his appearance at the next term of the Criminal Court.

- The schooner James R. Talbot, reported yesterday as arrived at Southport in distress, came up to the city vesterday. She will discharge cargo here and repair damages. The Talbot is from Montego Bay, Jamacia, with a cargo of logwood and fustic for Uncansville, Conn. She sprung a leak soon after leaving port and put in at Key West, Fla., where a steam pump was put on the vessel with which it was hoped to keep her free of water. The pump, however, got out of order and could not be used. When she was sighted by Southport pilots Monday she had nearly five feet of water in her hold. The pilots went out to her with considerable risk to themselves, as there was a high sea and the wind blowing nearly a gale.
